(57) **CLAIM**

The ornamental design for an electrosurgical monitoring device, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of the electrosurgical monitoring device.

FIG. 2 is a back perspective view of the electrosurgical monitoring device.

FIG. 3 is a front view of the electrosurgical monitoring device.

FIG. 4 is a back view of the electrosurgical monitoring device.

FIG. 5 is a left side view of the electrosurgical monitoring device.

FIG. 6 is a right side view of the electrosurgical monitoring device.

FIG. 7 is a top view of the electrosurgical monitoring device; and,

FIG. 8 is a bottom view of the electrosurgical monitoring device.

In the drawings, the broken lines are for the purpose of illustrating environment only and form no part of the claimed design.
