(57) **CLAIM**

We claim the ornamental design for a display of a television receiver with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a first image of a display of a television receiver with graphical user interface showing our new design:

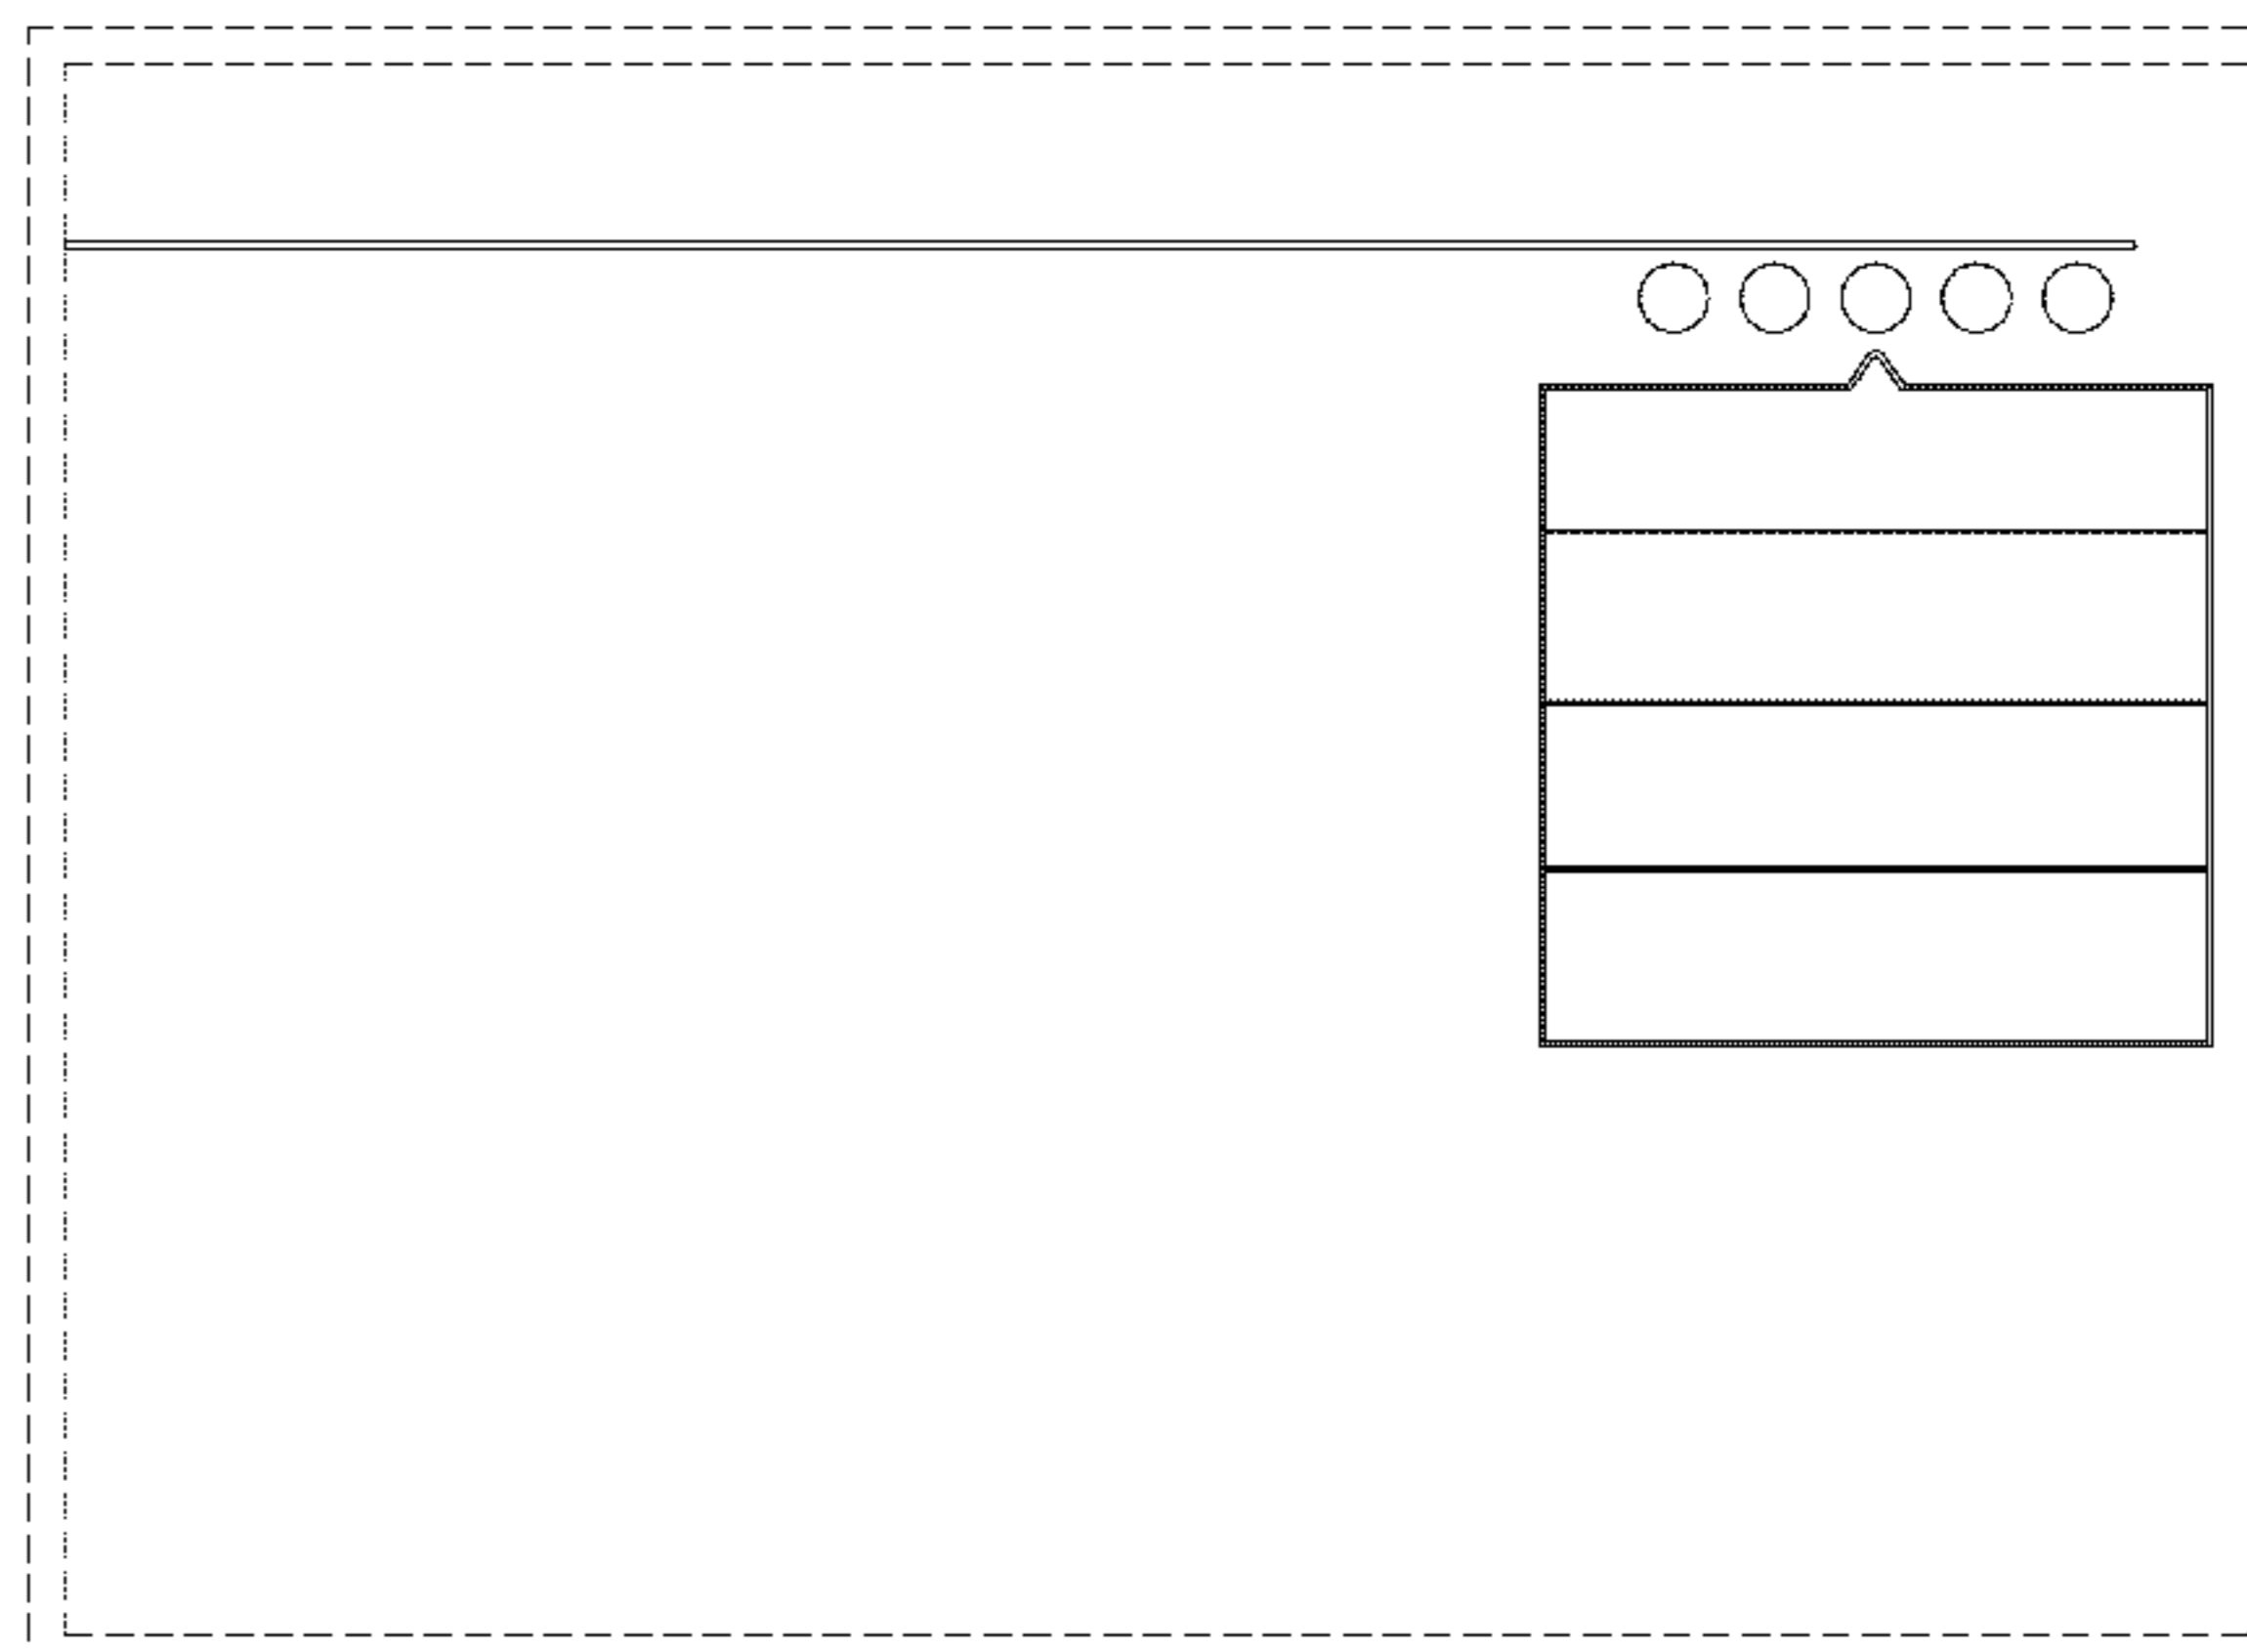

