(57) **CLAIM**

The ornamental design for a valve housing display with graphical user interface, as shown and described.

**DESCRIPTION**

FIG. 1 is a front elevational view of a first embodiment of a new valve housing display with graphical user interface; and, FIG. 2 is a front elevational view of a second embodiment of a new valve housing display with graphical user interface. The broken lines portions of the figure drawings is included to show unclaimed subject matter only and forms no part of the claimed design.
