(57) **CLAIM**

The ornamental design of a pattern within a portion of a front surface of a jersey, as shown and described.

DESCRIPTION

This application claims priority to European Community Design Registration No. 002155119-0010, filed with the Office for Harmonization in the Internal Market on Dec. 18, 2012, the entire contents of which is incorporated herein by reference.

FIG. 1 is a front elevation view of a pattern within a portion of a front surface of a jersey; and,

FIG. 2 is a rear elevation view of the jersey of FIG. 1.

The shading used in the drawings represents a contrast in appearance.

The broken lines immediately adjacent to the shaded areas represent the bounds of the claimed design and form no part of the claimed design. The broken lines with more closely spaced and smaller dashes located near the lower ends of the sleeves and the lower edge of the jersey as well as the remaining broken lines illustrate environmental subject matter and form no part of the claimed design.
