(57) **CLAIM**

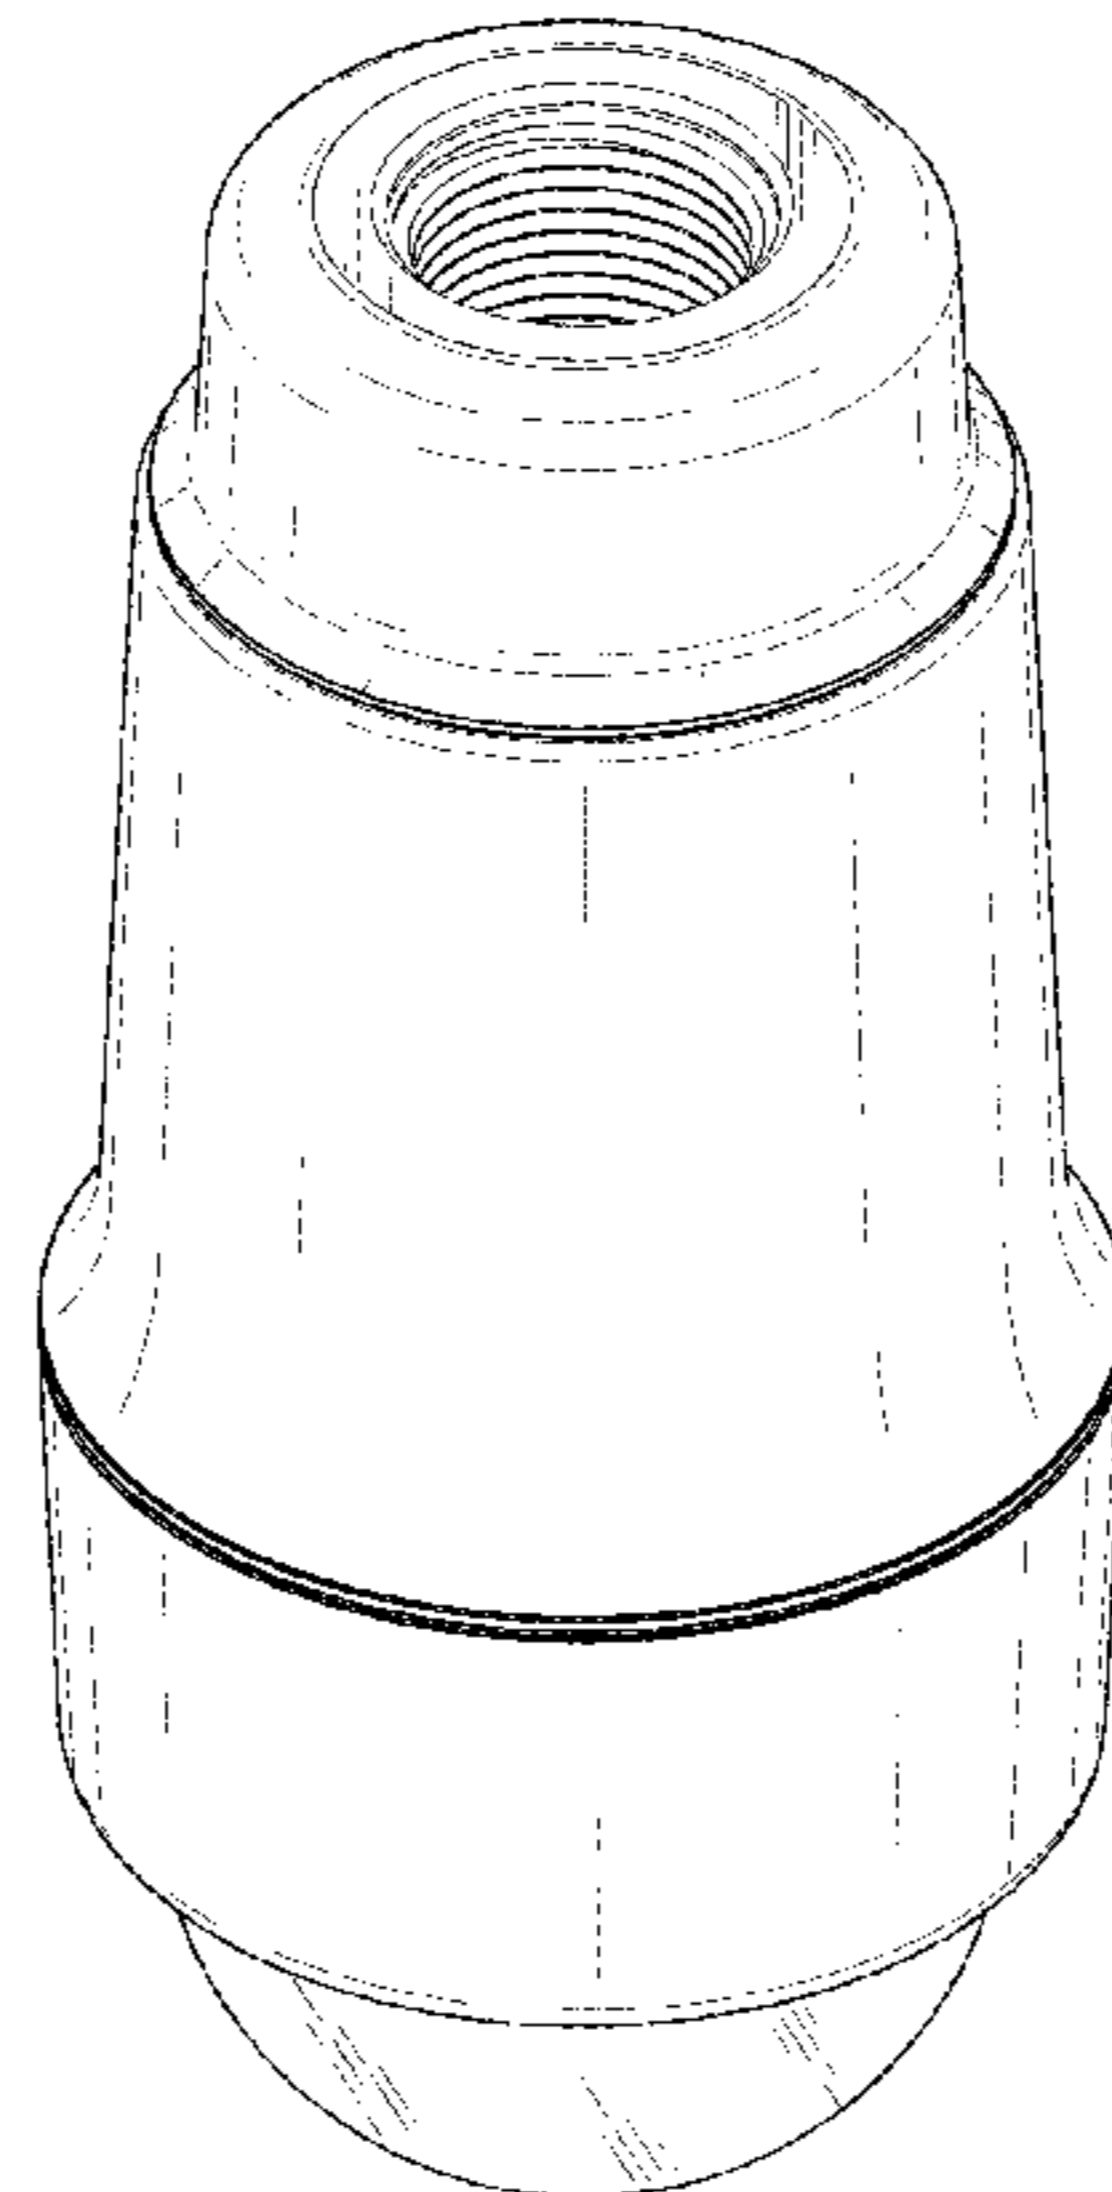

I claim the ornamental design for a pendant enclosure for a spherical camera, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a pendant enclosure for a spherical camera showing my new design; FIG. 2 is a side elevational view thereof; FIG. 3 is a top plan view thereof; and, FIG. 4 is a bottom plan view of the pendant enclosure, wherein a spherical camera (underneath the translucent dome) shown in broken lines illustrates environment only and forms no part of the claimed design.

The design is the visual features of a pendant enclosure for a spherical camera, with the pendant enclosure shown in solid lines in the drawings, whether those features are features of one of shape, configuration, ornament or pattern or are a combination of any of these features.
