(57) **CLAIM**

The ornamental design for a massage device, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of a massage device, shown with attached stretch device, attached rubber foot sleeve and a user's foot with partial leg, showing our new design; FIG. 2 is a front perspective view thereof, shown in context with attachable stretch device; FIG. 3 is a front elevation view thereof, the opposite side being a mirror image thereof; FIG. 4 is a top plan view thereof; and, FIG. 5 is a bottom plan view thereof. The broken lines showing the user's foot with partial leg, stretch device and rubber foot sleeve are for the purpose of illustrating environmental structure and form no part of the claimed design.
