CLAIM

I claim, the ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front elevation view of a display screen or portion thereof with graphical user interface showing my new design.

The short dash-dash broken lines within the FIGURE illustrate unclaimed portions of the graphical user interface and the dot-dash broken line around the FIGURE shows the display screen; the broken lines form no part of the claimed design.

1 Claim, 1 Drawing Sheet
