(57) **CLAIM**

The ornamental design for a toothpaste product package with surface indicia, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a color drawing of a perspective view of a toothpaste product package with surface indicia showing our new design.

FIG. 2 is a color drawing of a front view of a toothpaste product package with surface indicia showing our new design.

FIG. 3 is a color drawing of a top view of a toothpaste product package with surface indicia showing our new design.

FIG. 4 is a color drawing of a rear view of a toothpaste product package with surface indicia showing our new design.

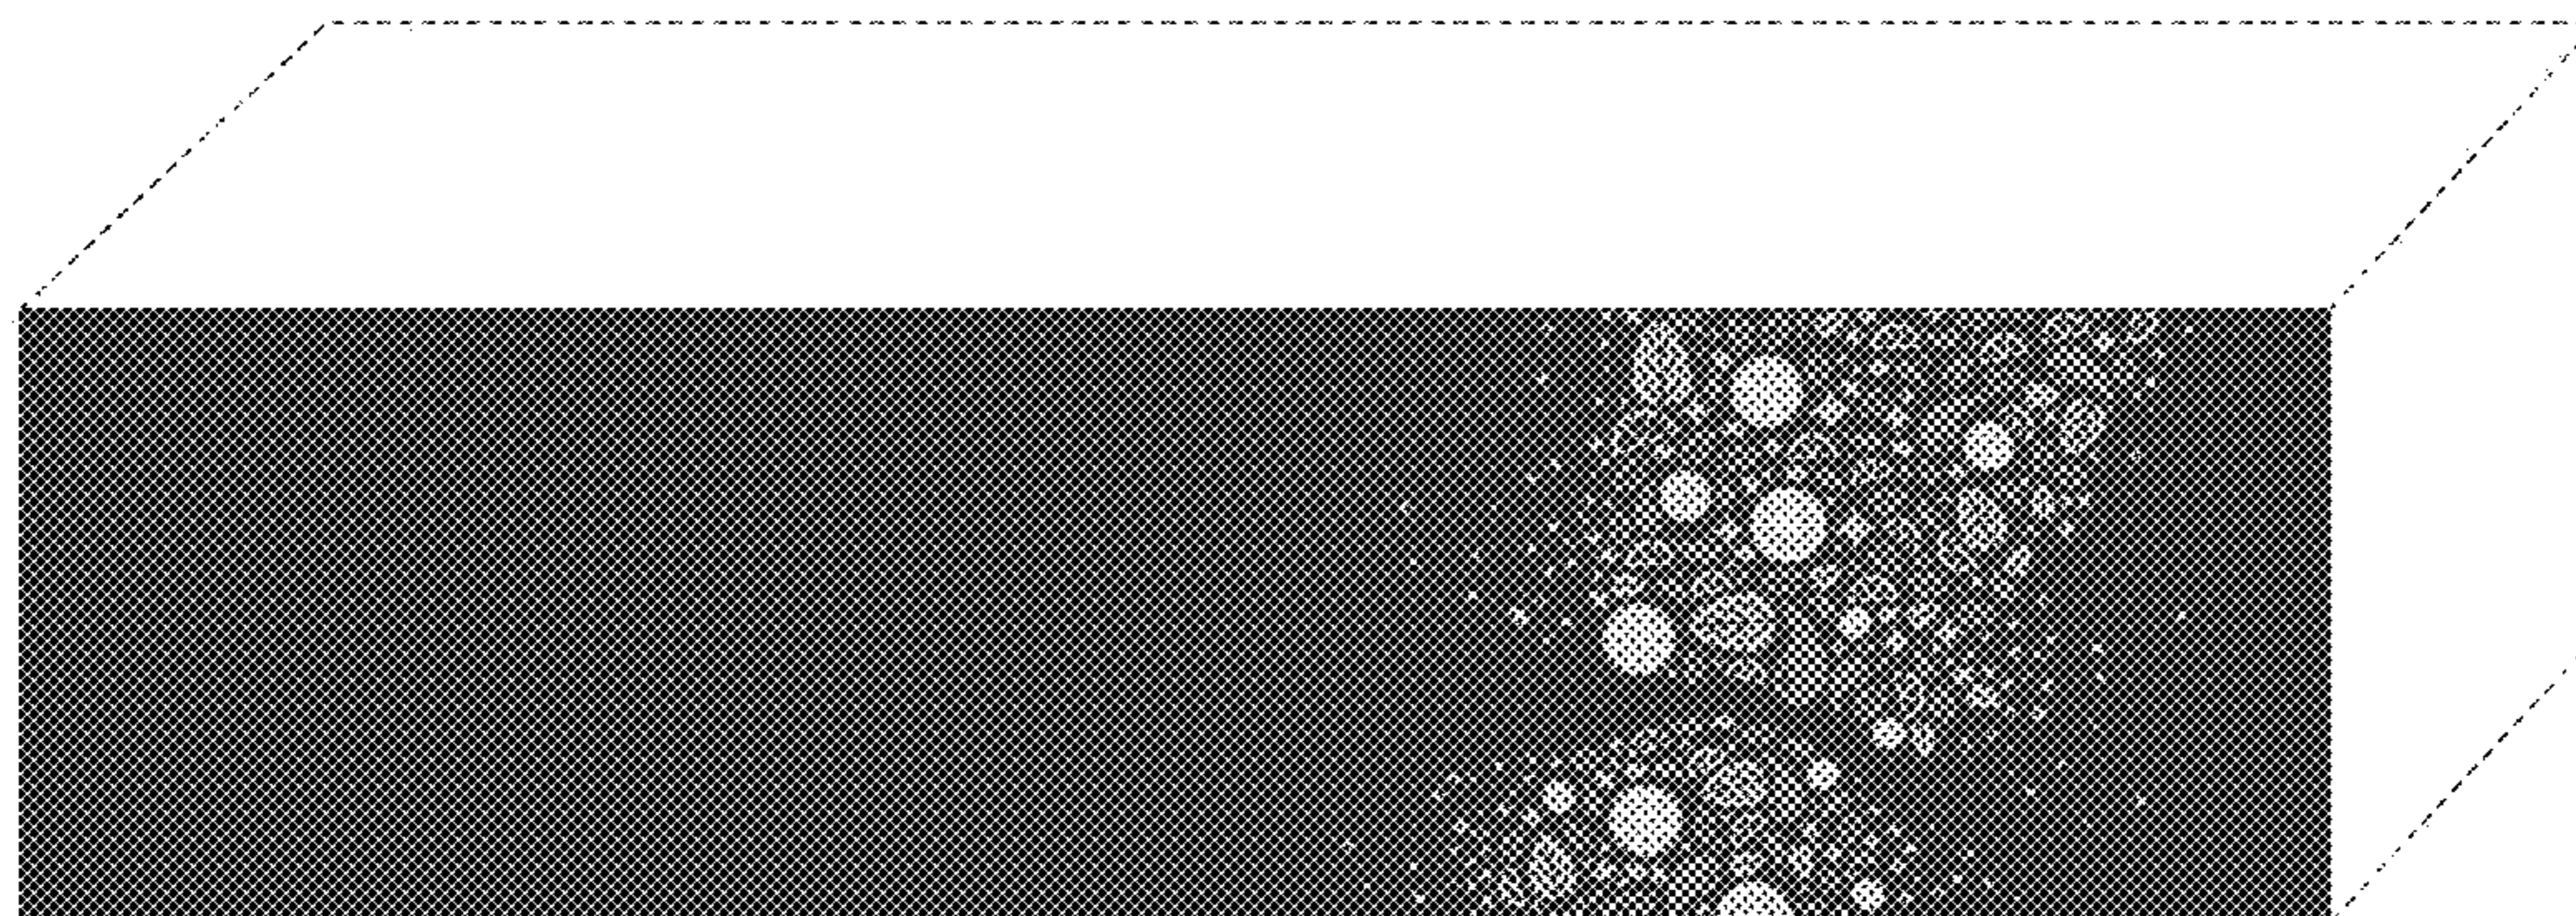

FIG. 5 is a color drawing of a bottom view of a toothpaste product package with surface indicia showing our new design.

FIG. 6 is a color drawing of a right side view of a toothpaste product package with surface indicia showing our new design; and,

FIG. 7 is a color drawing of a left side view of a toothpaste product package with surface indicia showing our new design.

The broken lines shown in the drawings depict portions of the toothpaste product package that form no part of the claimed design.
