(57) **CLAIM**

The ornamental design for a display screen or portion thereof with generated image, as shown and described.

**DESCRIPTION**

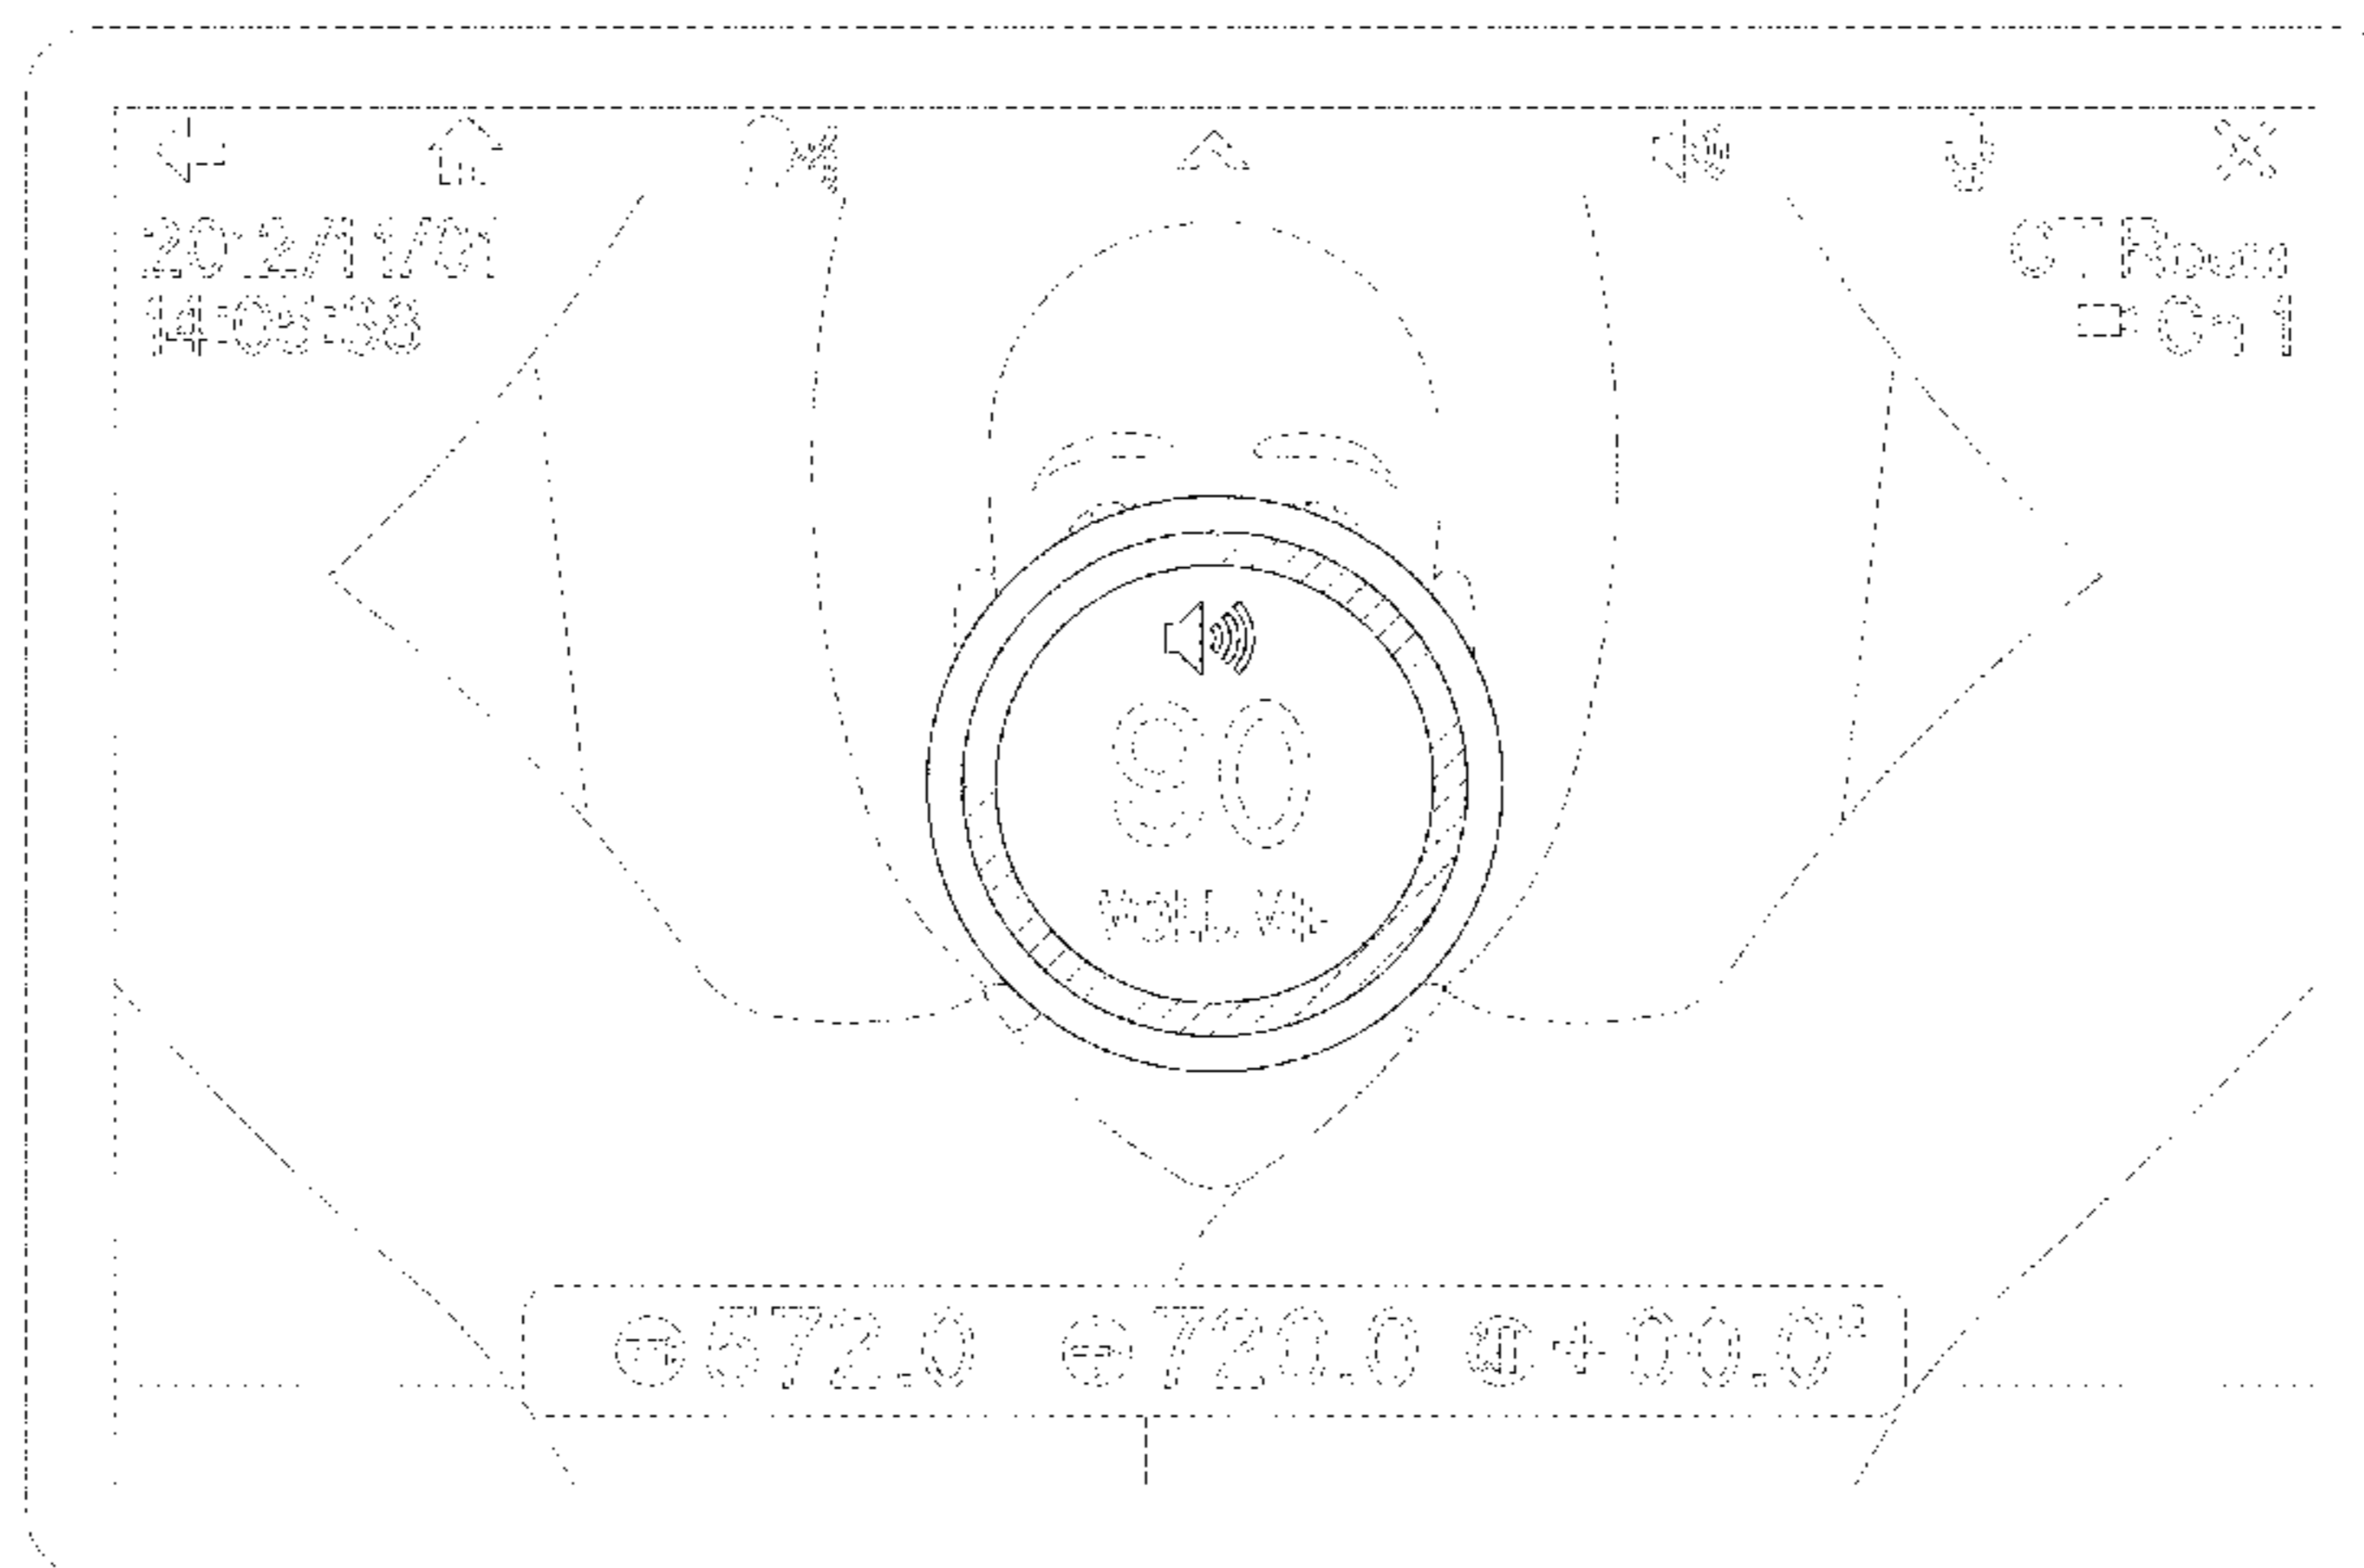

FIG. 1 is a front view of a display screen or portion thereof with generated image, showing our new design, in which a mobile terminal and images in broken lines are provided to illustrate an example environment; and, FIG. 2 is a front view of the display screen or portion thereof with generated image of FIG. 1, in which a mobile terminal and images in broken lines are provided to illustrate another example environment.

The size, scale and position of the generated image in FIGS. 1 and 2 are for illustrative purposes only and form no part of the claimed design.

The broken lines are for illustrative purposes only and form no part of the claimed design.

The inventors contemplate that other embodiments of their design may include any part, portion, element, or combination of elements of the claimed design.
