(57) **CLAIM**

The ornamental design for removable handle for a tool pouch, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view (as seen from the front view) of the removable handle for a tool pouch.

FIG. 2 is a front view thereof.

FIG. 3 is a back view thereof.

FIG. 4 is a left side view thereof.

FIG. 5 is a ride side view thereof.

FIG. 6 is a bottom view thereof; and,

FIG. 7 is a top view thereof.

The small broken or dashed lines are used in the drawings to show the environment related to the claimed design and form no part of the claimed design. The more bold larger dashed lines are used to show stitching which is part of the environment and form no part of the claimed features. The longer irregular dashed lines are used to show curvature.
