(57) **CLAIM** The ornamental design for an adhesive tape for cleaning with patterns printed thereon, as shown and described.

DESCRIPTION

FIG. 1 is a surface view of an adhesive tape for cleaning with patterns printed thereon showing our new design, wherein English words and numerals are indicated by broken lines; and,

FIG. 2 is a reference surface view thereof, wherein the broken lines are indicated by solid lines.

The broken lines depict portions of the adhesive tape for cleaning with patterns printed thereon that form no part of claimed design.