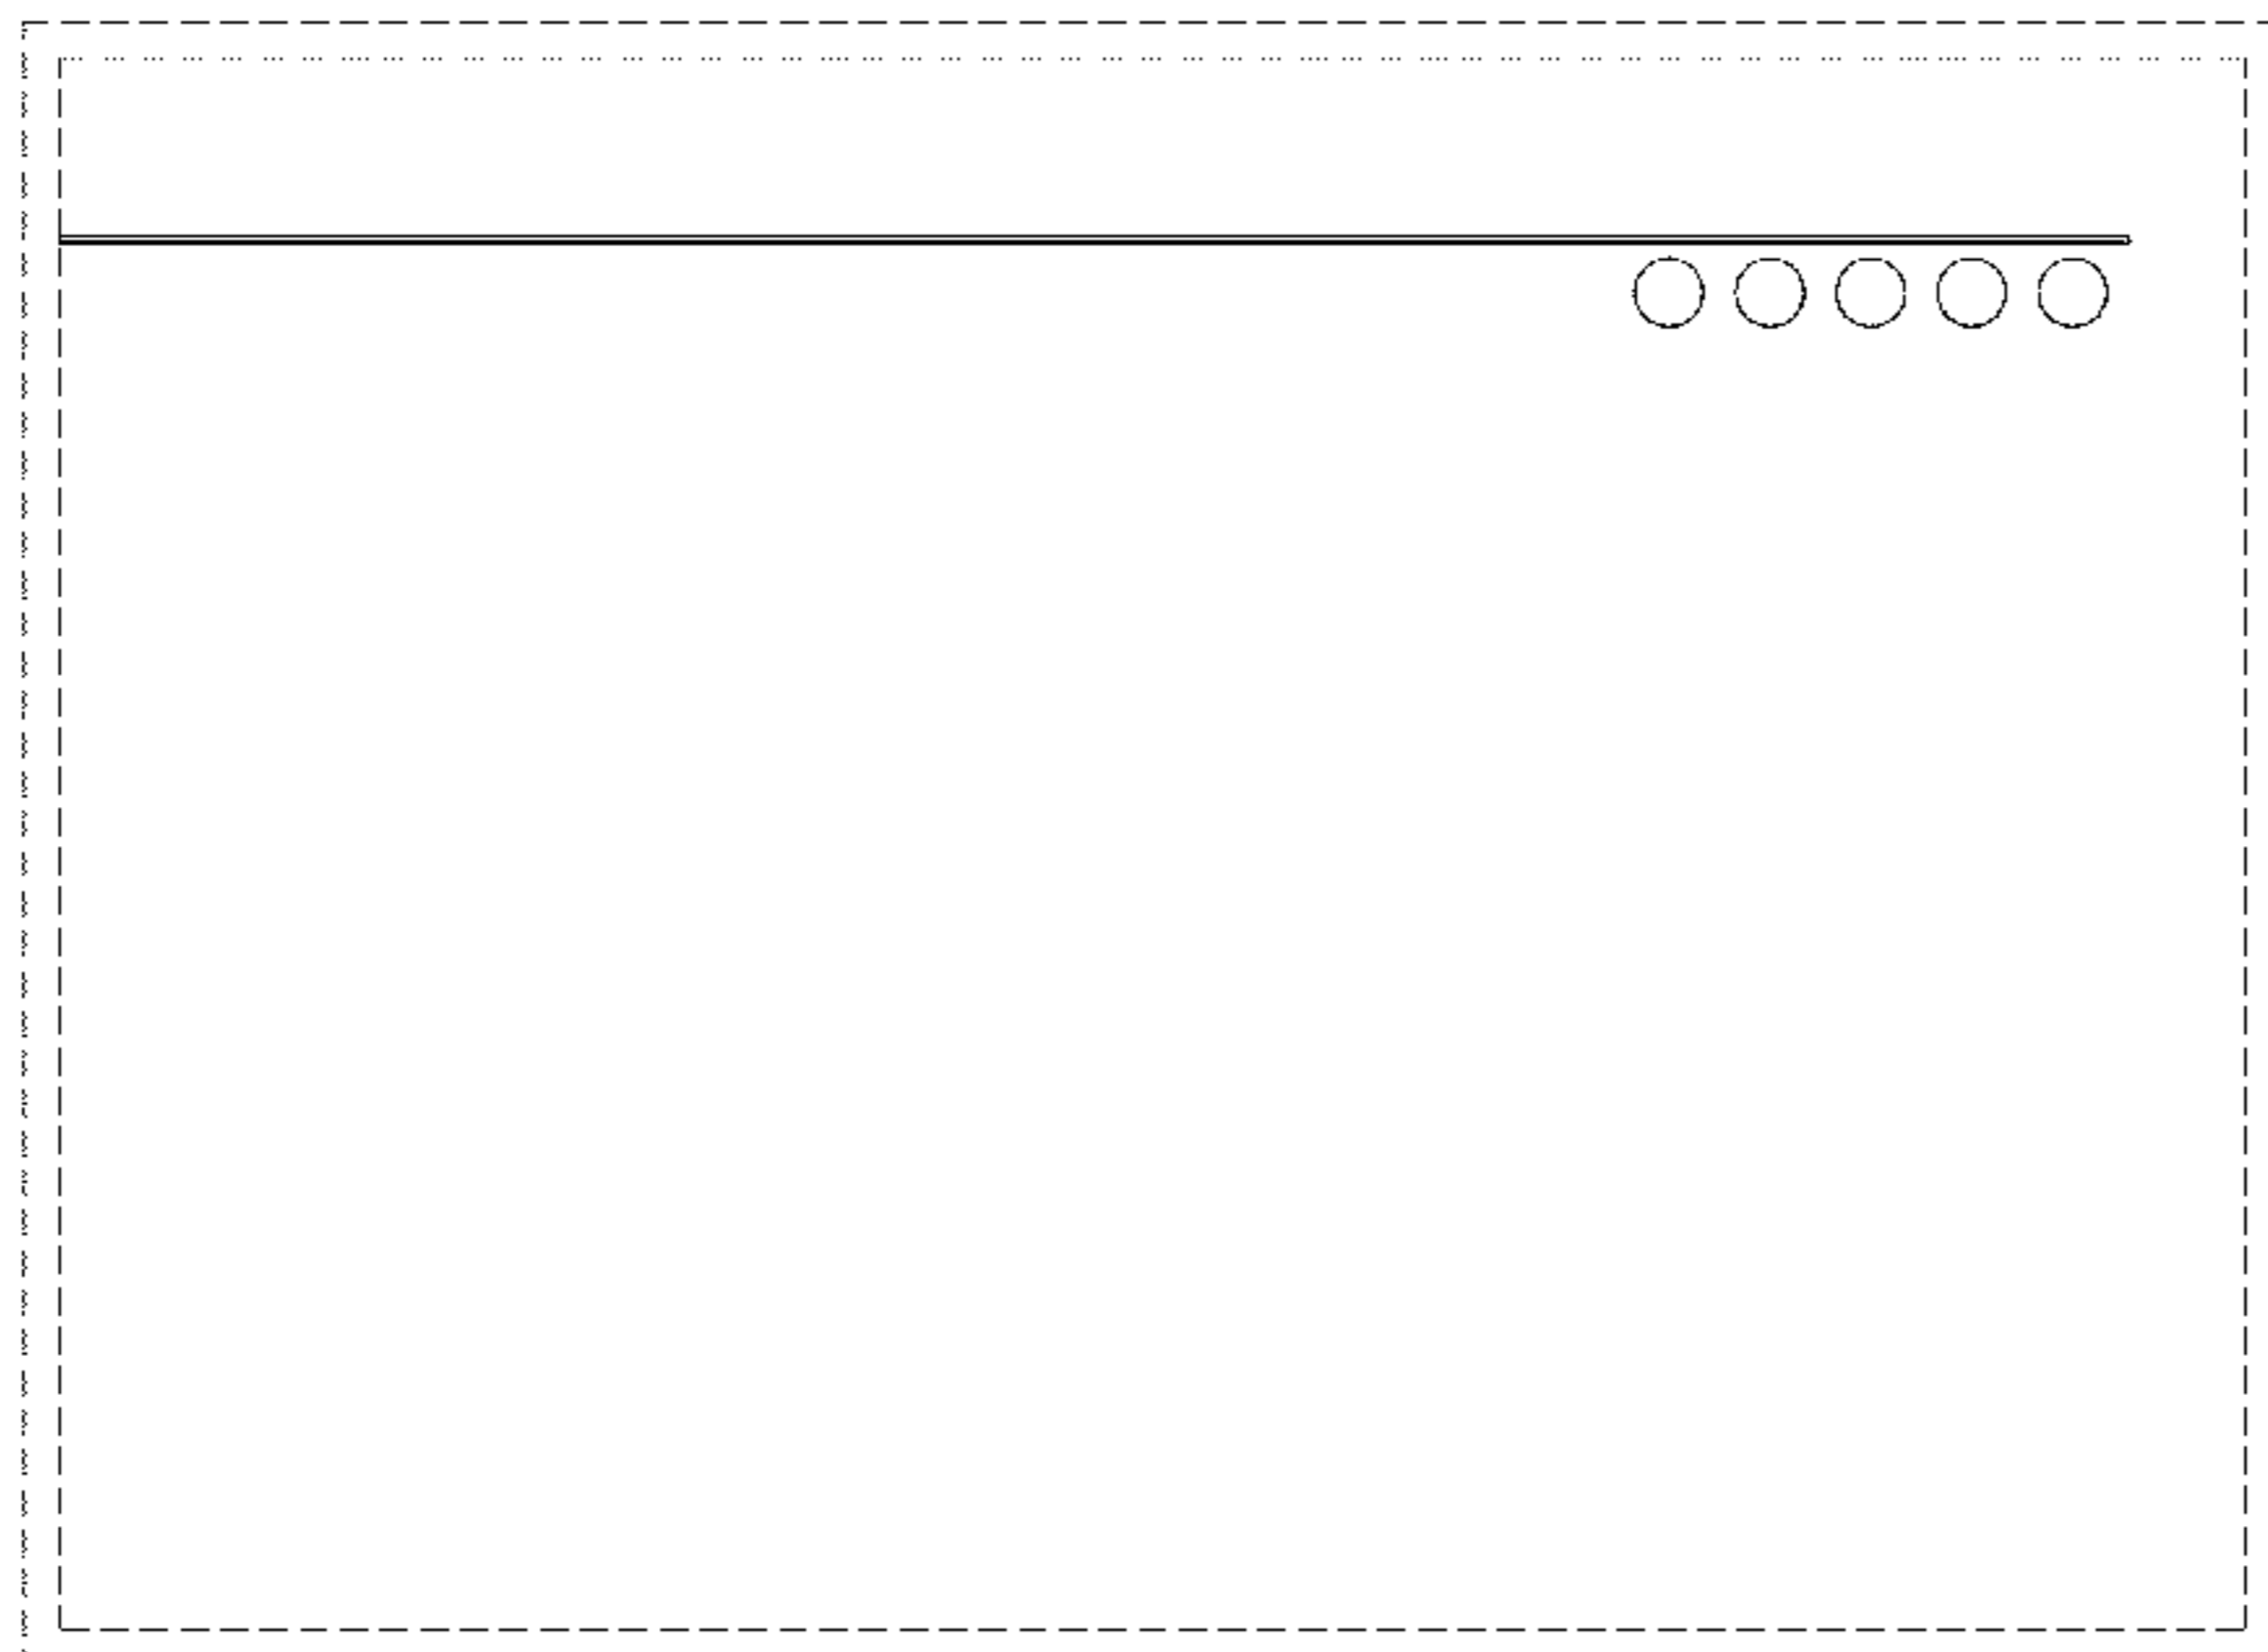

FIG. 2 is a front view of a first image thereof; and,

FIG. 3 is a front view of a second image thereof.

The appearance of the transitional image sequentially transitions between the images shown in FIGS. 2 and 3. The process or period in which one image transitions to another image forms no part of the claimed design.

The broken lines shown in the drawings illustrate portions of the display of a television receiver that form no part of the claimed design.

1 Claim, 3 Drawing Sheets
