DESCRIPTION

The sole FIGURE is a front palm view of a first left-hand embodiment of the glove, showing our new design. A second (unshown) embodiment of the glove is a back side view of a left-hand glove, which appears the same as that of the sole figure, except for being a mirror image thereof. A third (unshown) embodiment of the glove is of a front, palm view of a right-hand glove, which appears the same as that of the sole figure, except for being a mirror image thereof. A fourth (unshown) embodiment of the glove is a back side view of a right-hand glove, which is identical to the sole figure. The broken line portion of the figure drawing is included to show unclaimed subject matter only.
