(57) **CLAIM**

The ornamental design for a stand for an electric skin brush, as shown and described.

DESCRIPTION

FIG. 1 is a front isometric view of the stand for an electric skin brush showing the new design.

FIG. 2 is a rear isometric view of the stand for an electric skin brush.

FIG. 3 is a front elevational view of the stand for an electric skin brush.

FIG. 4 is a rear elevational view of the stand for an electric skin brush.

FIG. 5 is a top view of the stand for an electric skin brush.

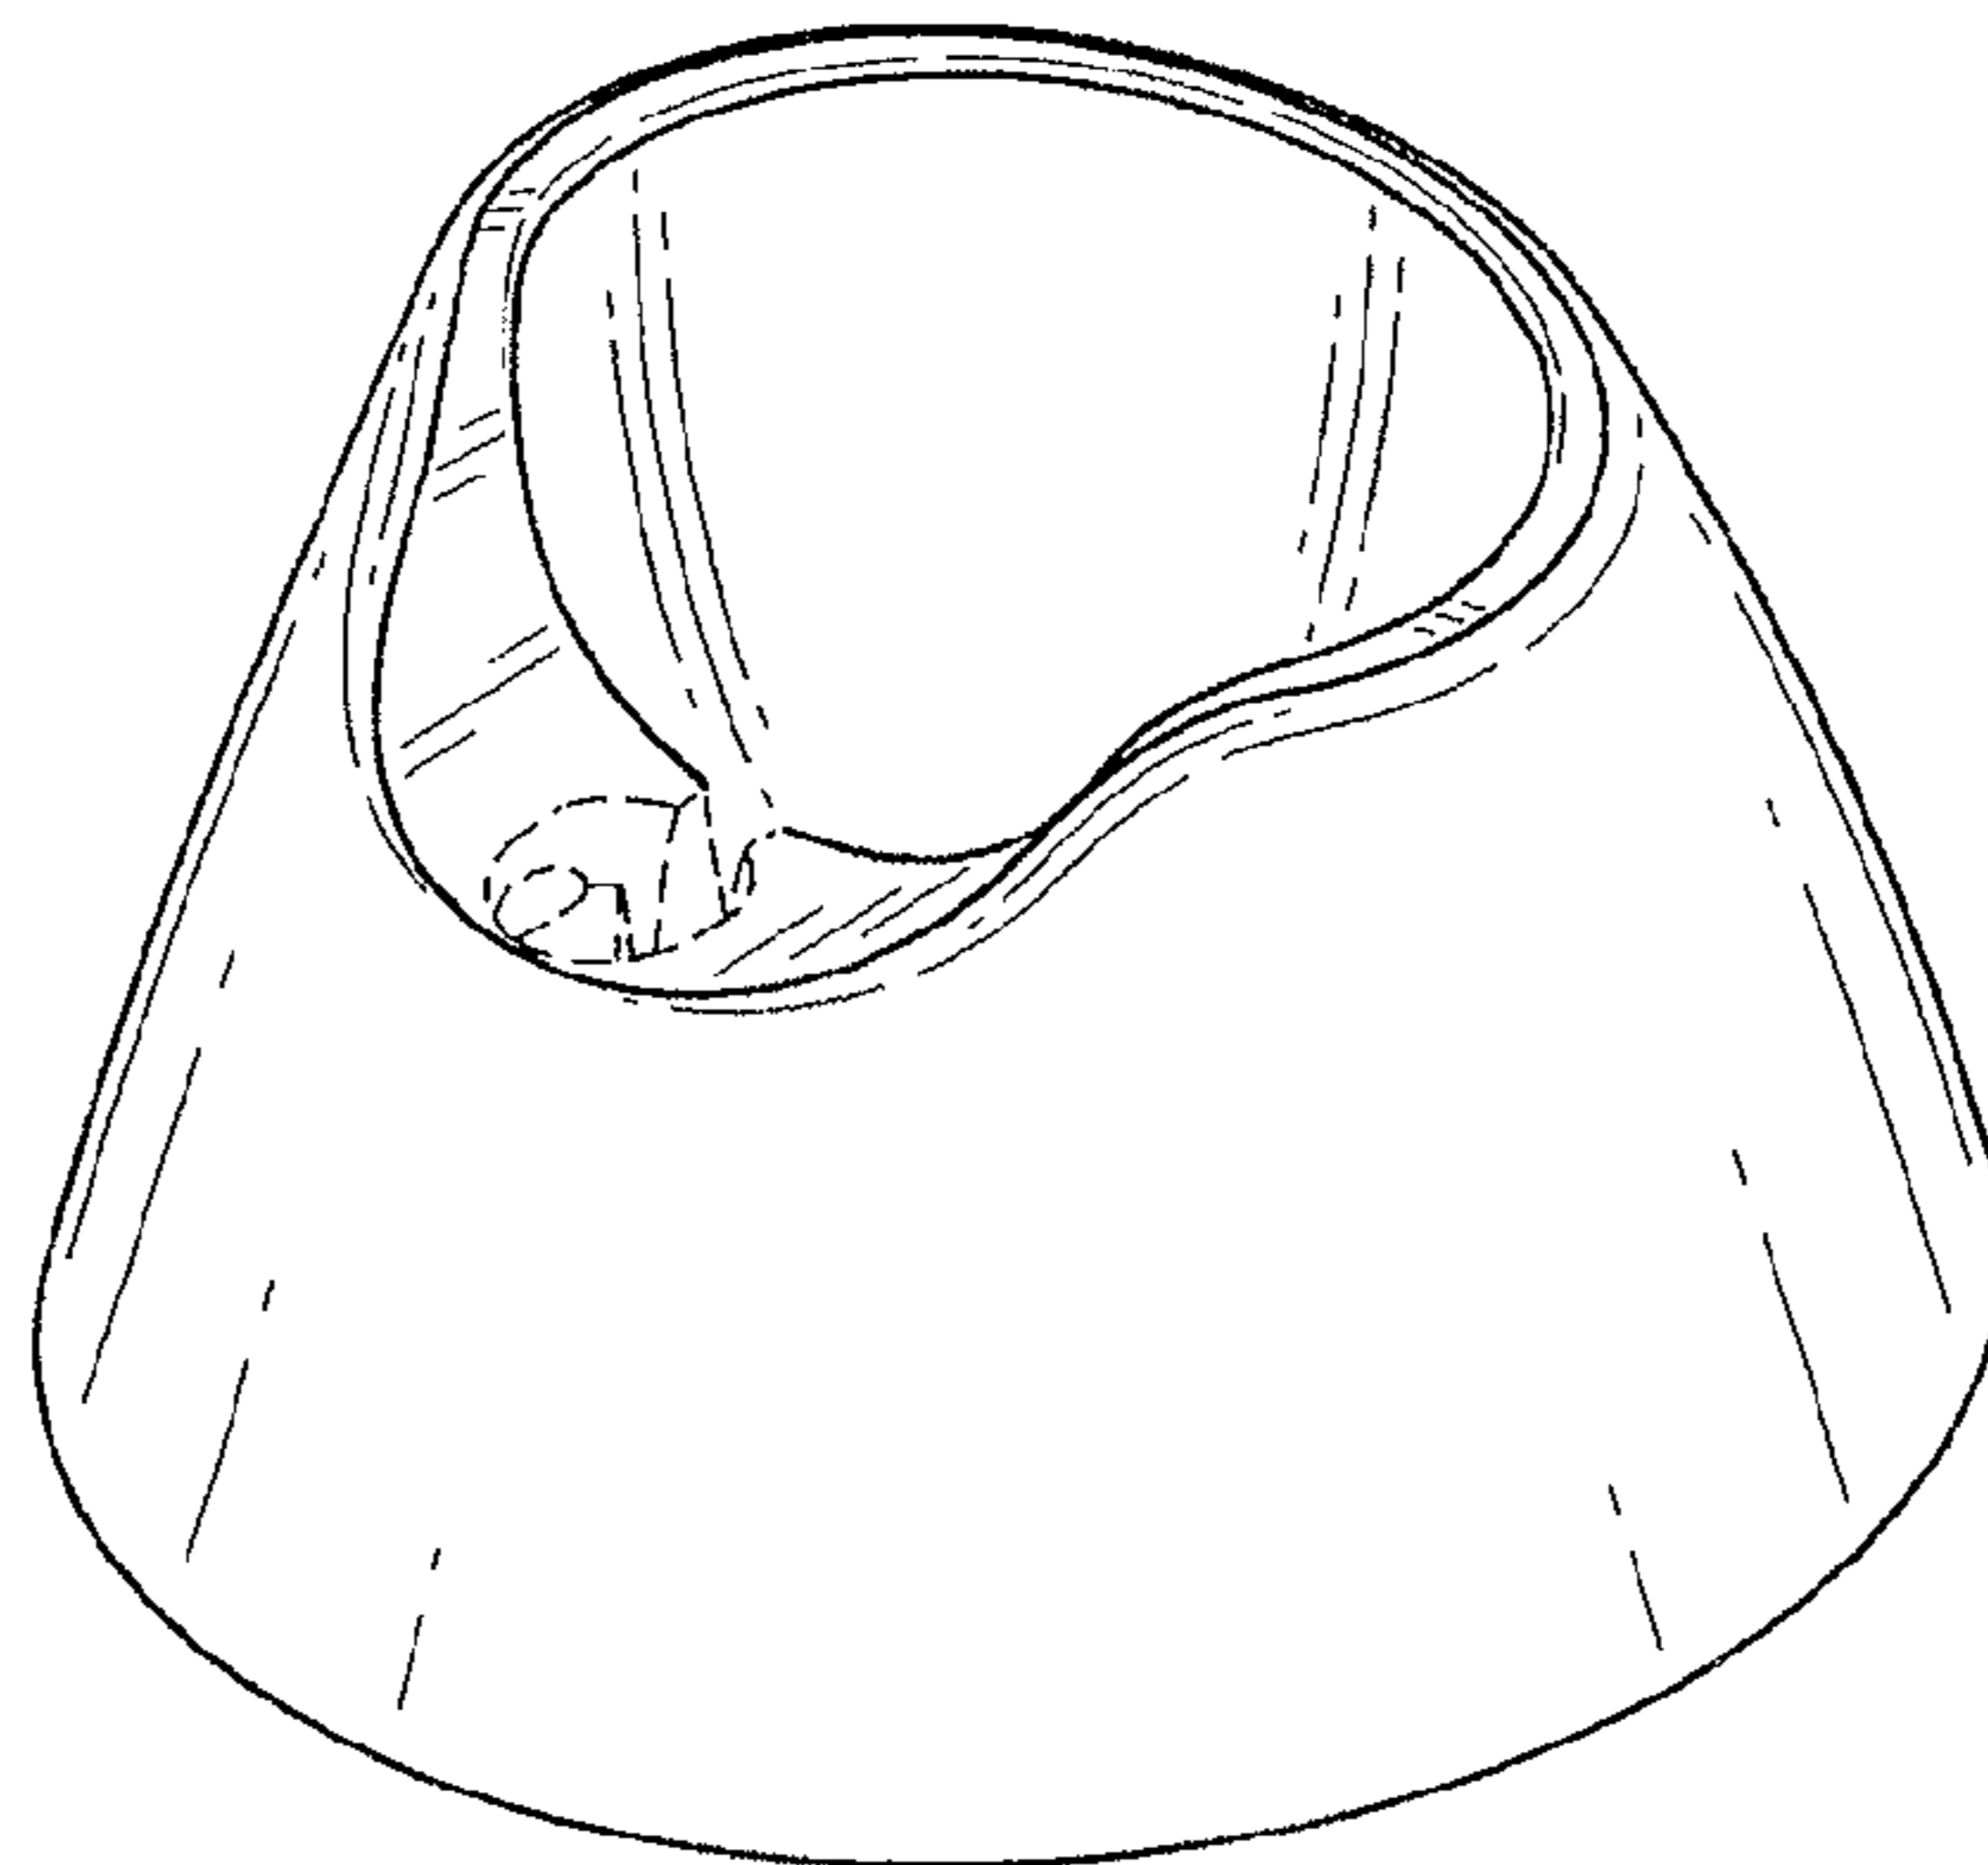

FIG. 6 is a bottom view of the stand for an electric skin brush.

FIG. 7 is an elevational view of one side of the stand for an electric skin brush; and,

FIG. 8 is an elevational view of the opposing side of the stand for an electric skin brush.

The broken lines shown in the drawings illustrate portions of the article and form no part of the claimed design.
