(57) **CLAIM**

The ornamental design for an container with offset handle, as shown and described herein.

DESCRIPTION

The invention described and claimed herein may be manufactured, used, and licensed by or for the U.S. Government for U.S. Government purposes.

FIG. 1 is a perspective view of an container with offset handle showing my new design;

FIG. 2 is a front elevation view thereof, the rear elevation view being a mirror image;

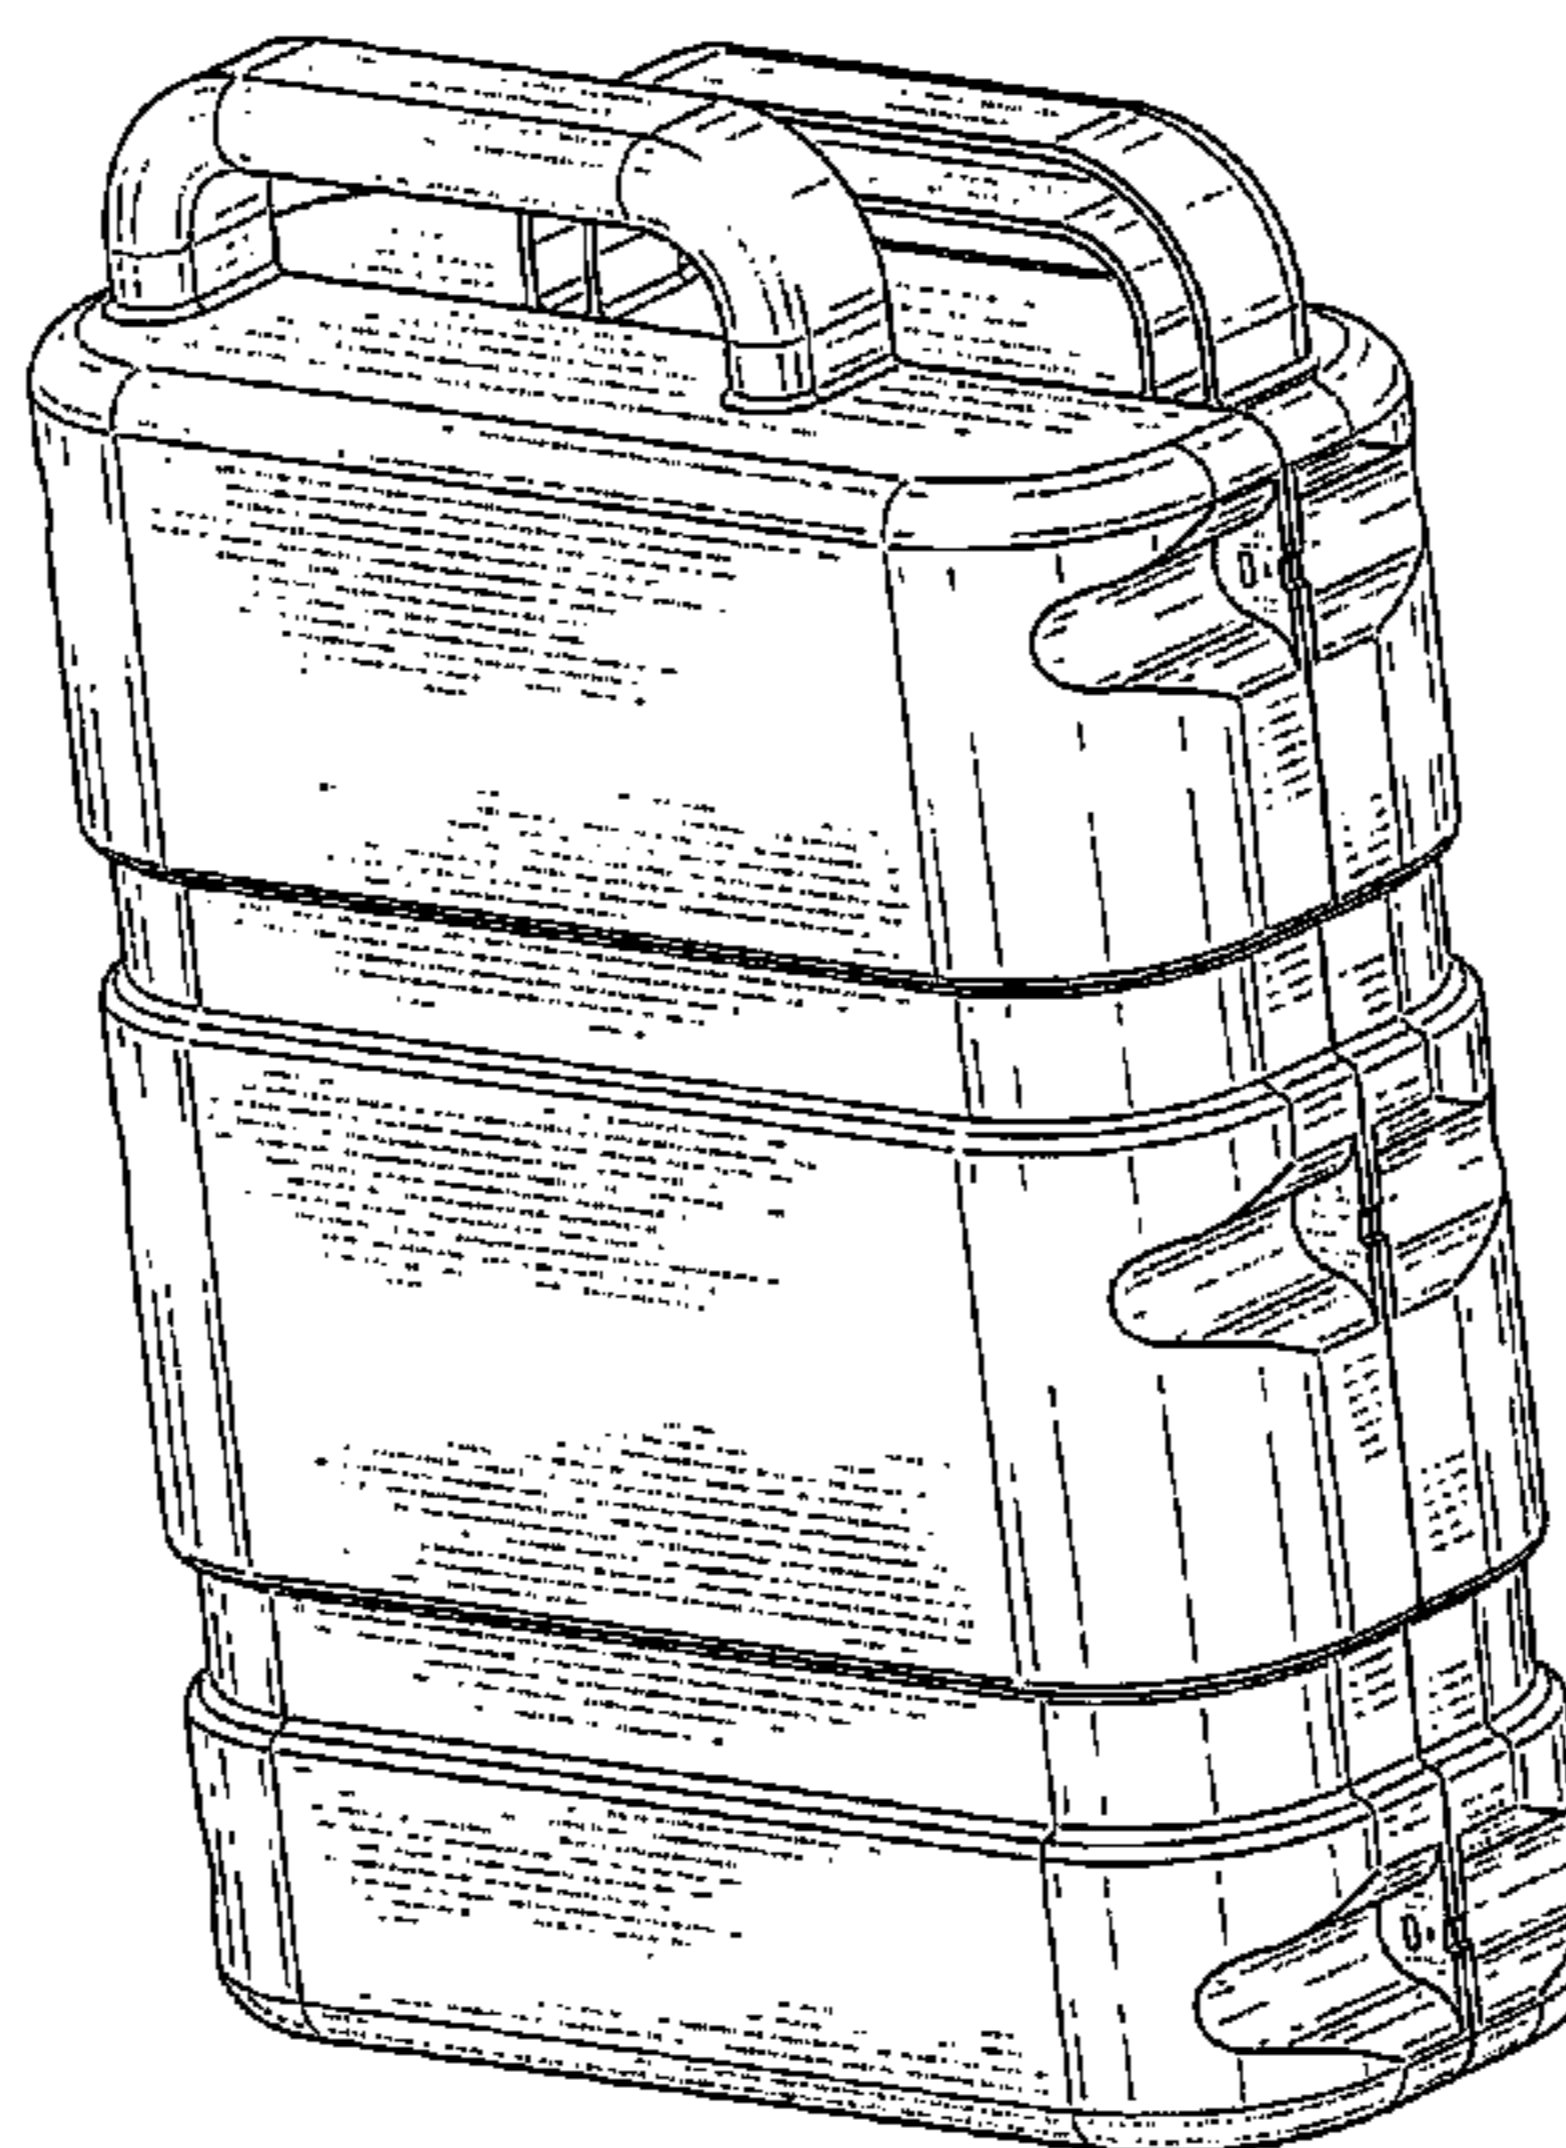

FIG. 3 is a right side elevation view thereof, the left side elevation view being a mirror image;

FIG. 4 is a top view thereof; and,

FIG. 5 is a bottom view thereof.

The broken lines shown in the drawing illustrate portions of the container with offset handle and form no part of the claimed design.
