(57) **CLAIM**

The ornamental design for a muzzle brake, as shown and described.

DESCRIPTION

FIG. 1 is a top, front, left perspective view of a muzzle brake showing my new design;
FIG. 2 is a front view thereof;
FIG. 3 is a right side view thereof;
FIG. 4 is a left side view thereof;
FIG. 5 is a top view thereof; and,
FIG. 6 is a bottom view thereof.
The uneven-length broken line within the shaded area in FIGS. 1 and 3-6 is not claimed. The uneven-length broken lines immediately adjacent to the shaded area represent unclaimed boundaries of the claimed design. The even-length broken lines showing the remainder of the muzzle brake are for environmental purposes only and form no part of the claimed design.

1 Claim, 3 Drawing Sheets
