(57) **CLAIM**

The ornamental design for a display screen with graphical user interface for live media content, as shown and described.

See application file for complete search history.

DESCRIPTION

A portion of the disclosure of this patent document contains material which is subject to copyright protection. The copyright owner has no objection to facsimile reproduction by anyone of the patent document or the patent disclosure, as it appears in the Patent and Trademark Office patent file or records, but otherwise reserves all other copyright rights whatsoever. The following notice applies to the drawing that forms a part of this document: © 2012 Fanhattan LLC. All rights reserved.

The sole FIGURE is a face view of a display screen with graphical user interface for live media content.

Subject matter shown in broken lines form no part of the claimed design.
