(57) **CLAIM**

The ornamental design for a portion of a display screen with a computer icon, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a first embodiment of a portion of a display screen with a computer icon.

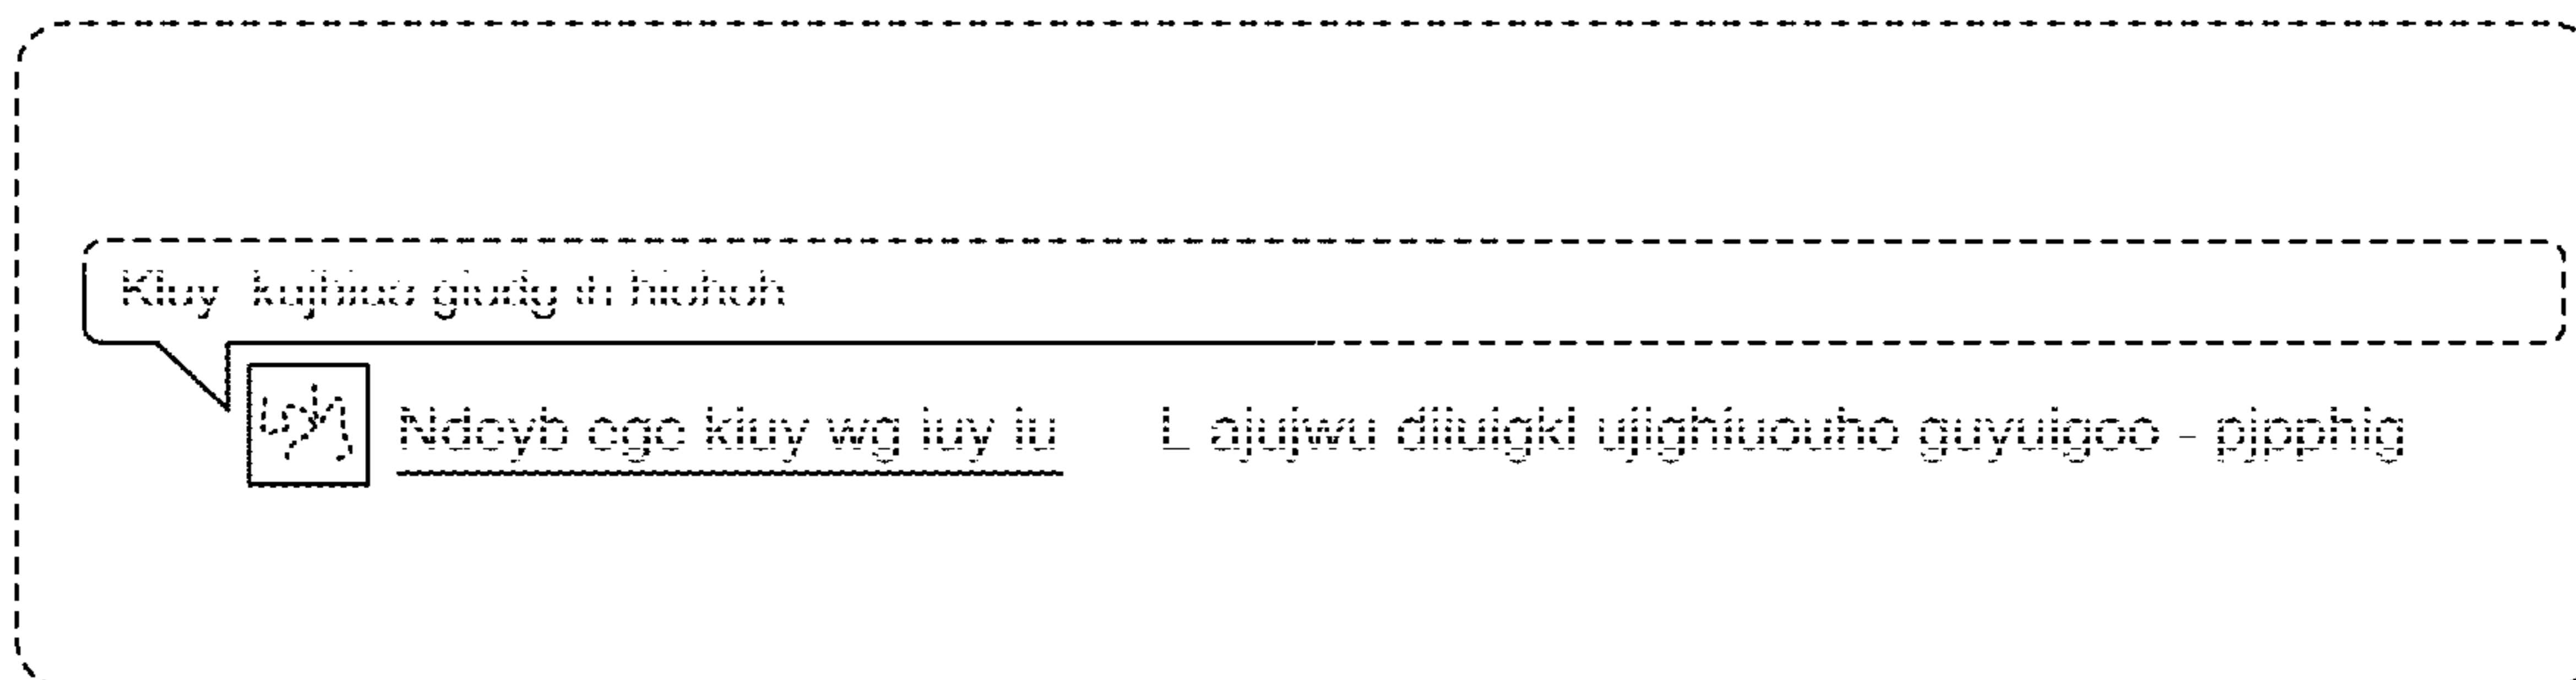

FIG. 2 is a front view of a second embodiment of a portion of a display screen with a computer icon; and,

FIG. 3 is a front view of a third embodiment of a portion of a display screen with a computer icon.

FIGS. 1-3 illustrate a sequence of displays of our computer icon image, in connection with a sequence of text posts associated with different sources.

The outermost broken line around the perimeter of FIG. 1 illustrates the portion of the display panel and forms no part of the claimed design. The icon examples shown in the remaining figures are shown separate from the display panel outline for clarity of illustration. The remaining broken lines illustrate portions of the computer icon which form no part of the claimed design.

1 Claim, 2 Drawing Sheets
