(57) **CLAIM**

The ornamental design for “adjustable walking aid,” as shown and described.

DESCRIPTION

FIG. 1 is a top view of the adjustable walking aid.
 FIG. 2 is a bottom view of the adjustable walking aid.
 FIG. 3 is a back view of the adjustable walking aid.
 FIG. 4 is a front view of the adjustable walking aid.
 FIG. 5 is a right side view of the adjustable walking aid, the left side view being a mirror image of the right side.
 FIG. 6 is a back view of the adjustable walking aid with lower section fully retracted; and,
 FIG. 7 is a view of an alternate embodiment of the adjustable walking aid wherein the outer sheath comprises a helical wrap.
 The broken lines are shown for the purpose of illustrating portions of the article, and form no part of the claimed design.
