(57) **CLAIM**

The ornamental design for a flaking machine, as shown and described.

DESCRIPTION

The patent application filed contains at least one drawing. Any indicia shown in broken lines in the drawings form no part of the design to be patented.

FIG. 1 is a front plan view the flaking machine showing its ornamental design.

FIG. 2 is a rear plan view of the flaking machine showing its ornamental design.

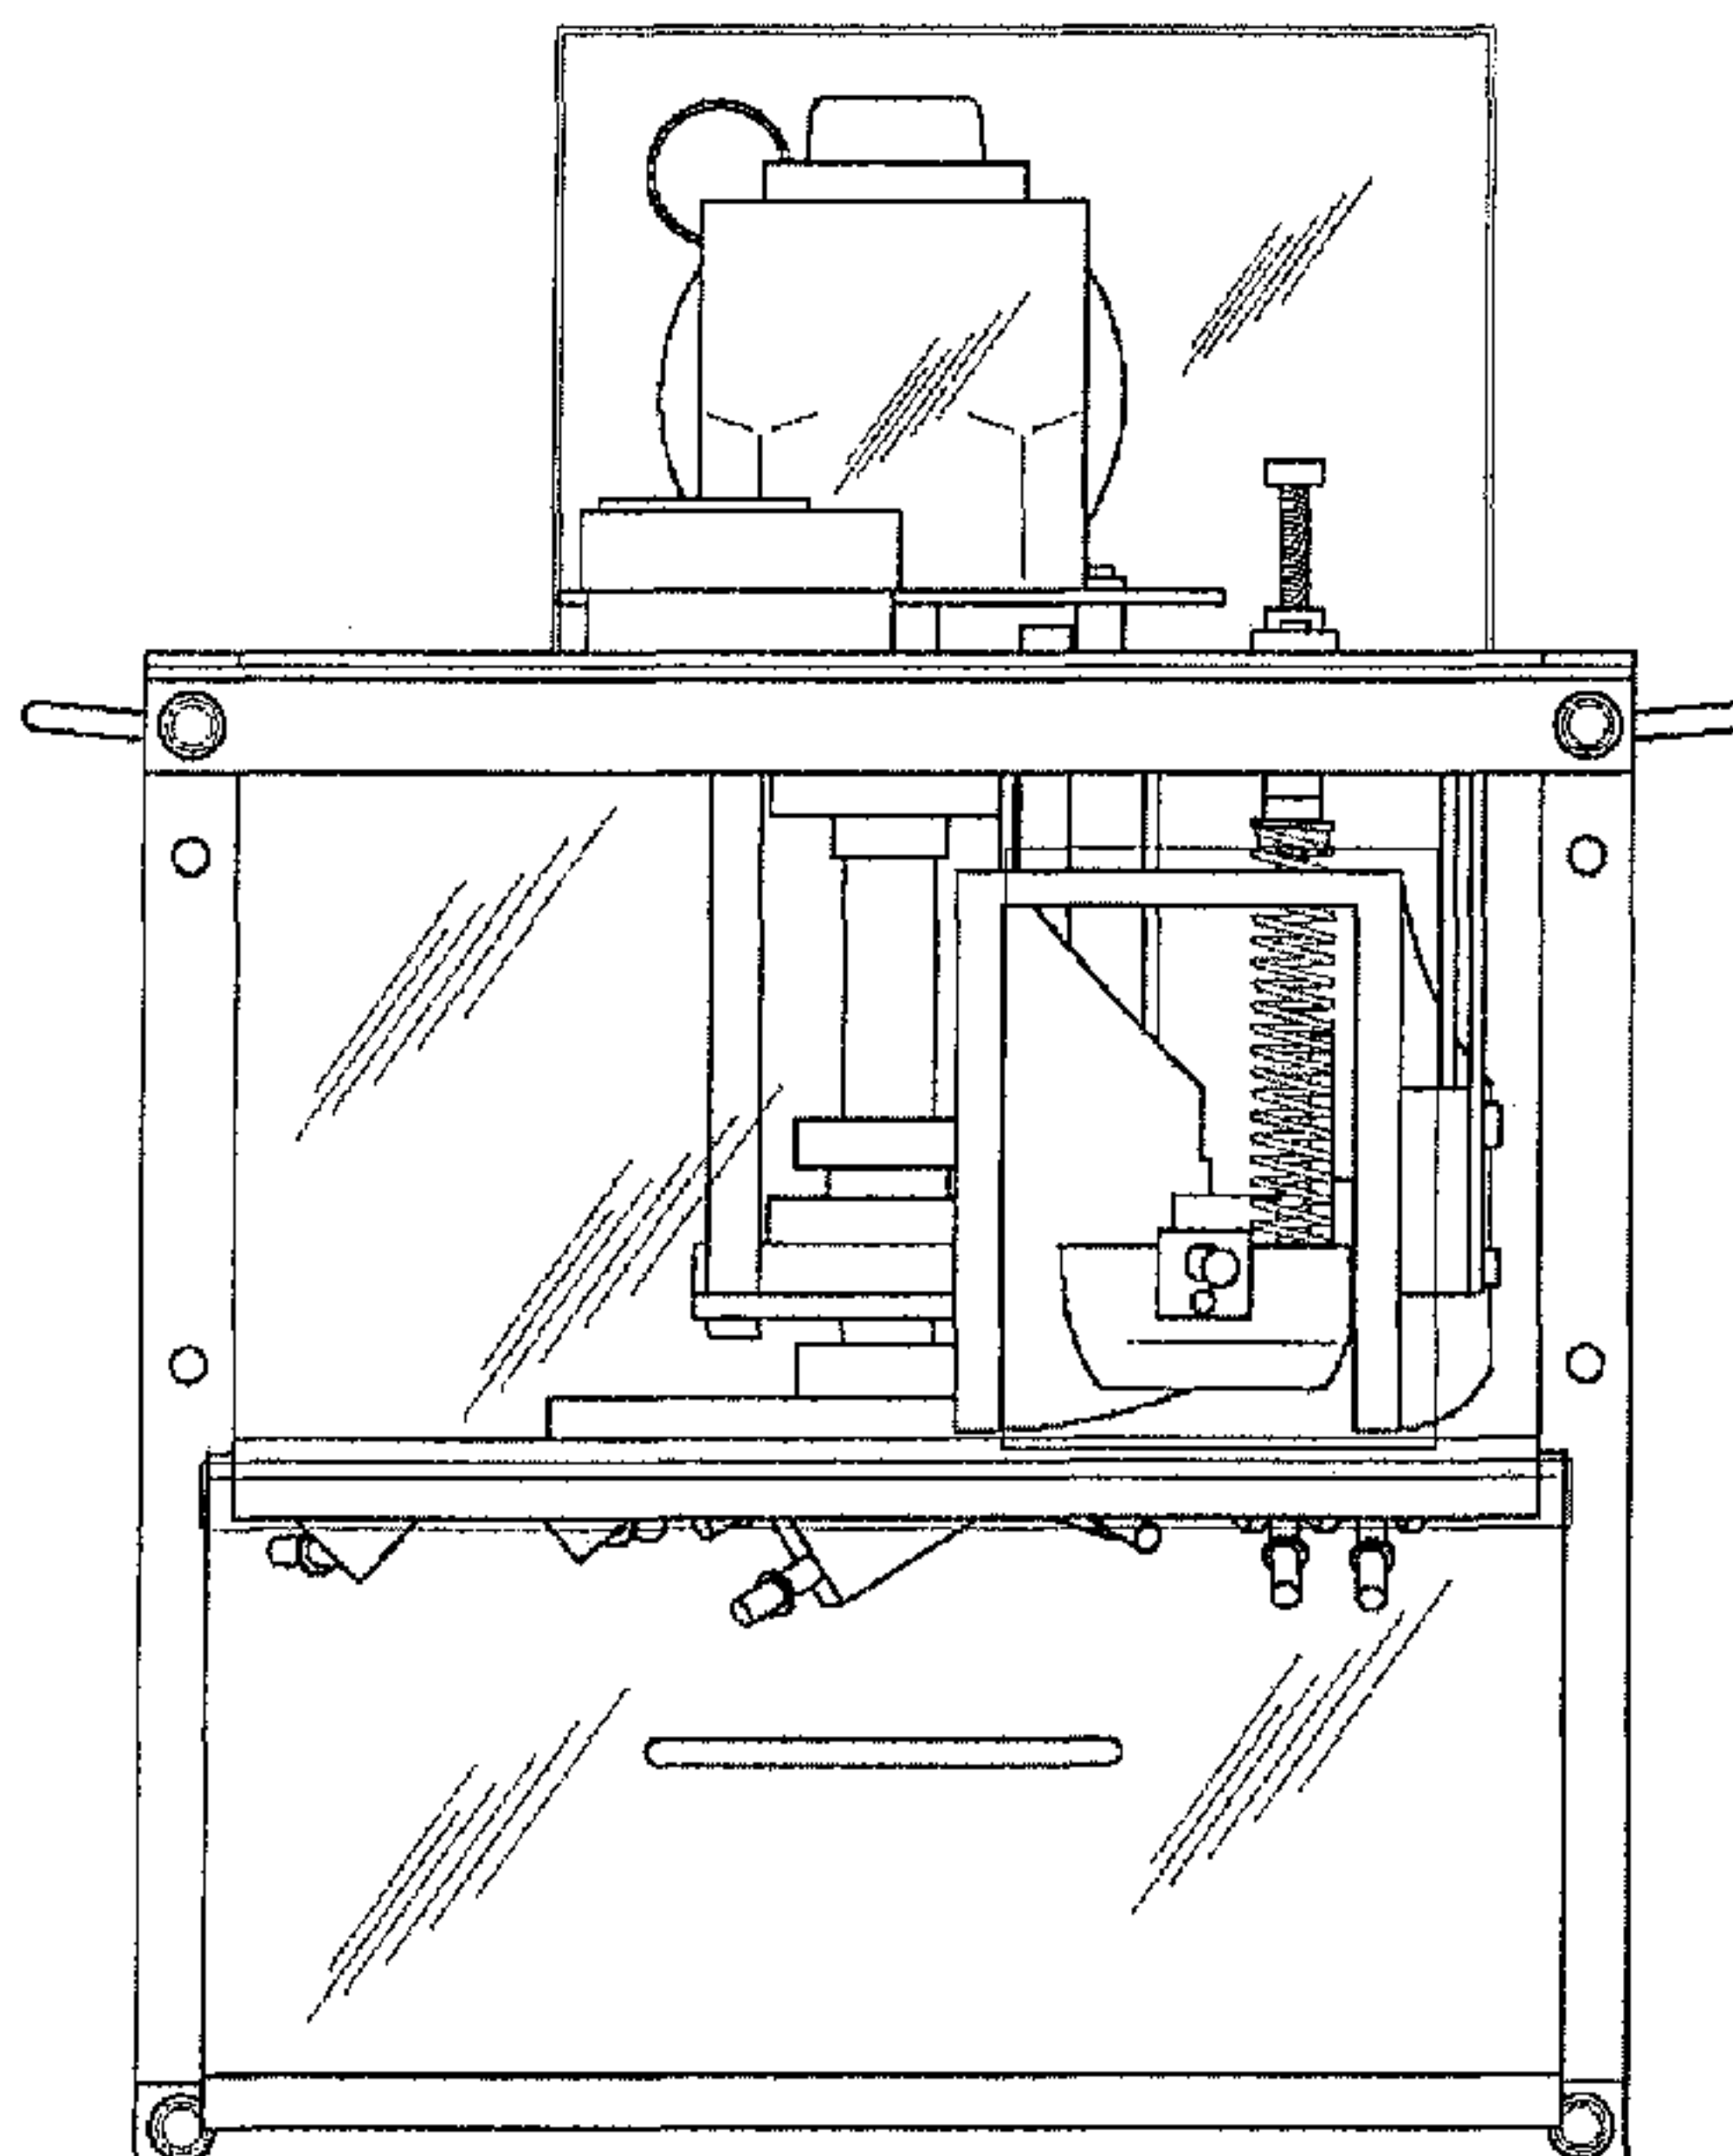

FIG. 3 is a right plan view of the flaking machine showing its ornamental design.

FIG. 4. is a left plan view of the flaking machine showing its ornamental design.

FIG. 5 is a top plan view of the flaking machine showing its ornamental design; and,

FIG. 6. is a bottom plan view of the flaking machine showing its ornamental design.
