(57) **CLAIM**

The ornamental design for the dental cabinet, as shown and described.

DESCRIPTION

FIG. 1 is an isometric view of our new dental cabinet design, depicting the environment;

FIG. 2 is an enlarged isometric view thereof;

FIG. 3 is an exploded top isometric view of an upholstered column, top counter surface, and bottom cabinet surface thereof;

FIG. 4 is an exploded bottom isometric view of the upholstered column, top counter surface, and bottom cabinet surface thereof;

FIG. 5 is an exploded front elevation view thereof;

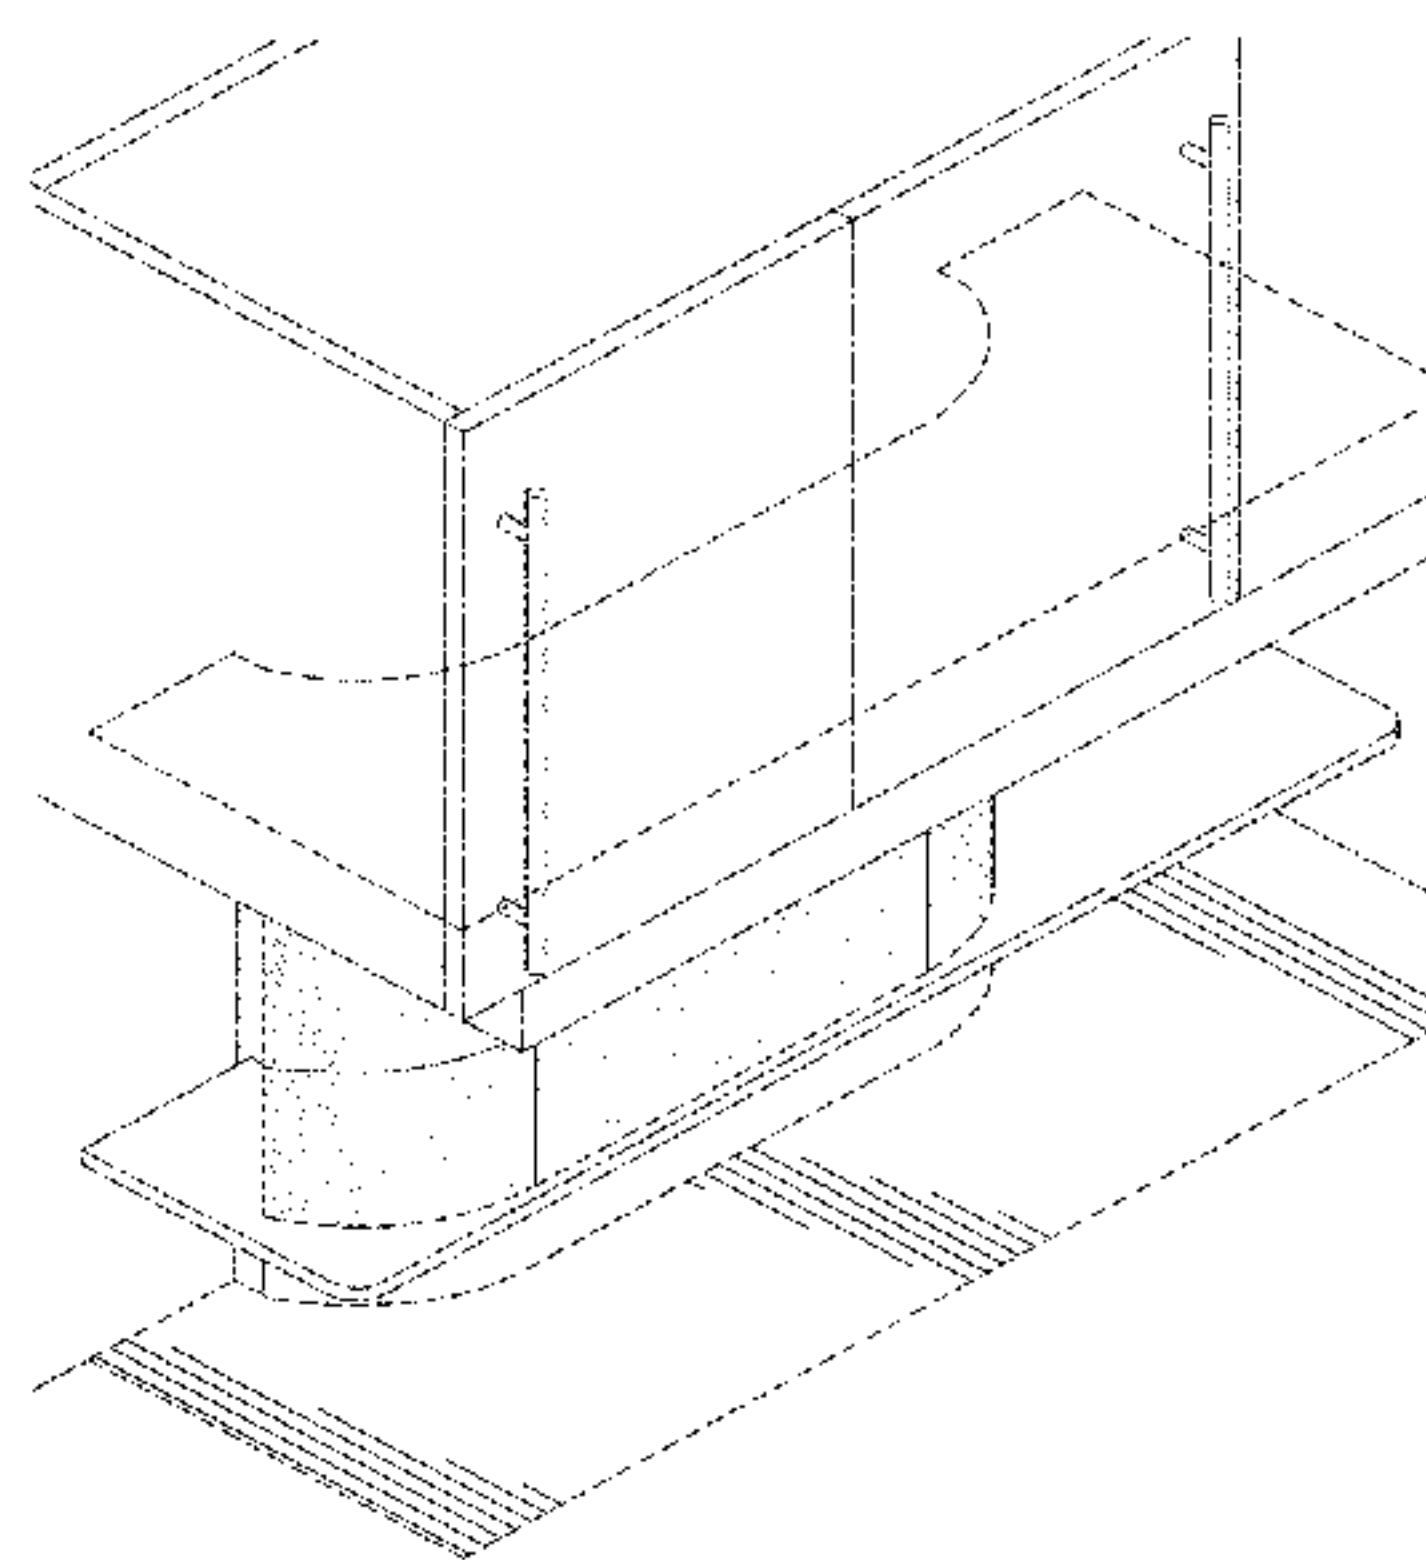

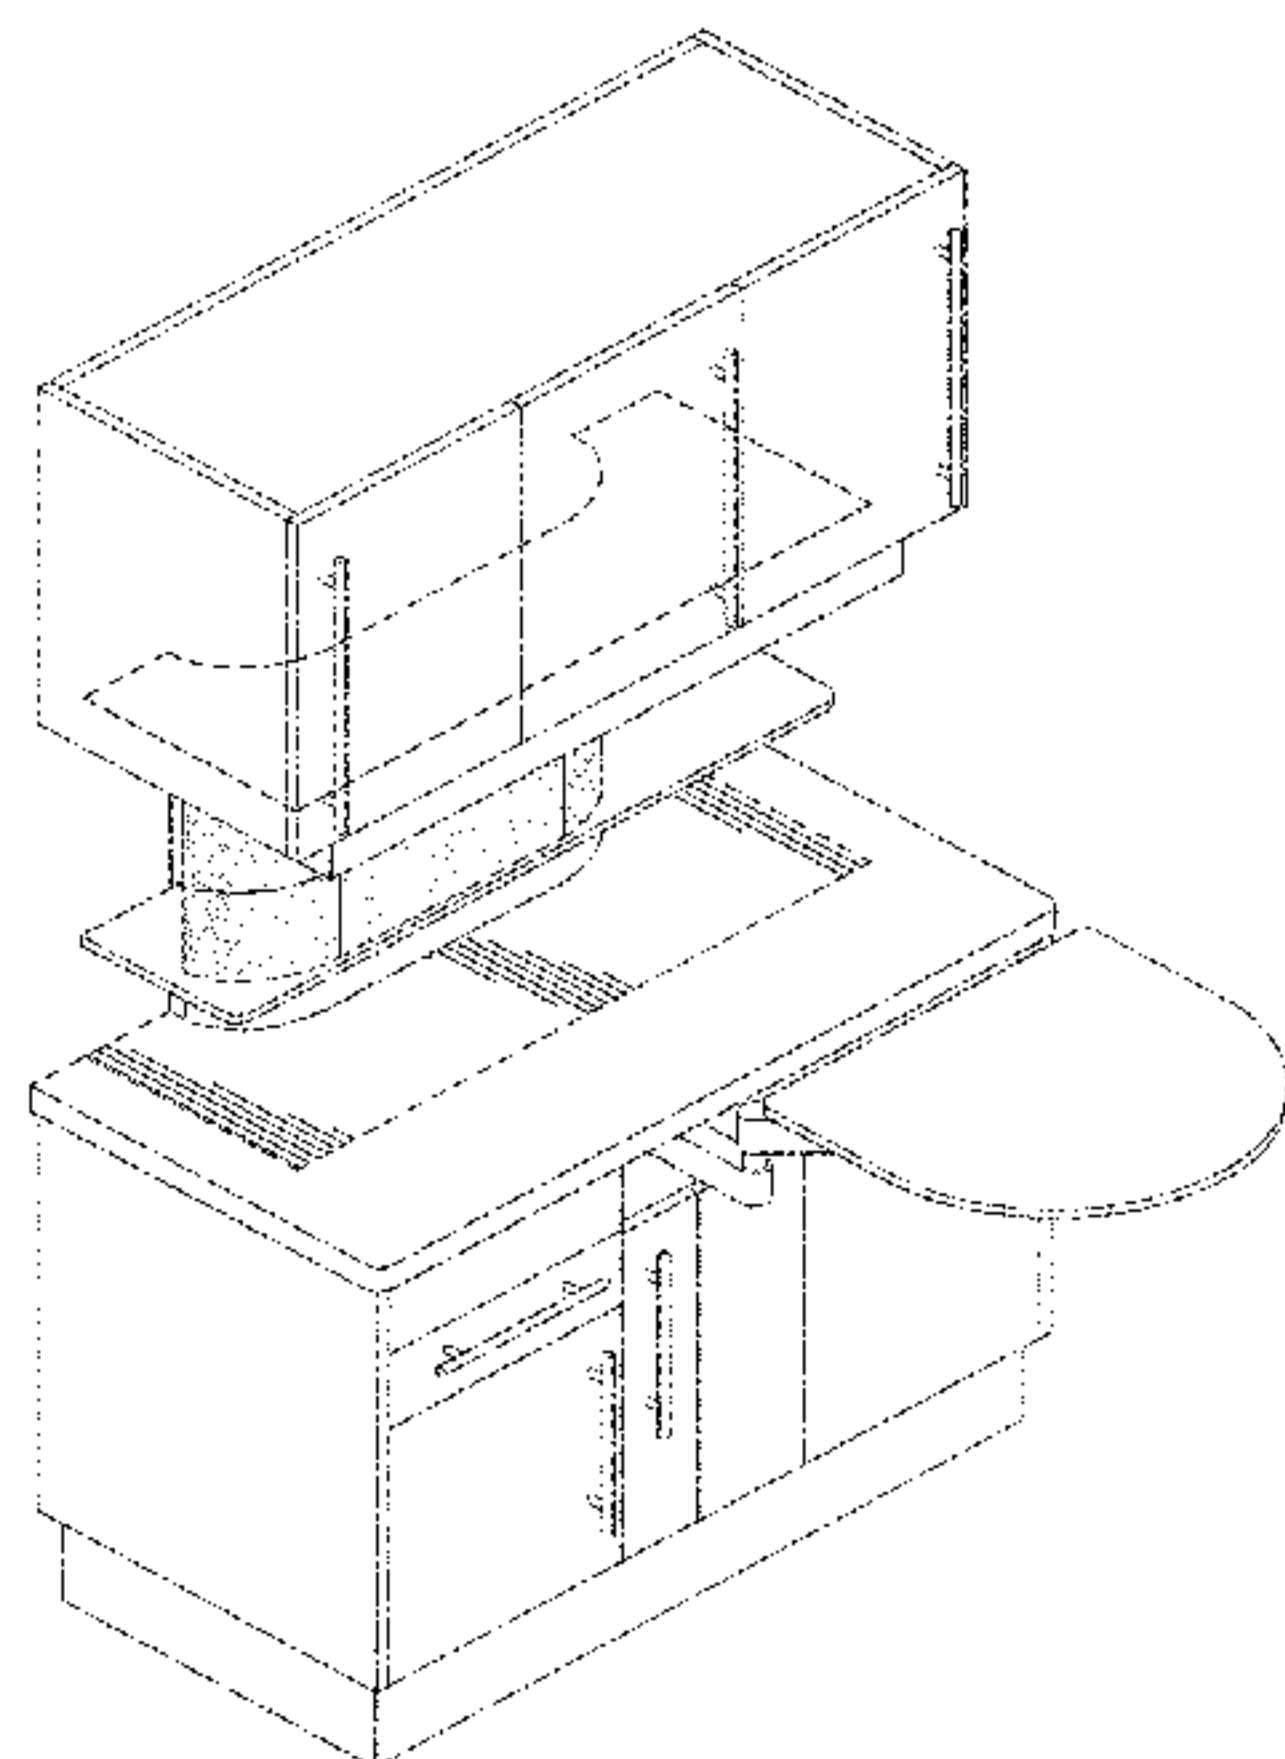

FIG. 6 is an exploded left-side elevation view thereof (the right-side elevation view being a mirror image of FIG. 6); and,

FIG. 7 is a top plan view of thereof (the bottom plan view being a mirror image of FIG. 7).

The broken dot-dash lines throughout the figures of the dental cabinet are intended to denote environment structure. Neither the broken dot-dash lines themselves, nor the regions within the lines, form any part of the claimed design.

The stippled portions of the dental cabinet design shown throughout the figures are intended to denote a fabric-like or upholstered appearance.
