(57) **CLAIM**

I claim the ornamental design for a loop top delineator, as shown and described.

DESCRIPTION

FIG. 1 is a perspective front view of the loop top delineator; FIG. 2 is a perspective front view of the loop top delineator scaled down and shown installed on a marker post; FIG. 3 is a front view of the loop top delineator, the rear side being a mirror image thereof; FIG. 4 is a left view of the loop top delineator, the right side being a mirror image thereof; FIG. 5 is a top view of the loop top delineator; and, FIG. 6 is a bottom view of the loop top delineator. The marker post is shown in broken lines for illustrative purposes only and forms no part of the claimed design.
