(57) **CLAIM**

I claim the ornamental design for a toy gun, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the toy gun according to the present invention.

FIG. 2 is a side elevational view of the toy gun according to the present invention.

FIG. 3 is an alternate side elevational view of the toy gun according to the present invention.

FIG. 4 is a top plan view of the toy gun according to the present invention.

FIG. 5 is a bottom plan view of the toy gun according to the present invention.

FIG. 6 is a rear view of the toy gun according to the present invention; and,

FIG. 7 is a top view of the toy gun according to the present invention.
