(57) **CLAIM**

The ornamental appearance of a composite floating light assembly, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a composite floating light assembly showing our new design; FIG. 2 is a front elevational view thereof, the sides adjacent and rear being identical in appearance; FIG. 3 is a top plan view thereof; and, FIG. 4 is a bottom plan view thereof. The broken line disclosure represents portions of the assembly which form no part of the claim design.
