(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

The patent file contains at least one drawing executed in color. Copies of this patent with a color drawing will be provided by the Office upon request and payment of the necessary fee. FIG. 1 is a front view of the display screen with graphical user interface showing my new design; and, FIG. 2 is a front view of a second embodiment thereof. The broken lines showing a portion of a display screen and the broken lines showing of certain words, numbers, and illustrations in the drawing is for illustrative purposes only and forms no part of the claimed design.
