(57) **CLAIM**

The ornamental design for a stackable paint container with pivotable handle, as shown and described.

DESCRIPTION

FIG. 1 is a top and front perspective view of a stackable paint container with pivotable handle showing our new design; FIG. 2 is a top plan view thereof; FIG. 3 is a front elevational view thereof, FIG. 4 is a left side elevational view thereof, the right side elevational view being a mirror image; FIG. 5 is a rear elevational view thereof; FIG. 6 is a bottom plan view thereof; FIG. 7 is a bottom, front and left side perspective view thereof; FIG. 8 is a perspective view of a stackable paint container showing a pivotable handle in open position; and, FIG. 9 is a perspective view of multiple paint containers of our new design stacked in each other. The broken lines in FIG. 8 are to show the movement of the pivotable handle between closed and open positions. The broken lines are for the illustrative purpose only and form no part of the claimed design.
