(57) **CLAIM**

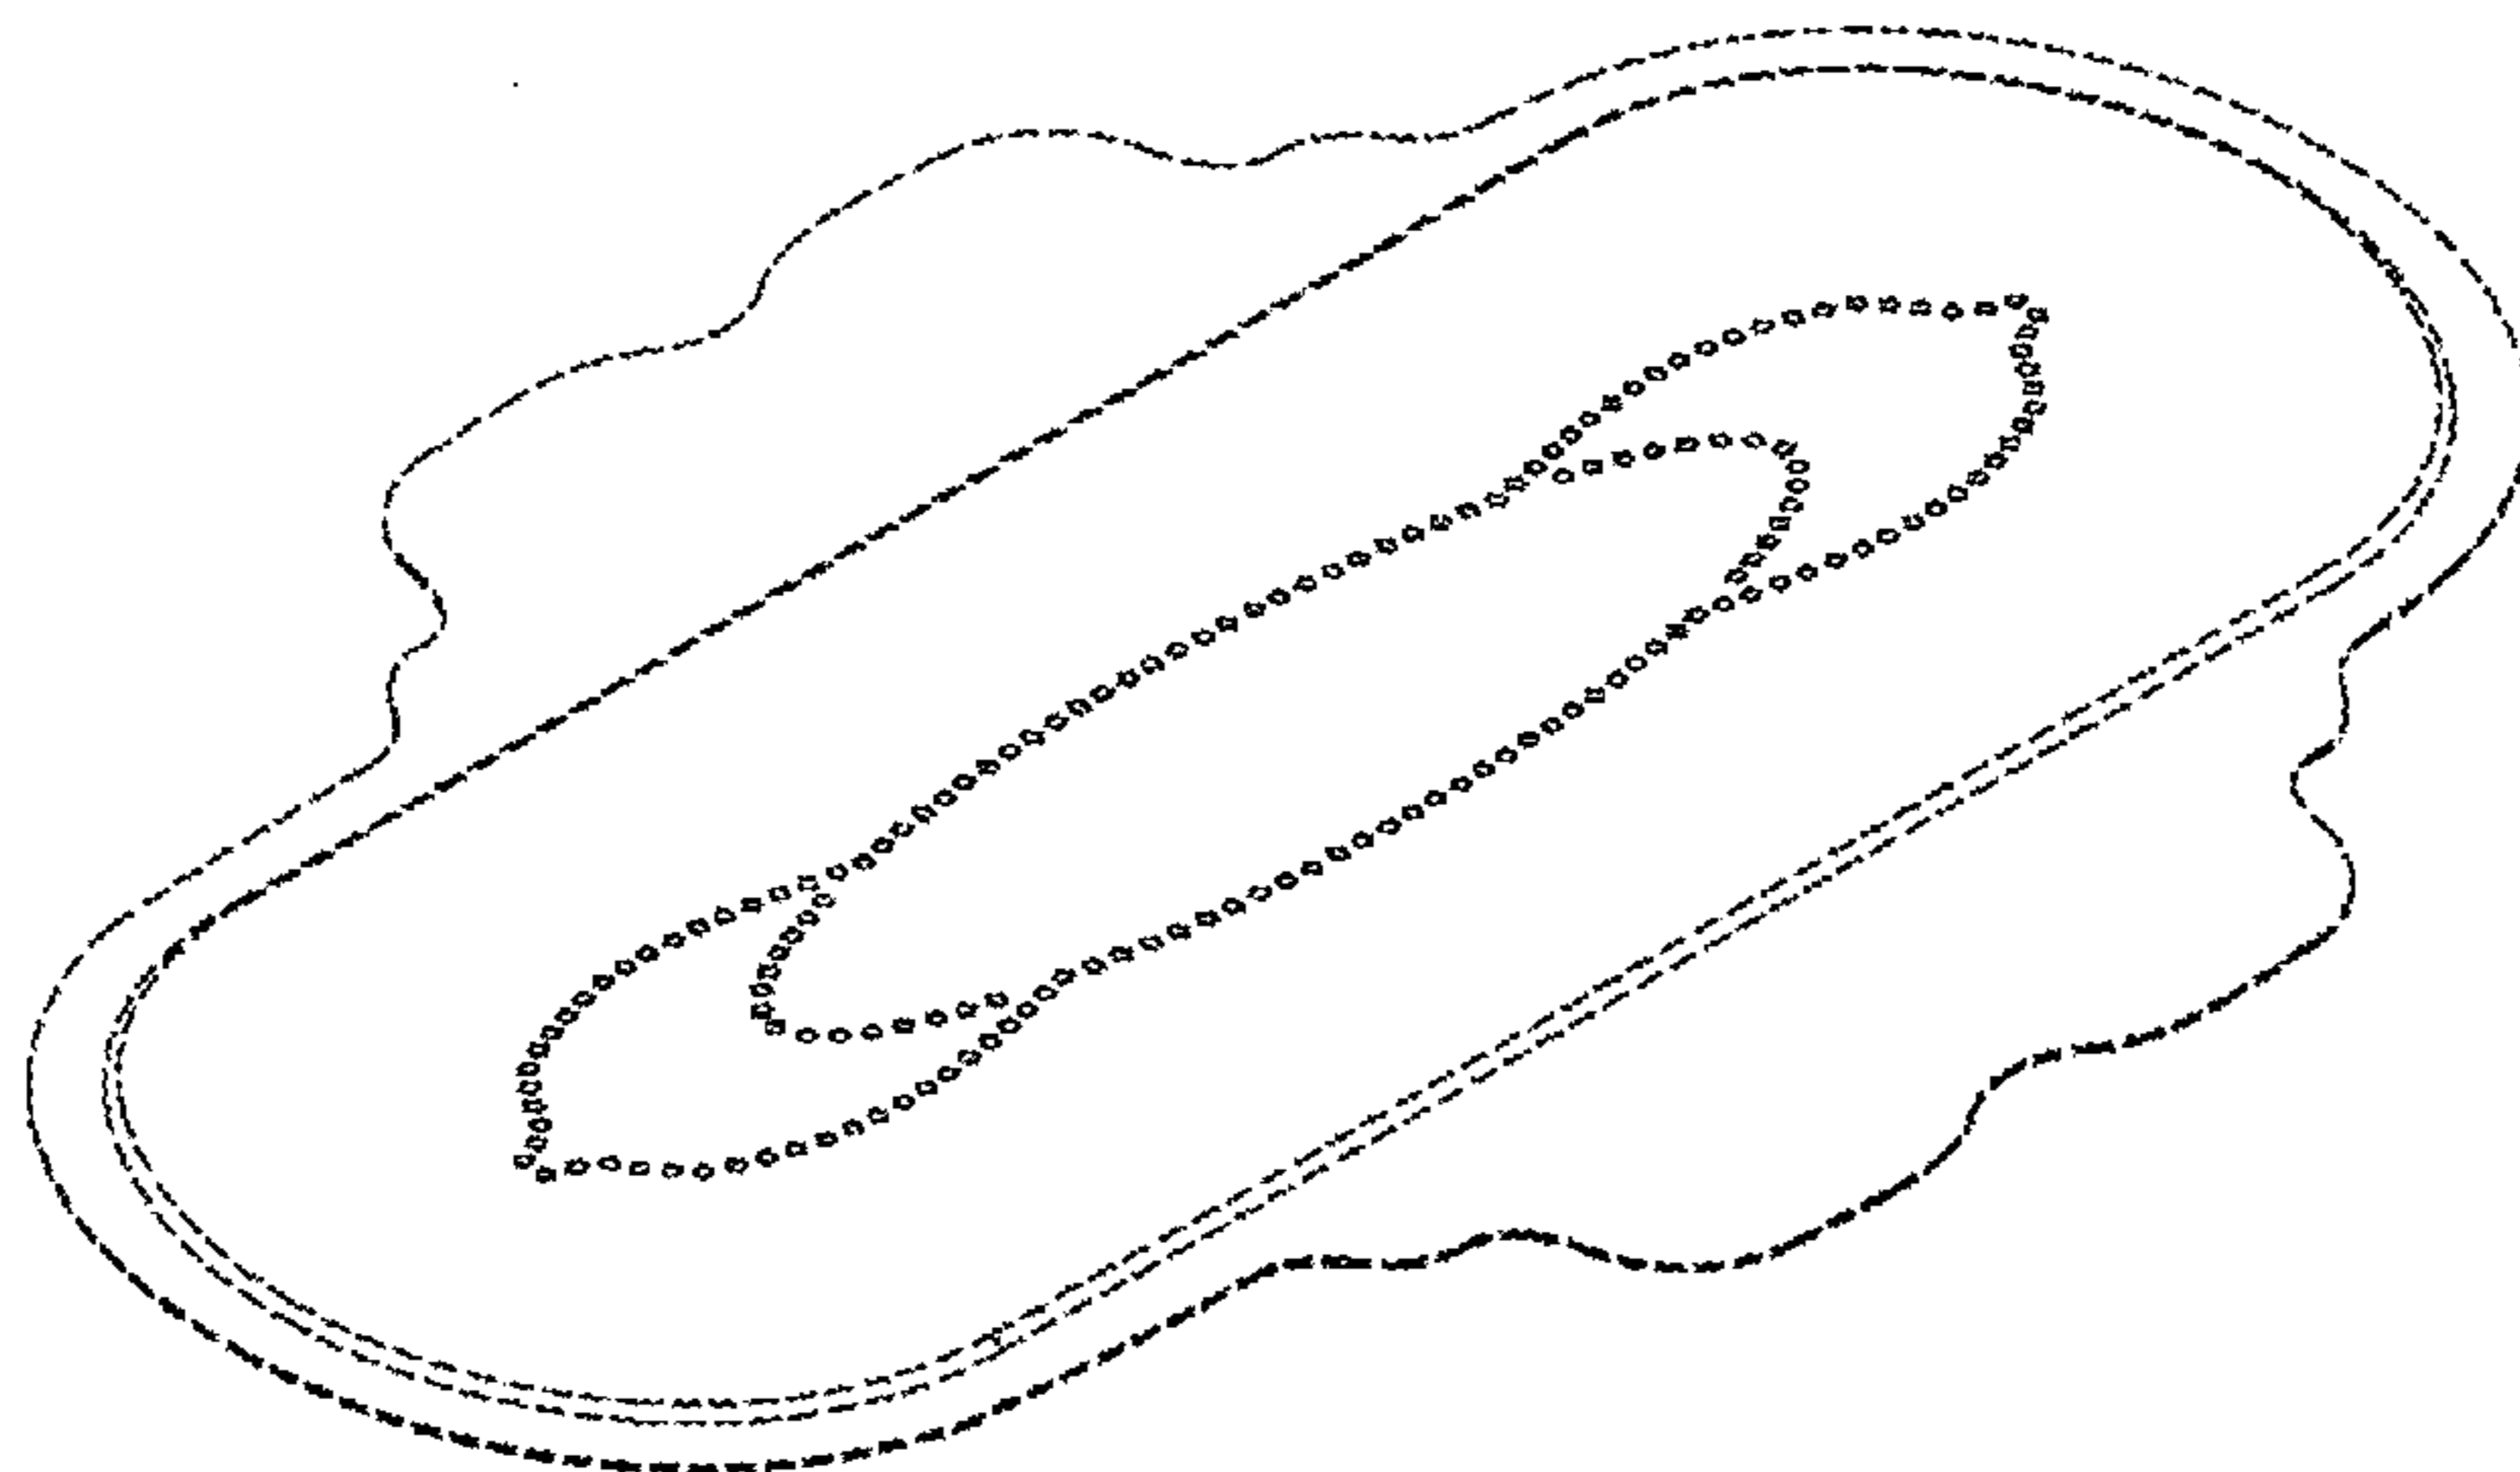

The ornamental design for a sanitary napkin, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of the sanitary napkin, embodying our new design; and, FIG. 2 is a front view thereof. The broken line showing of the sanitary napkin illustrates the environment of the claimed design and forms no part thereof. One of the side views and bottom view are omitted because side views are identical to each other, and a bottom view is identical to a top plan view.
