(57) **CLAIM**

I claim the ornamental design for a retainer device with a jacket, as shown and described.

DESCRIPTION

FIG. 1 is an exploded front perspective view of a retainer device with a jacket showing my new design;
FIG. 2 is an unexploded front perspective view;
FIG. 3 is an exploded back perspective view;
FIG. 4 is an unexploded back perspective view;
FIG. 5 is a front plan view;
FIG. 6 is a back plan view;
FIG. 7 is a side plan view;
FIG. 8 is a side plan view of the side opposite of that shown in FIG. 7;
FIG. 9 is an end plan view, shown without the broken line attachment fitting; and,
FIG. 10 is an end plan view of the side opposite of that shown in FIG. 9, also shown without the broken line attachment fitting.
The broken lines in the drawings are environmental lines, which do not form part of the claimed design.
