(57) **CLAIM**

The ornamental design for a protection device against accidental contact for an electric busbar, as shown and described.

DESCRIPTION

FIG. 1 is a left side perspective view of the protection device against accidental contact for an electric busbar showing my new design;

FIG. 2 is a top view thereof;

FIG. 3 is a bottom view thereof;

FIG. 4 is a right side view thereof;

FIG. 5 is a left side view thereof;

FIG. 6 is a front view thereof; and,

FIG. 7 is a back view thereof.

The broken line portion of the figure drawings is included to show unclaimed subject matter only and forms no part of the claimed design.

1 Claim, 6 Drawing Sheets
