DESCRIPTION

FIG. 1 is the front view of the display screen with icon for predictor computer program;
FIG. 2A is the top view of FIG. 1; and,
FIG. 2B is the bottom view of FIG. 1.
The broken lines showing the display screen are for illustrative purposes only and form no part of the claimed design.
The drawing is ornamentation of a computer screen display selected by the end user during the program's operation for reviewing it's areas of use.
