(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

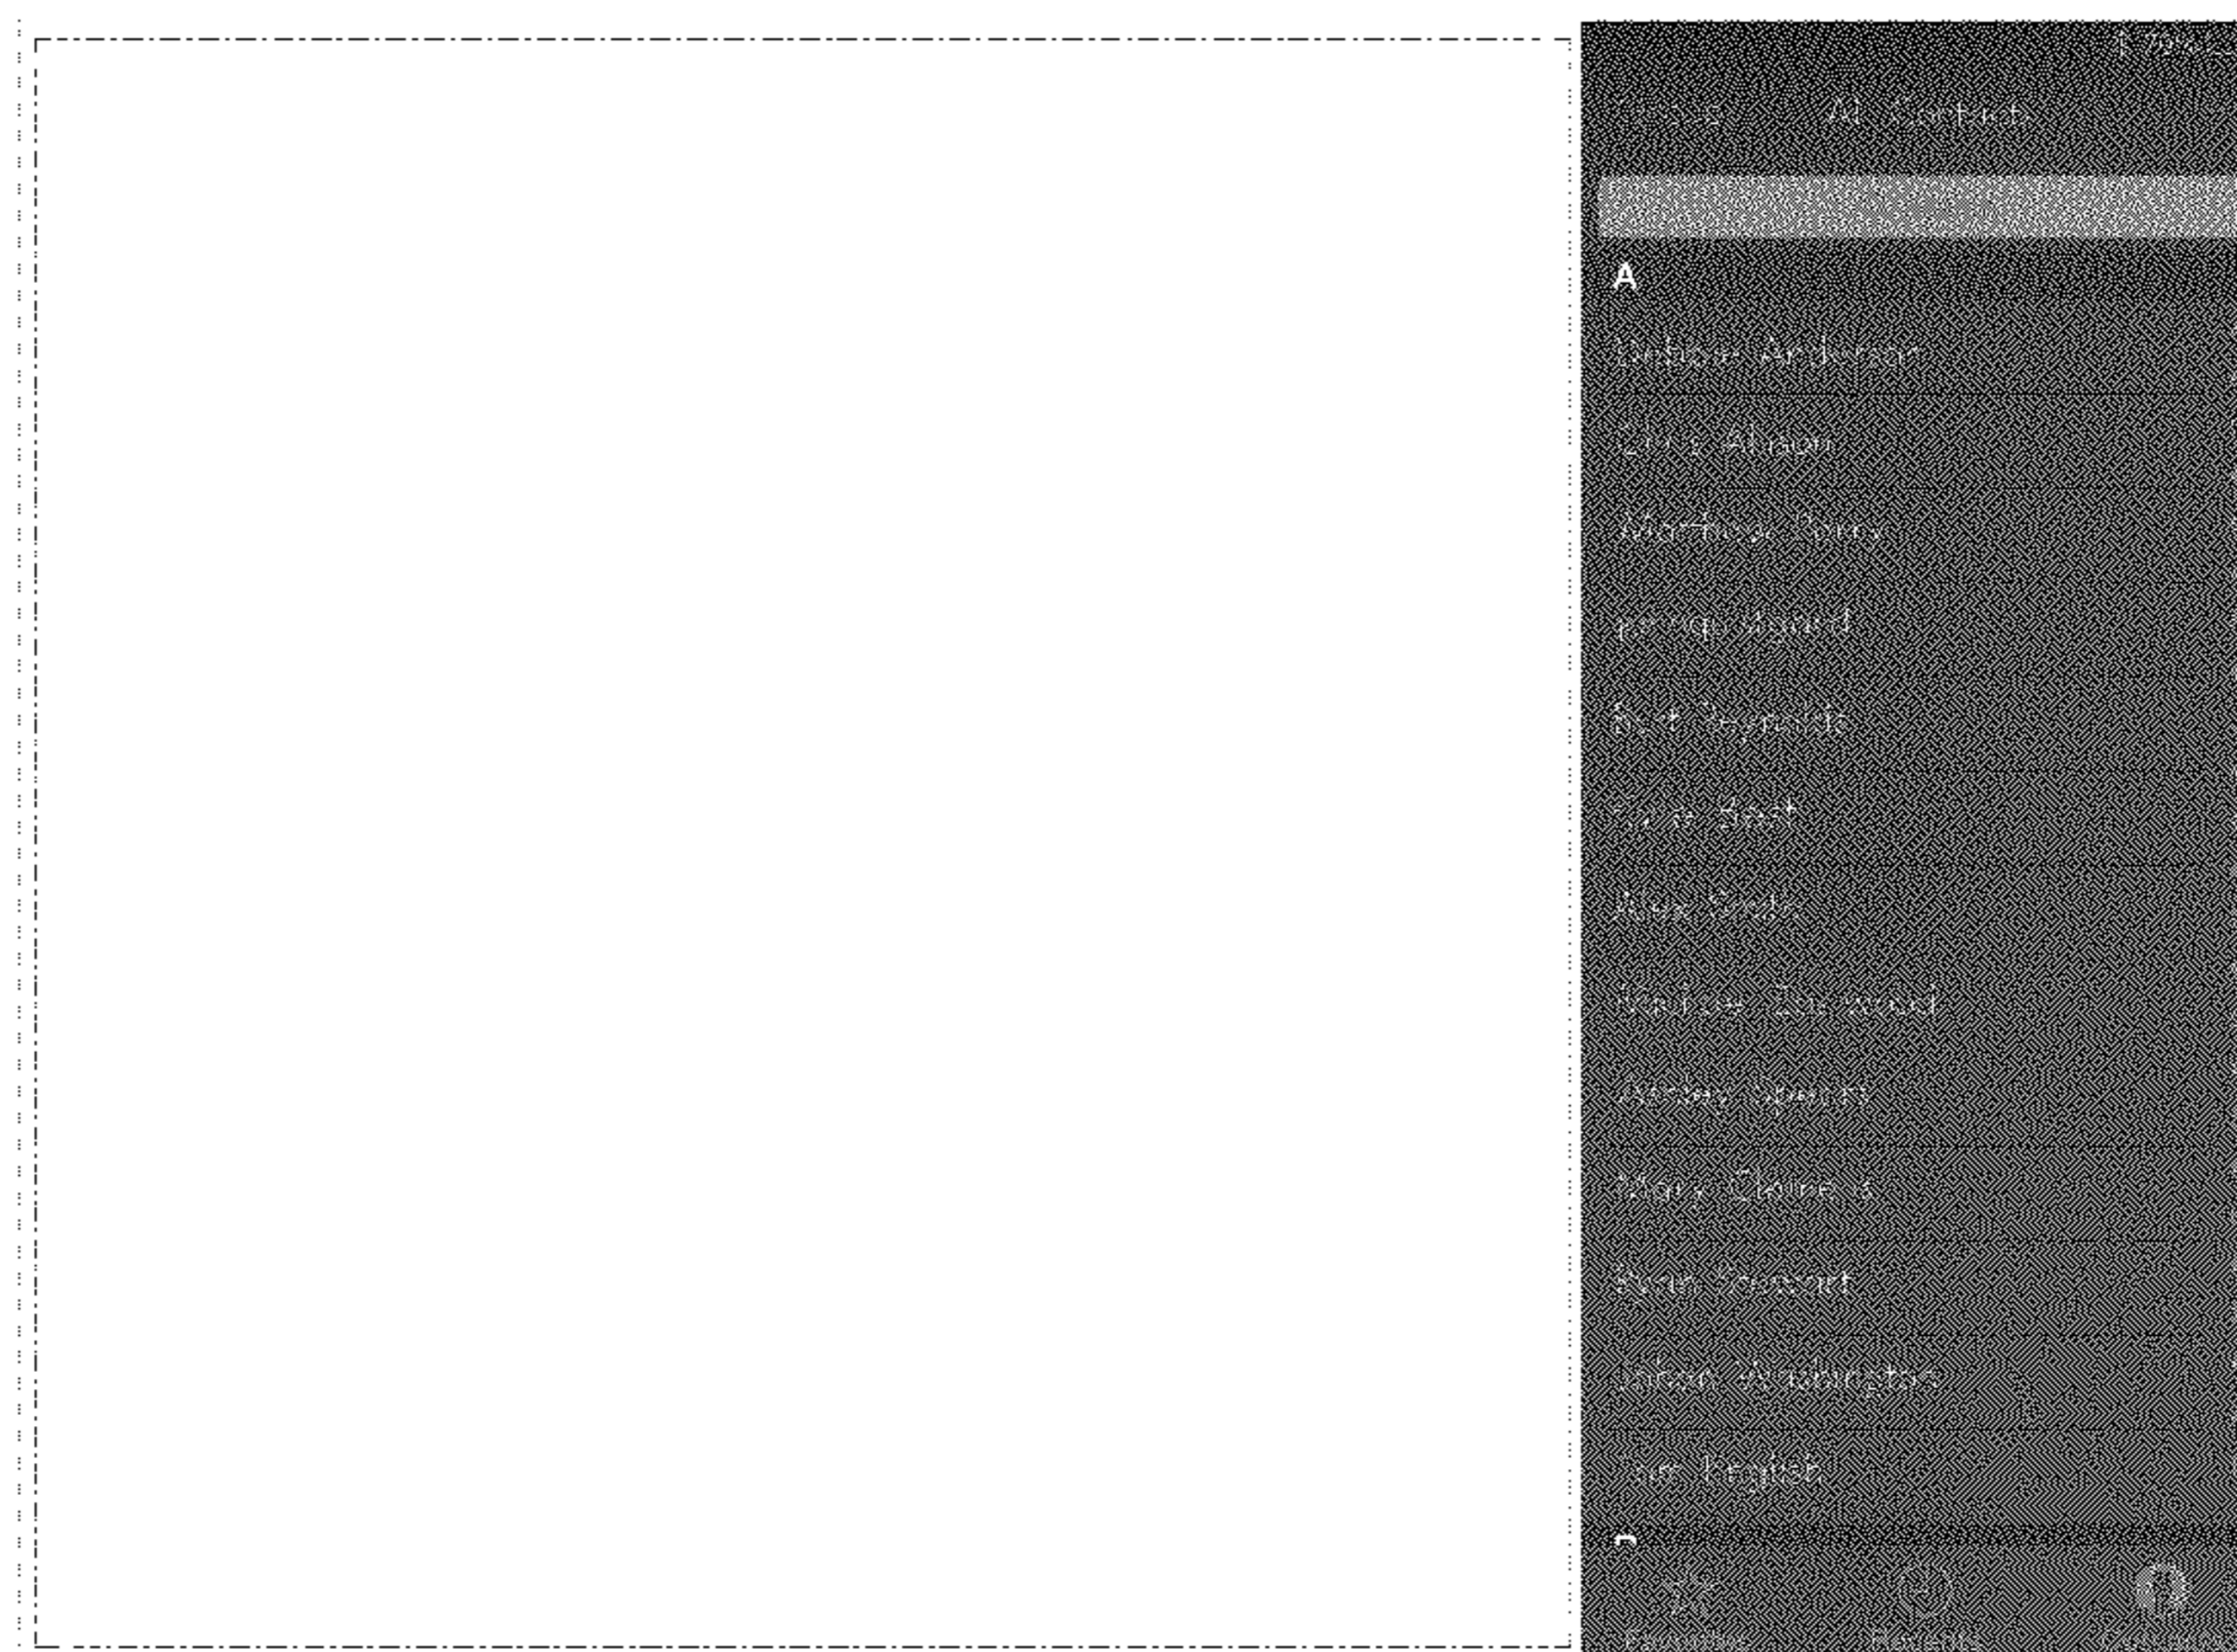

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a front view of a display screen or portion thereof with graphical user interface showing our new design; and, FIG. 2 is another embodiment thereof.

The dashed broken lines around the figures show a display screen or portion thereof, and form no part of the claimed design. The dashed broken lines in the figures show portions of the graphical user interface that form no part of the claimed design. The dot-dash broken lines in the figures and the areas within the dot-dash lines show portions of the graphical user interface that form no part of the claimed design.
