(57) **CLAIM**

I claim the ornamental design for a firearm recoil spring plug capture tool, as shown and described.

**DESCRIPTION**

FIG. 1 is a top perspective view of the first embodiment of a firearm recoil spring plug capture tool.

FIG. 2 is a right side view thereof, the left side view being the same;

FIG. 3 is a top view thereof;

FIG. 4 is a bottom view thereof;

FIG. 5 is a front view thereof, the back view being the same;

FIG. 6 is a top perspective view of the second embodiment of a firearm recoil spring plug capture tool;

FIG. 7 is a right side view thereof, the left side view being the same;

FIG. 8 is a top view thereof;

FIG. 9 is a bottom view thereof;

FIG. 10 is a front view thereof, the back view being the same;

FIG. 11 is a top perspective view of the third embodiment of a firearm recoil spring plug capture tool;

FIG. 12 is a right side view thereof, the left side view being the same;

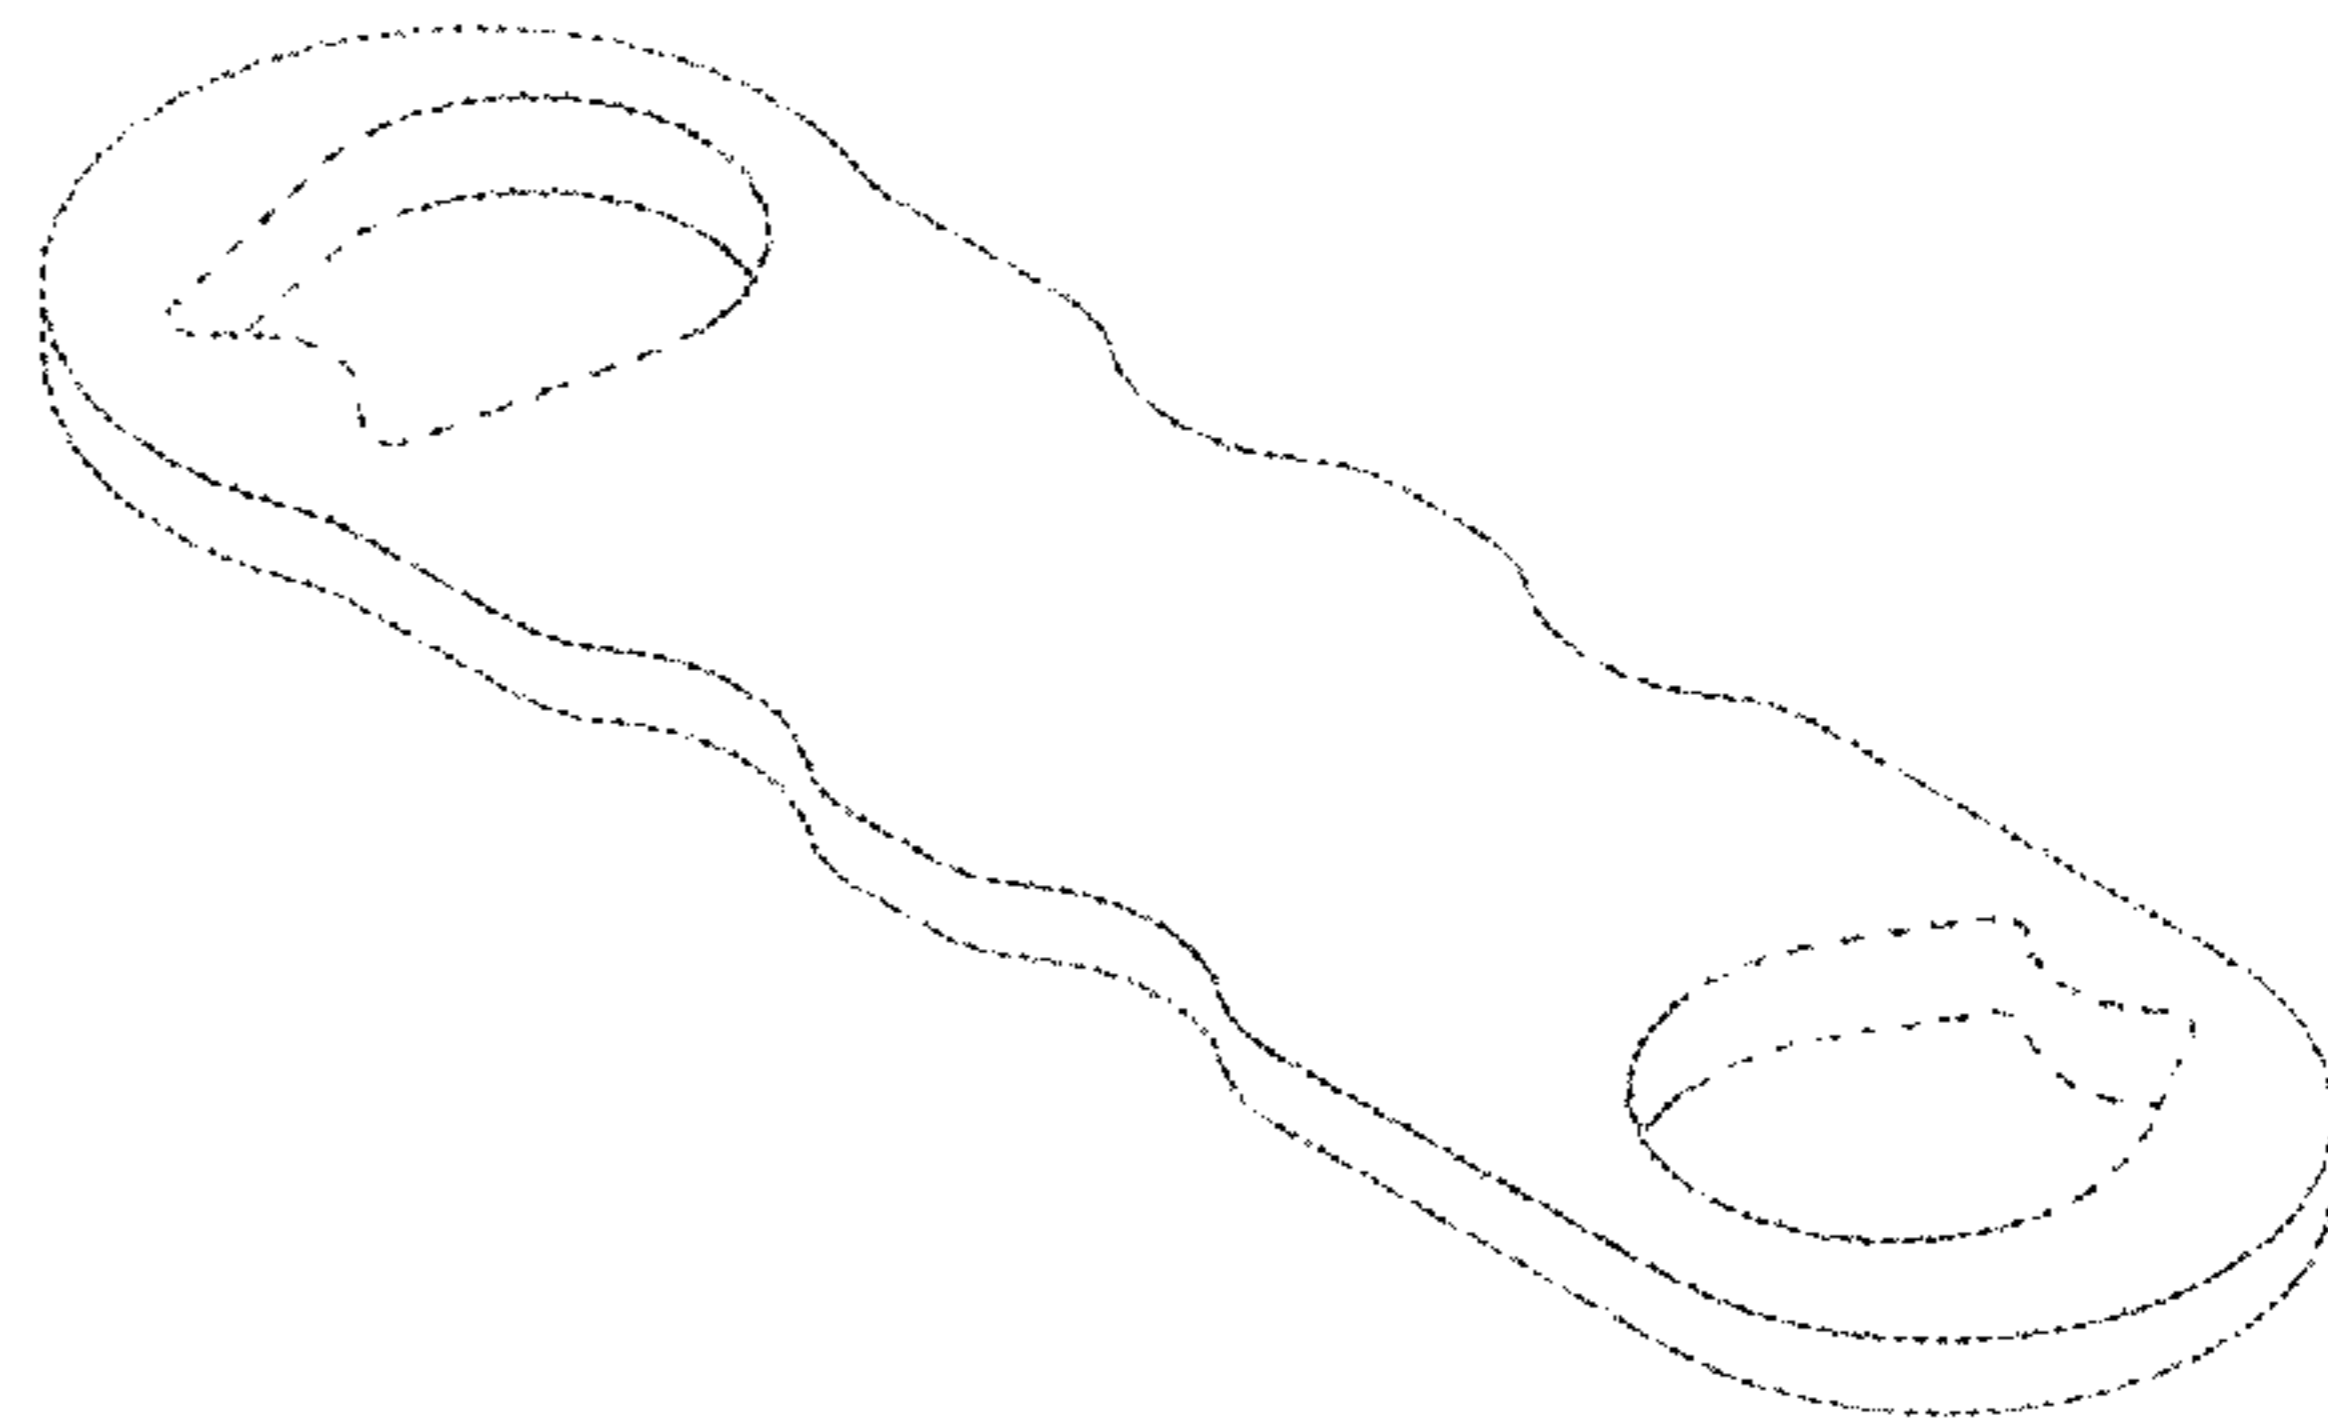

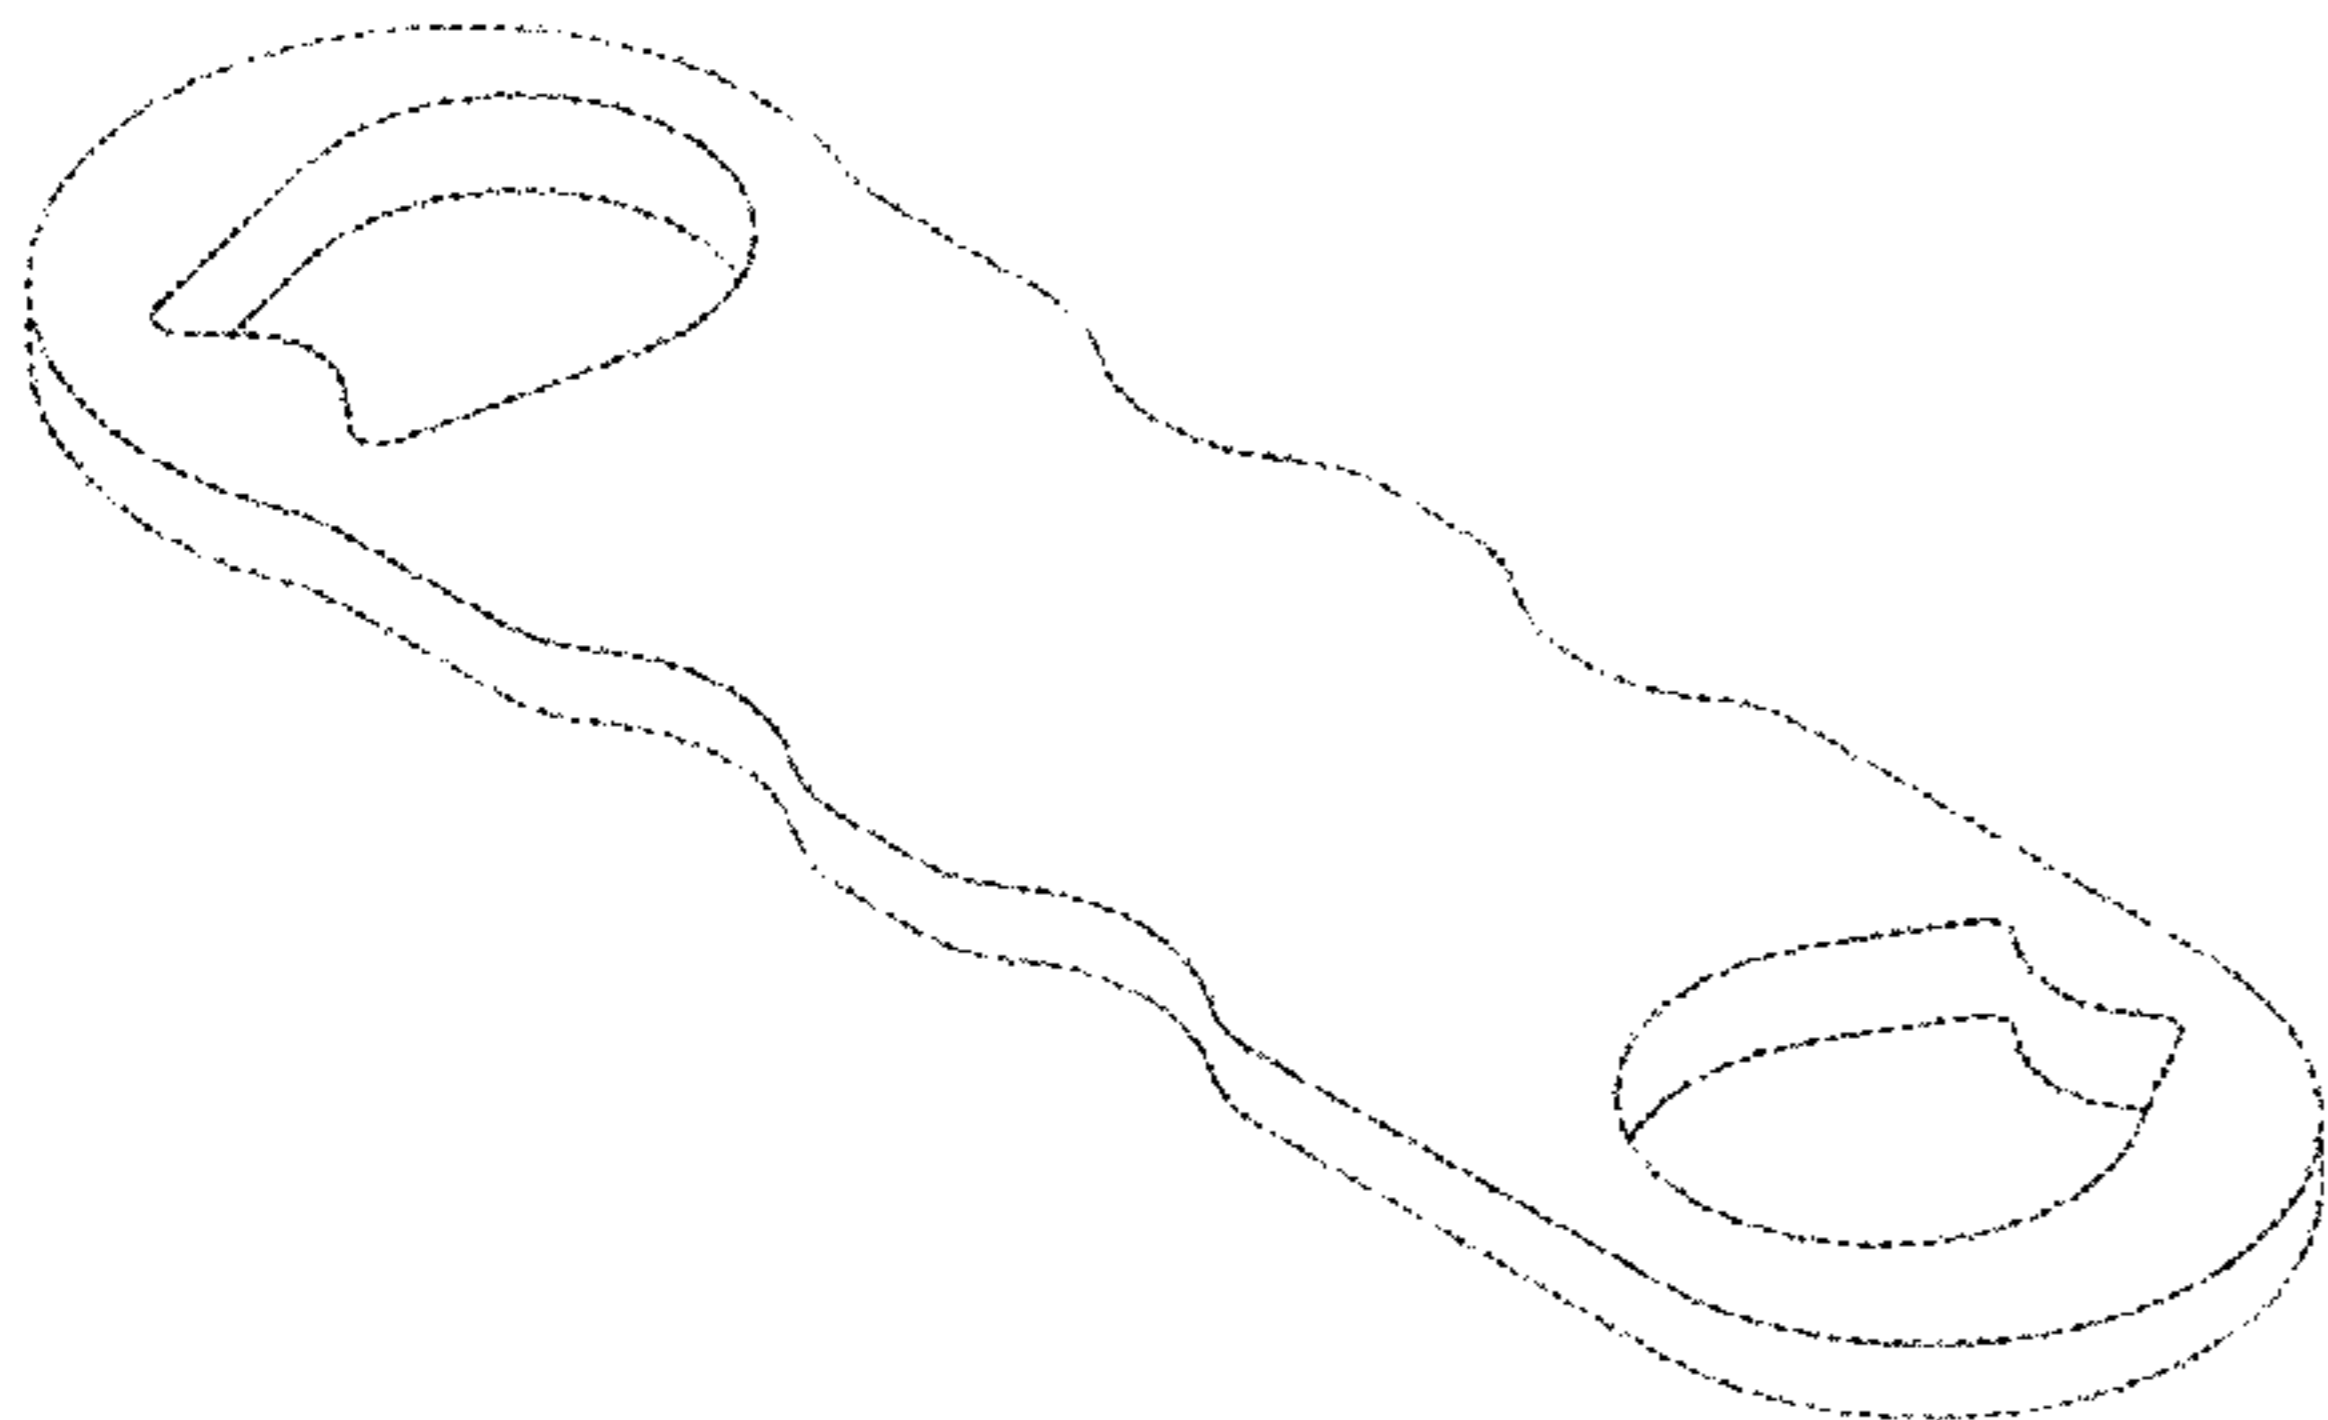

FIG. 13 is a top view thereof;

FIG. 14 is a bottom view thereof; and,

FIG. 15 is a front view thereof, the back view being the same.

The broken lines denoting selected edge segments of the various embodiments depict boundaries of the claims only for that particular embodiment shown and form no part of the claimed design.
