The file of this patent contains at least one drawing/photograph executed in color. Copies of this patent with color drawing(s)/photograph(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a front view of a first embodiment of a display screen or portion thereof with graphical user interface showing our new design; and,

FIG. 2 is a front view of another embodiment of a display screen or portion thereof with graphical user interface showing our new design.

The broken line showing of the display screen is for environmental purposes only and forms no part of the claimed design.
