(57) **CLAIM**

The ornamental design for a television receiver with a graphical user interface, as shown and described.

**DESCRIPTION**

The FIGURE is a front view of a television receiver with a graphical user interface showing our new design. The dot-dot broken lines showing the display screen are included for the purpose of illustrating environmental structure and form no part of the claimed design. The dash-dot broken lines define the bounds of the claimed design and form no part thereof.
