(57) **CLAIM**

I claim the ornamental design for a stirring blade, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of the stirring blade of the present invention;

FIG. 2 is a rear perspective view of the stirring blade of the present invention;

FIG. 3 is a front elevation view of the stirring blade of the present invention;

FIG. 4 is a rear elevation view of the stirring blade of the present invention;

FIG. 5 is a right-side elevation view of the stirring blade of the present invention;

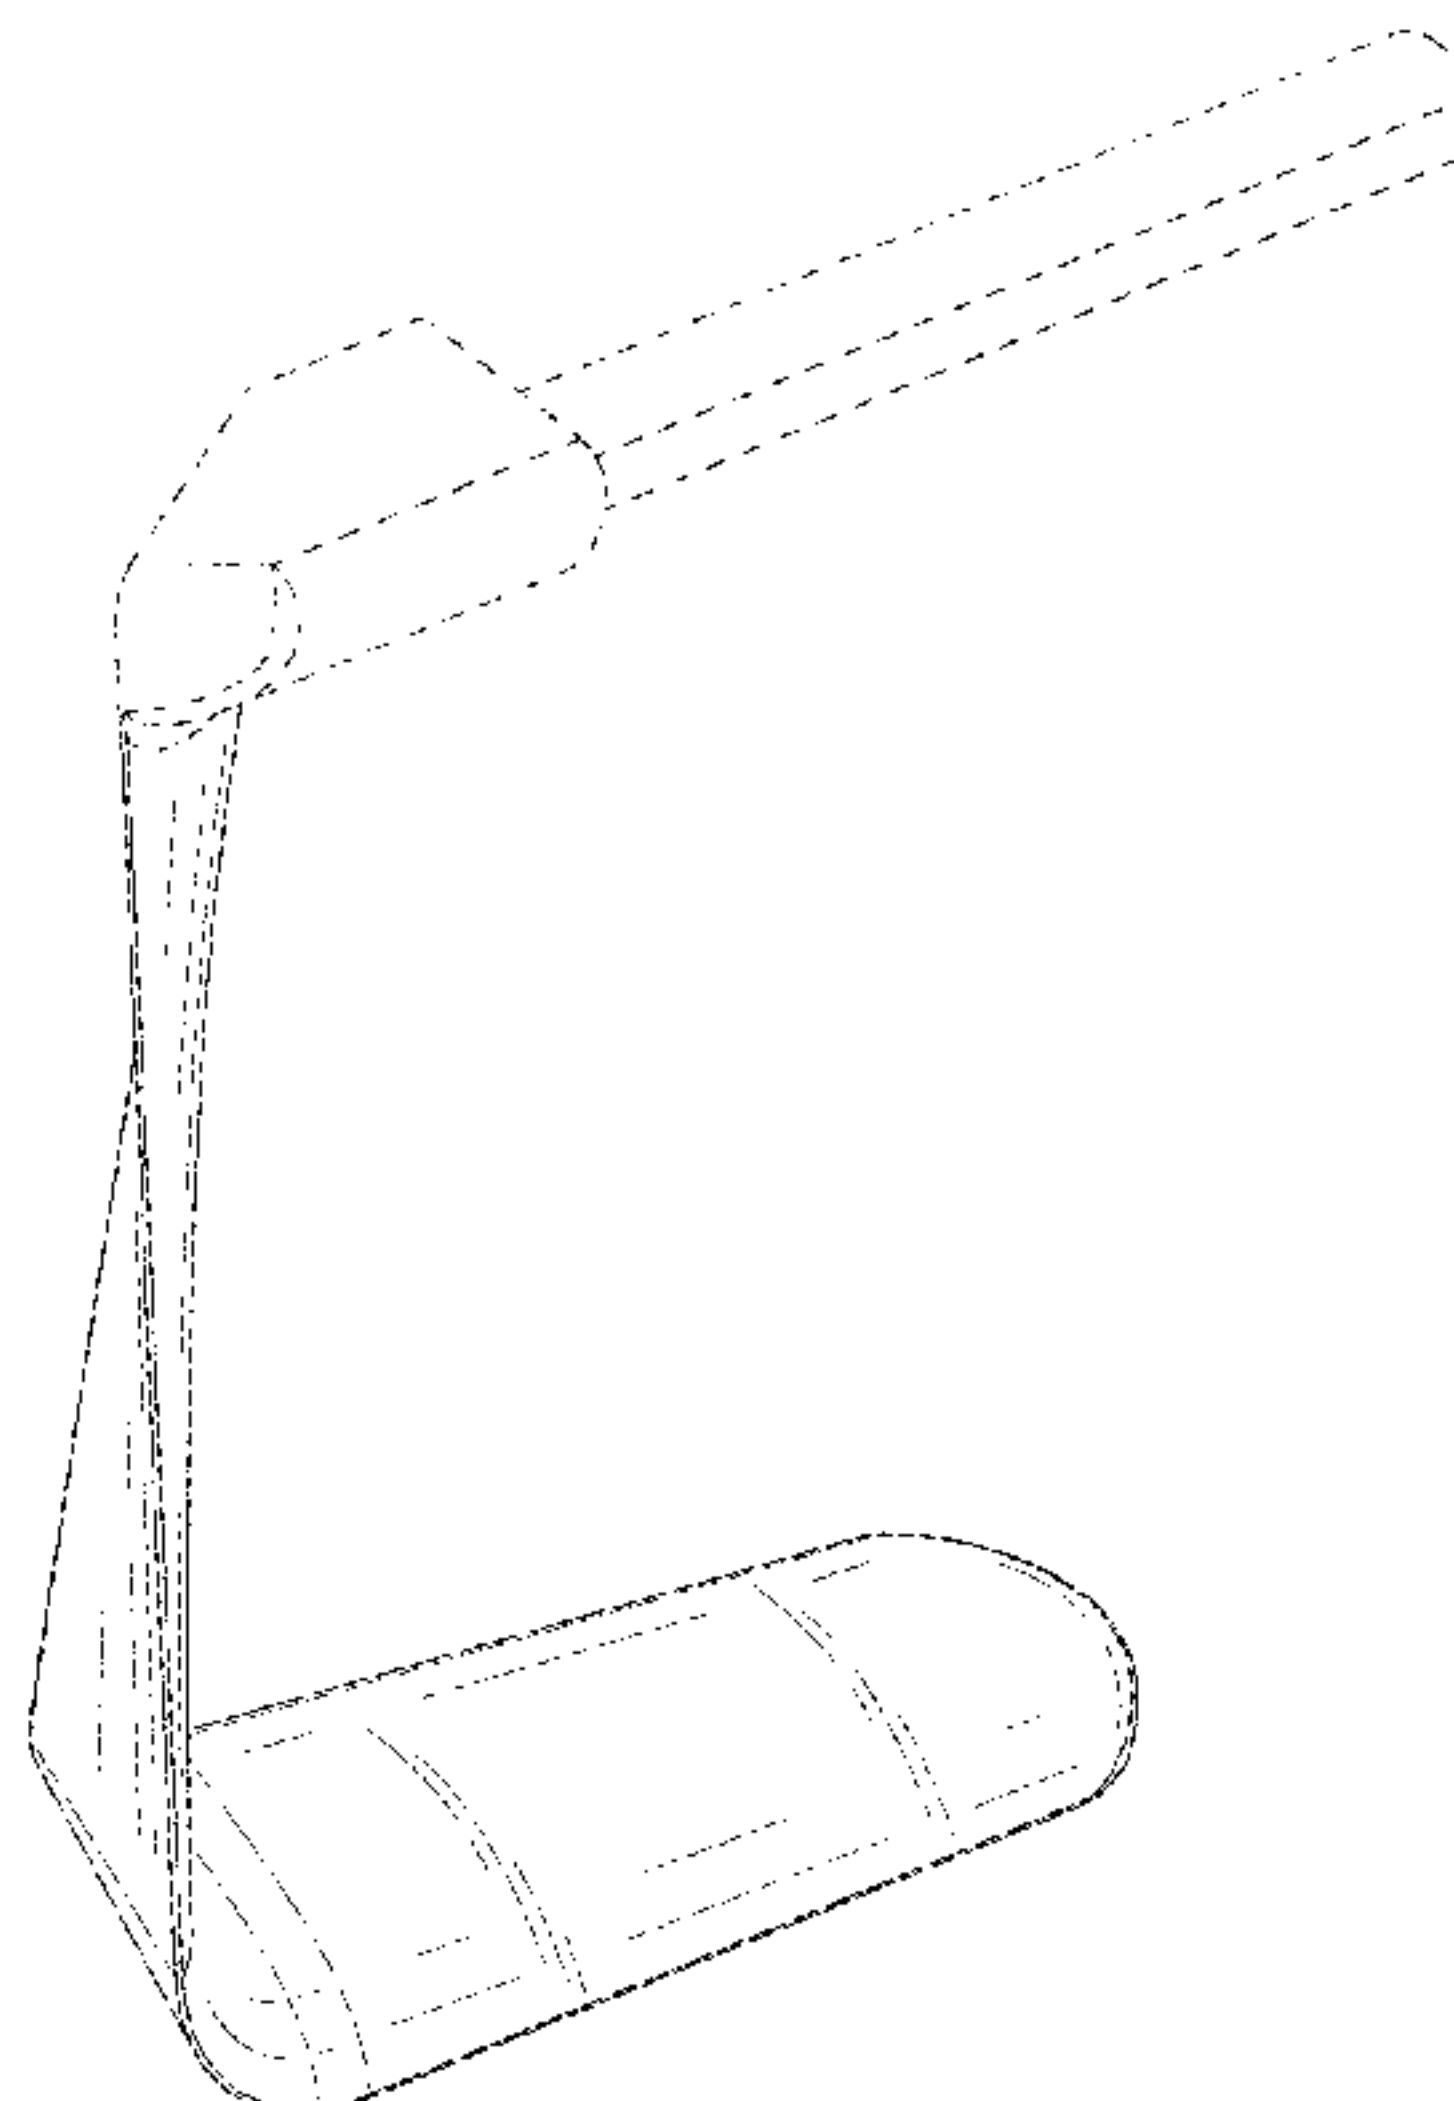

FIG. 6 is a left-side elevation view of the stirring blade of the present invention;

FIG. 7 is a top plan view of the stirring blade of the present invention; and,

FIG. 8 is a bottom plan view of the stirring blade of the present invention.

The broken lines in the figures are for contextual purposes or show the environment and form no part of the claimed design.

1 Claim, 6 Drawing Sheets
