(57) **CLAIM**

The ornamental design for a camera mount for headrest, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of the camera mount for headrest showing my new design. The broken lines show a camera which can be mounted to the device. The broken lines are added for environmental purposes and are not part of the claimed design;

FIG. 2 is a rear elevational view;

FIG. 3 is the top plan view. The broken lines indicate recesses which are shown for environmental purposes and are not part of the claimed design.

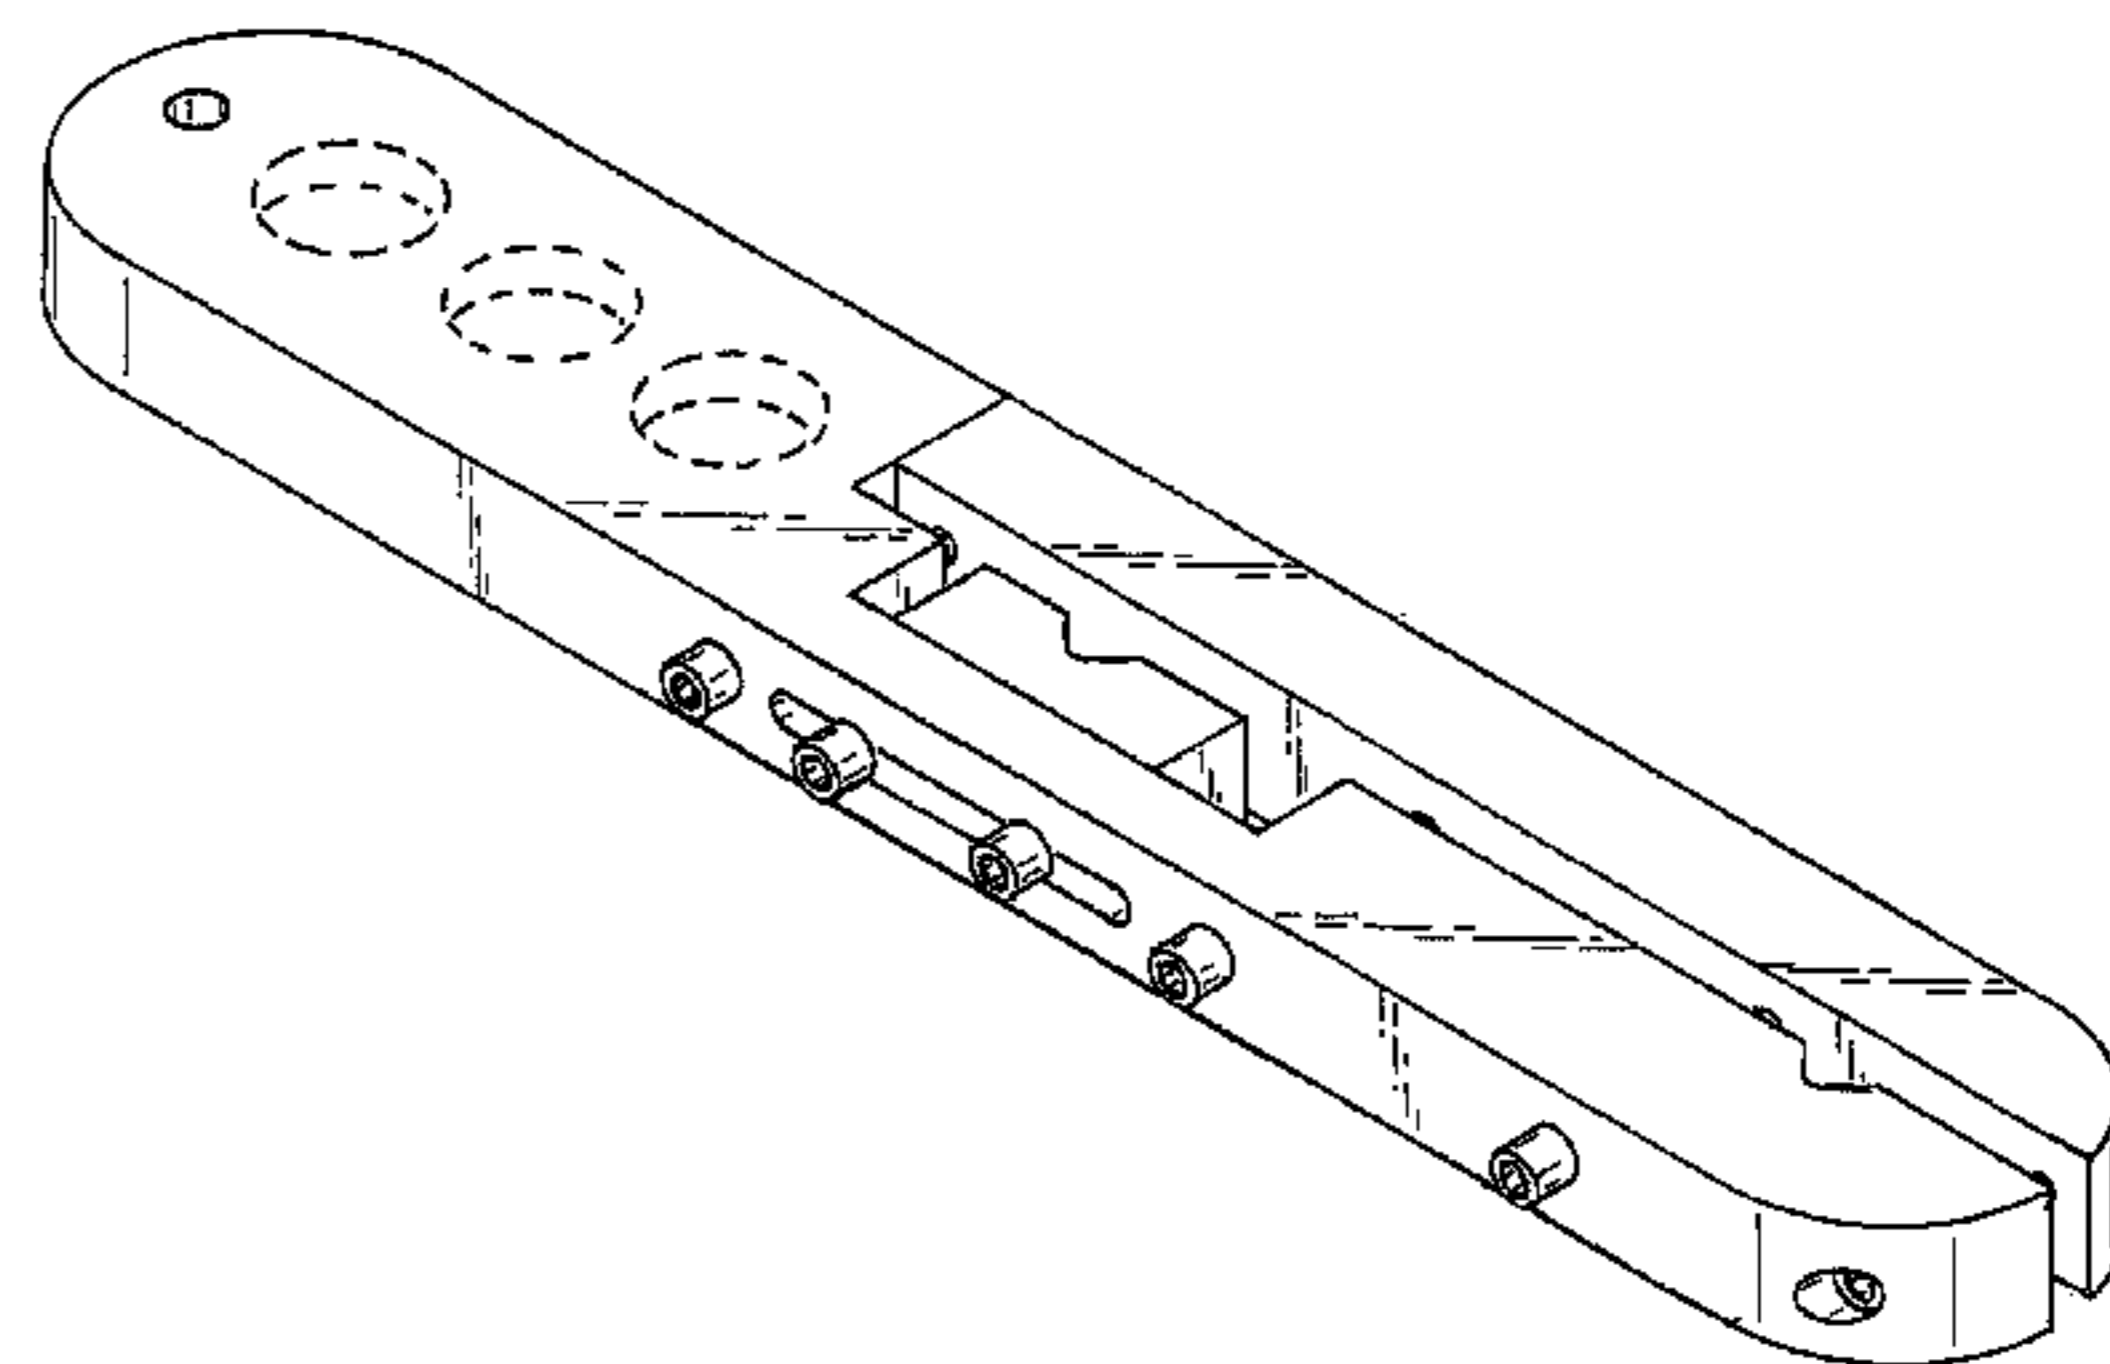

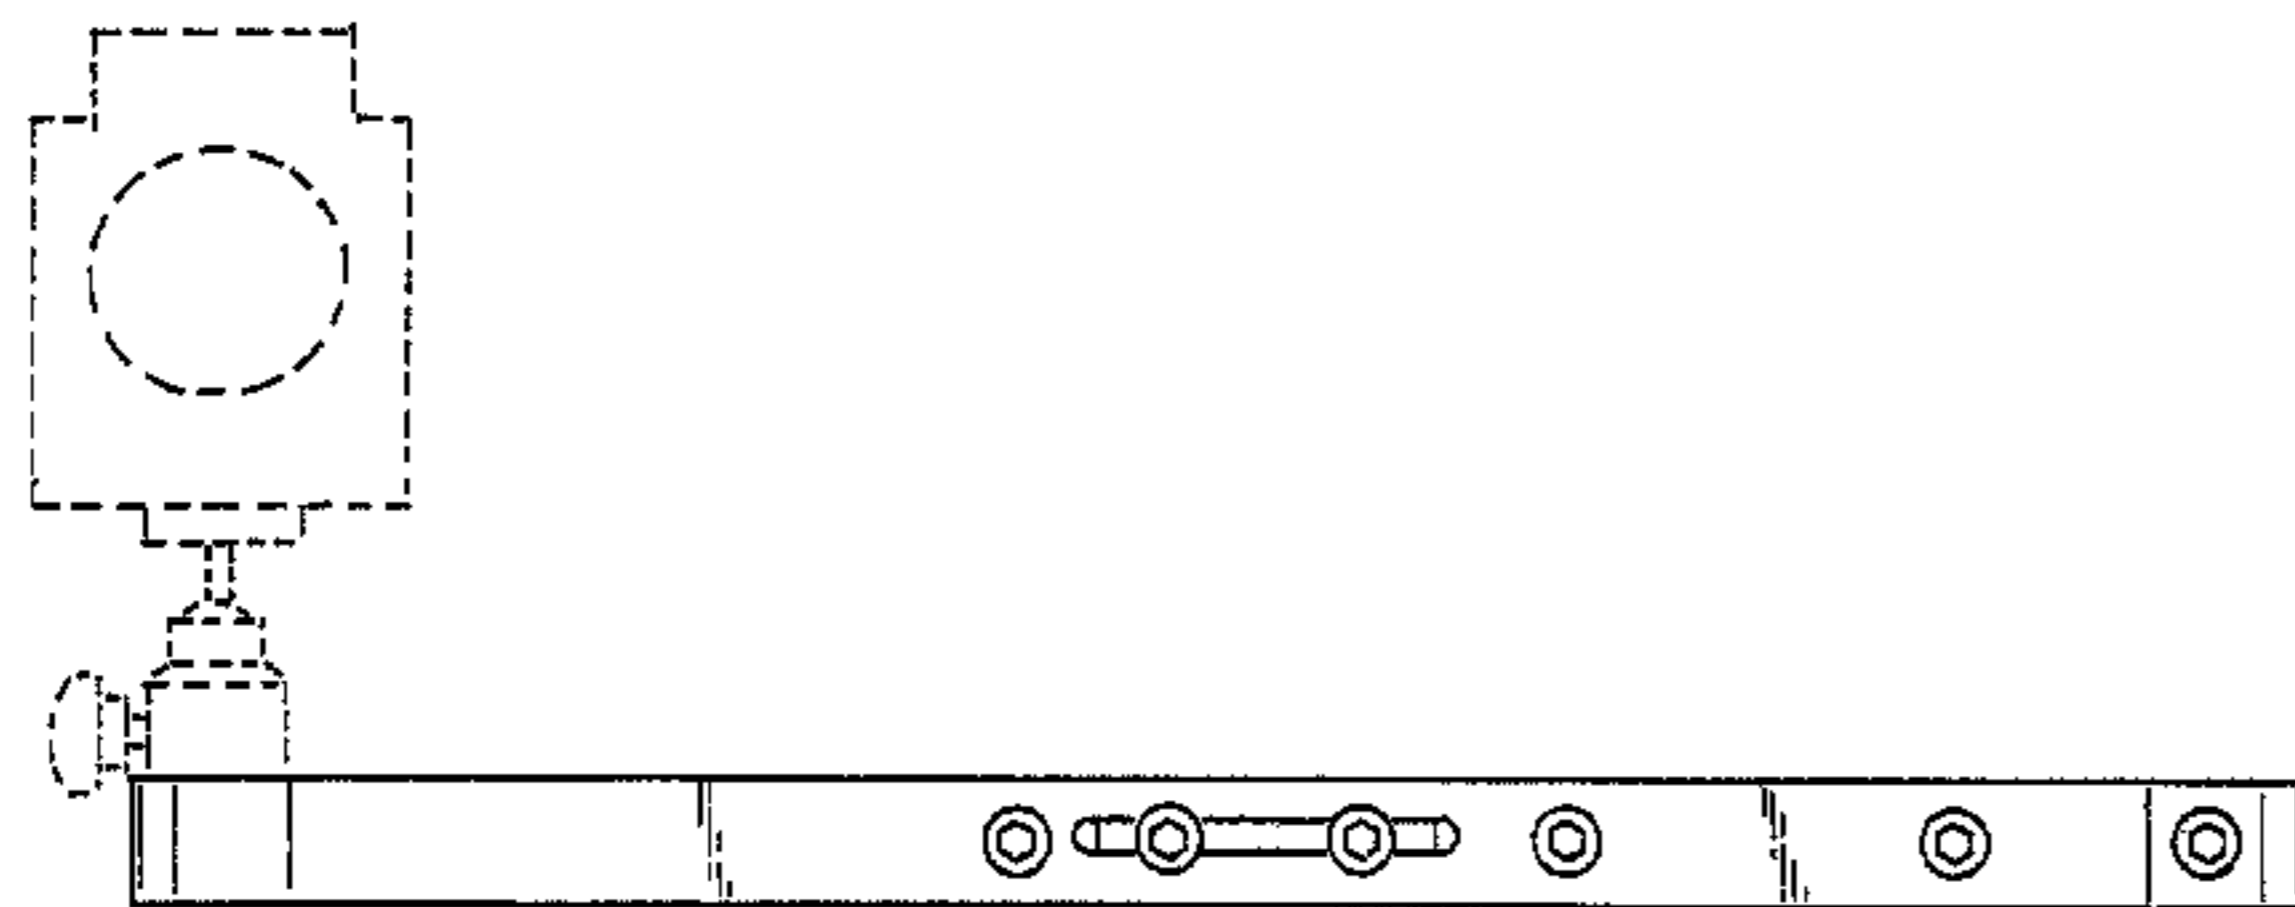

FIG. 4 is the bottom plan view of the camera mount for headrest;

FIG. 5 is a right side elevational view;

FIG. 6 is a left side elevational view; and,

FIG. 7 is a perspective view. The broken lines indicate recesses which are shown for environmental purposes and are not part of the claimed design.
