(57) **CLAIM**

The ornamental design for a commuter mobile device holder,
as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a commuter mobile device holder showing my new design.
FIG. 2 is a left side elevational view of a commuter mobile device holder.
FIG. 3 is a front left side perspective view of a commuter mobile device holder; and,
FIG. 4 is a rear elevational view of a commuter mobile device holder.
The broken lines in FIGS. 1, 2, and 3, showing the mobile device, depict environmental subject matter only and form no part of the claimed design.
