(57) **CLAIM**

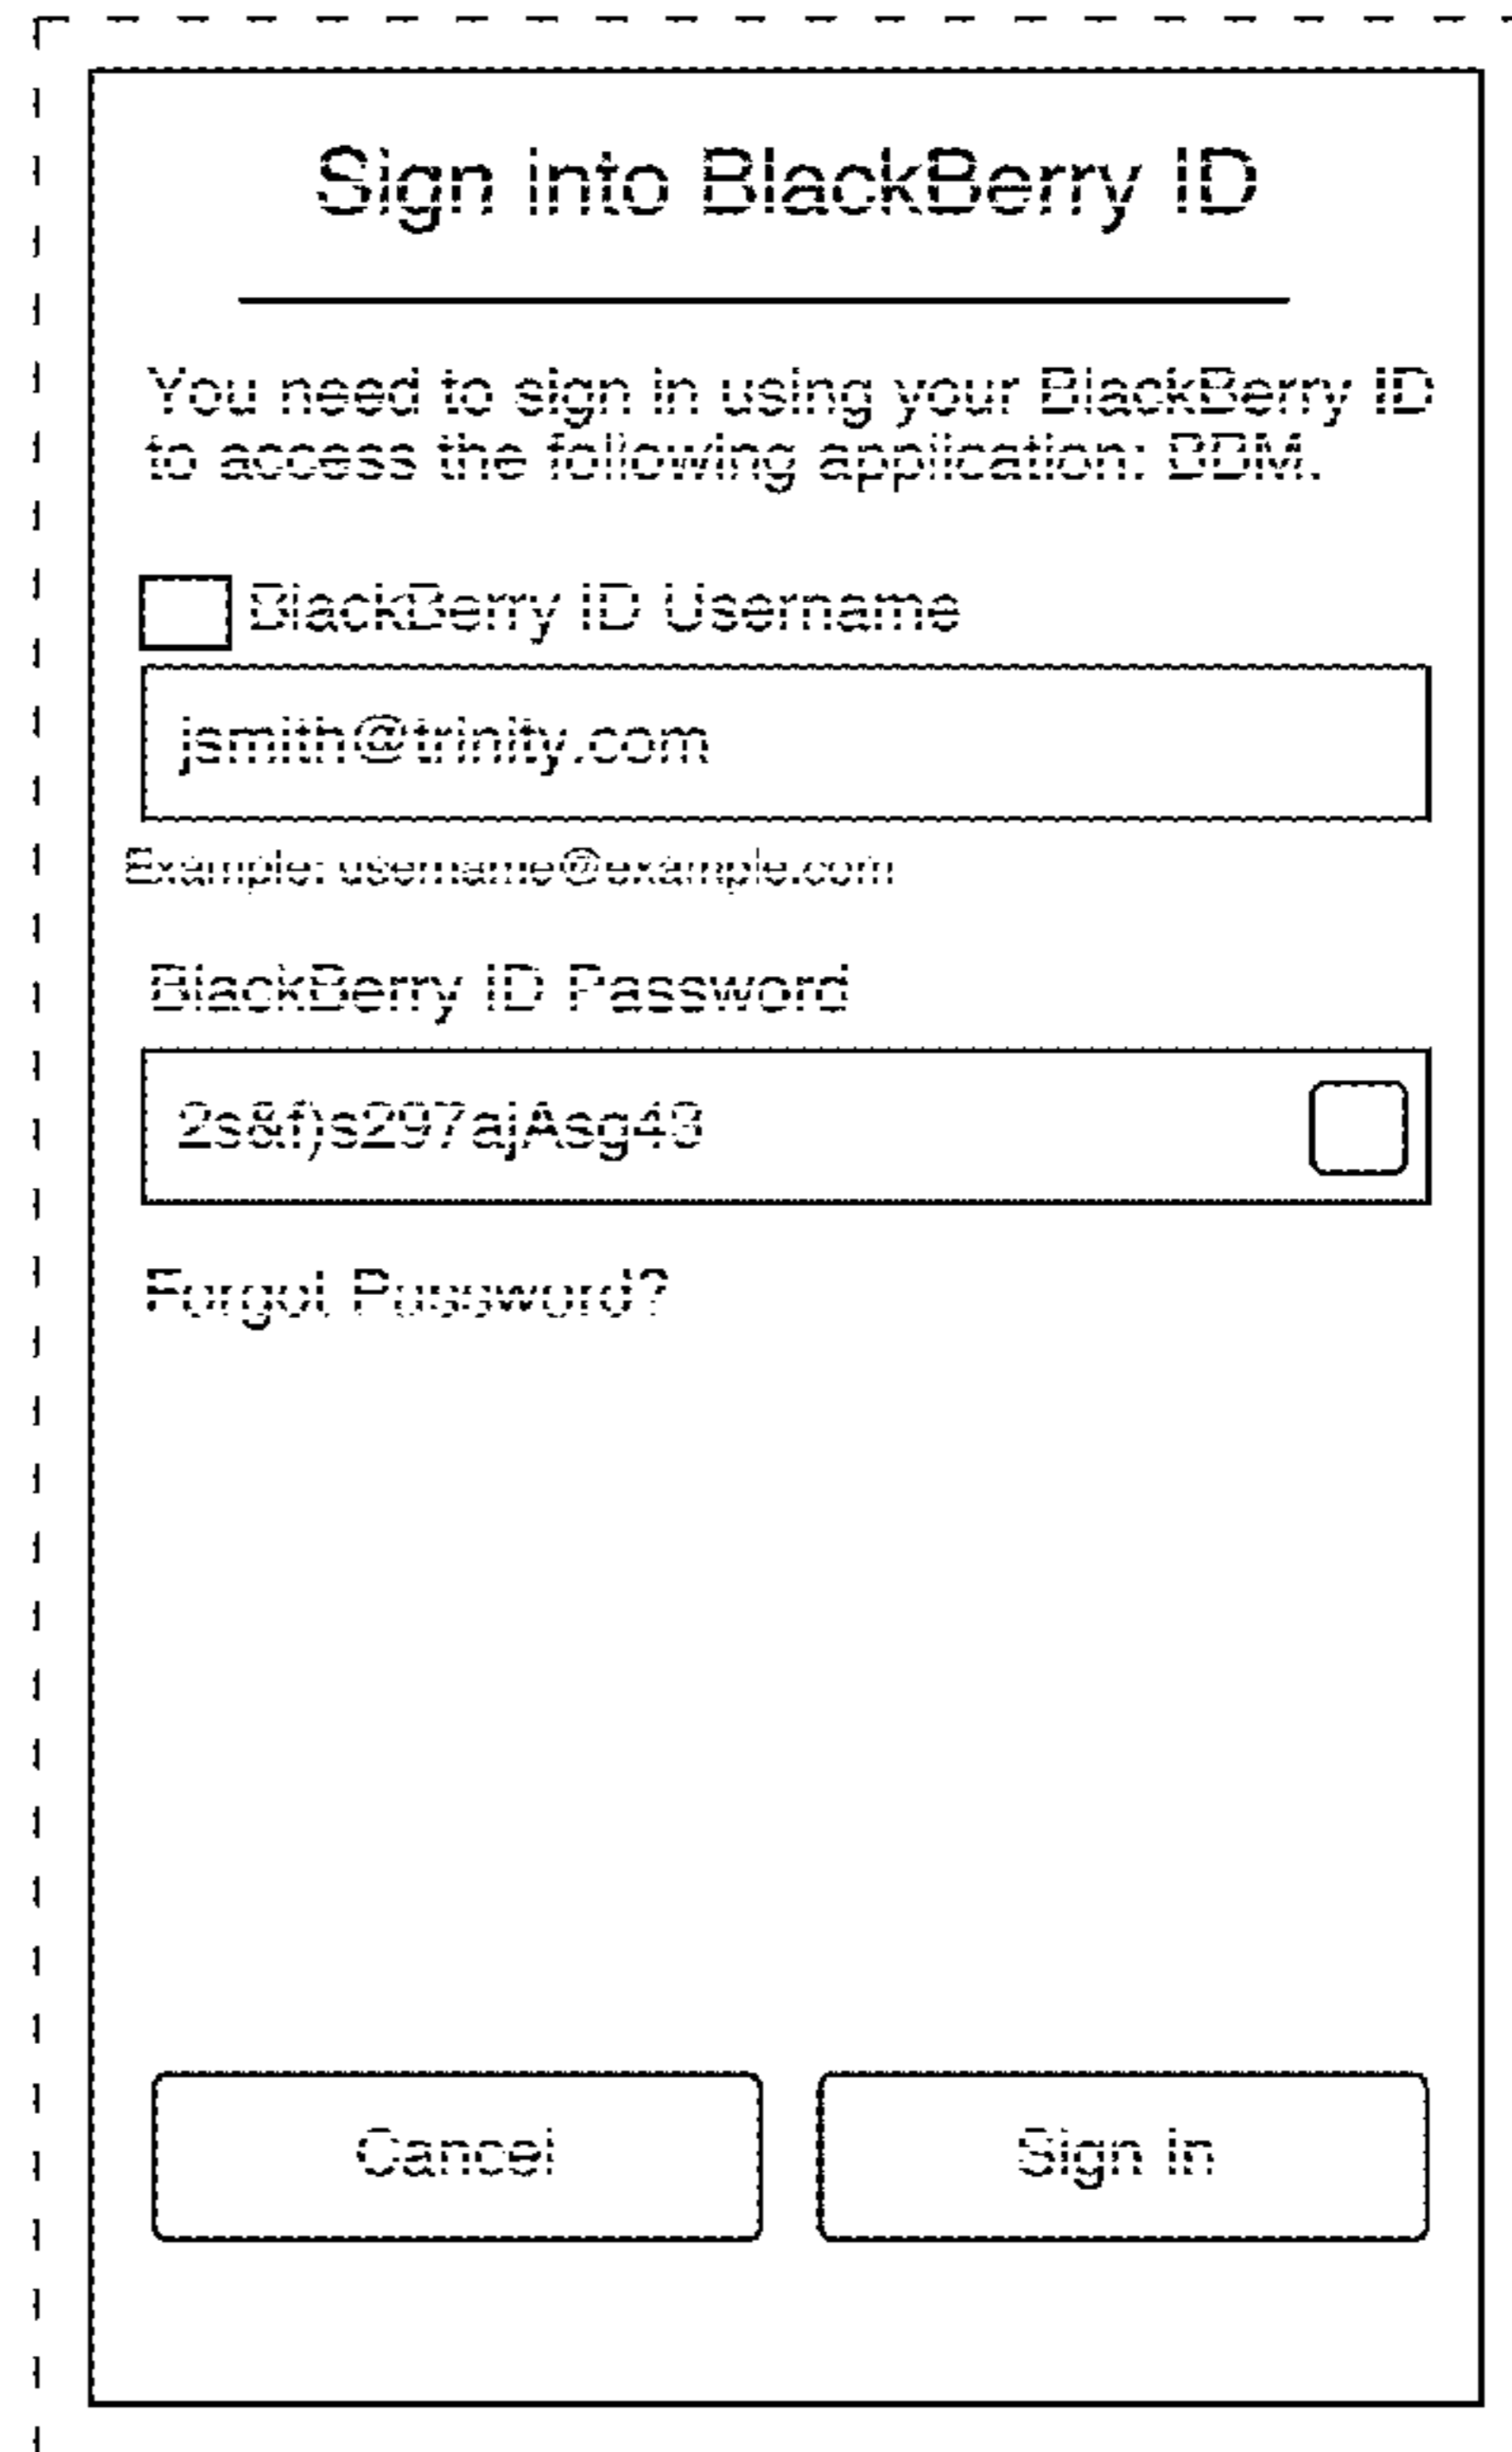

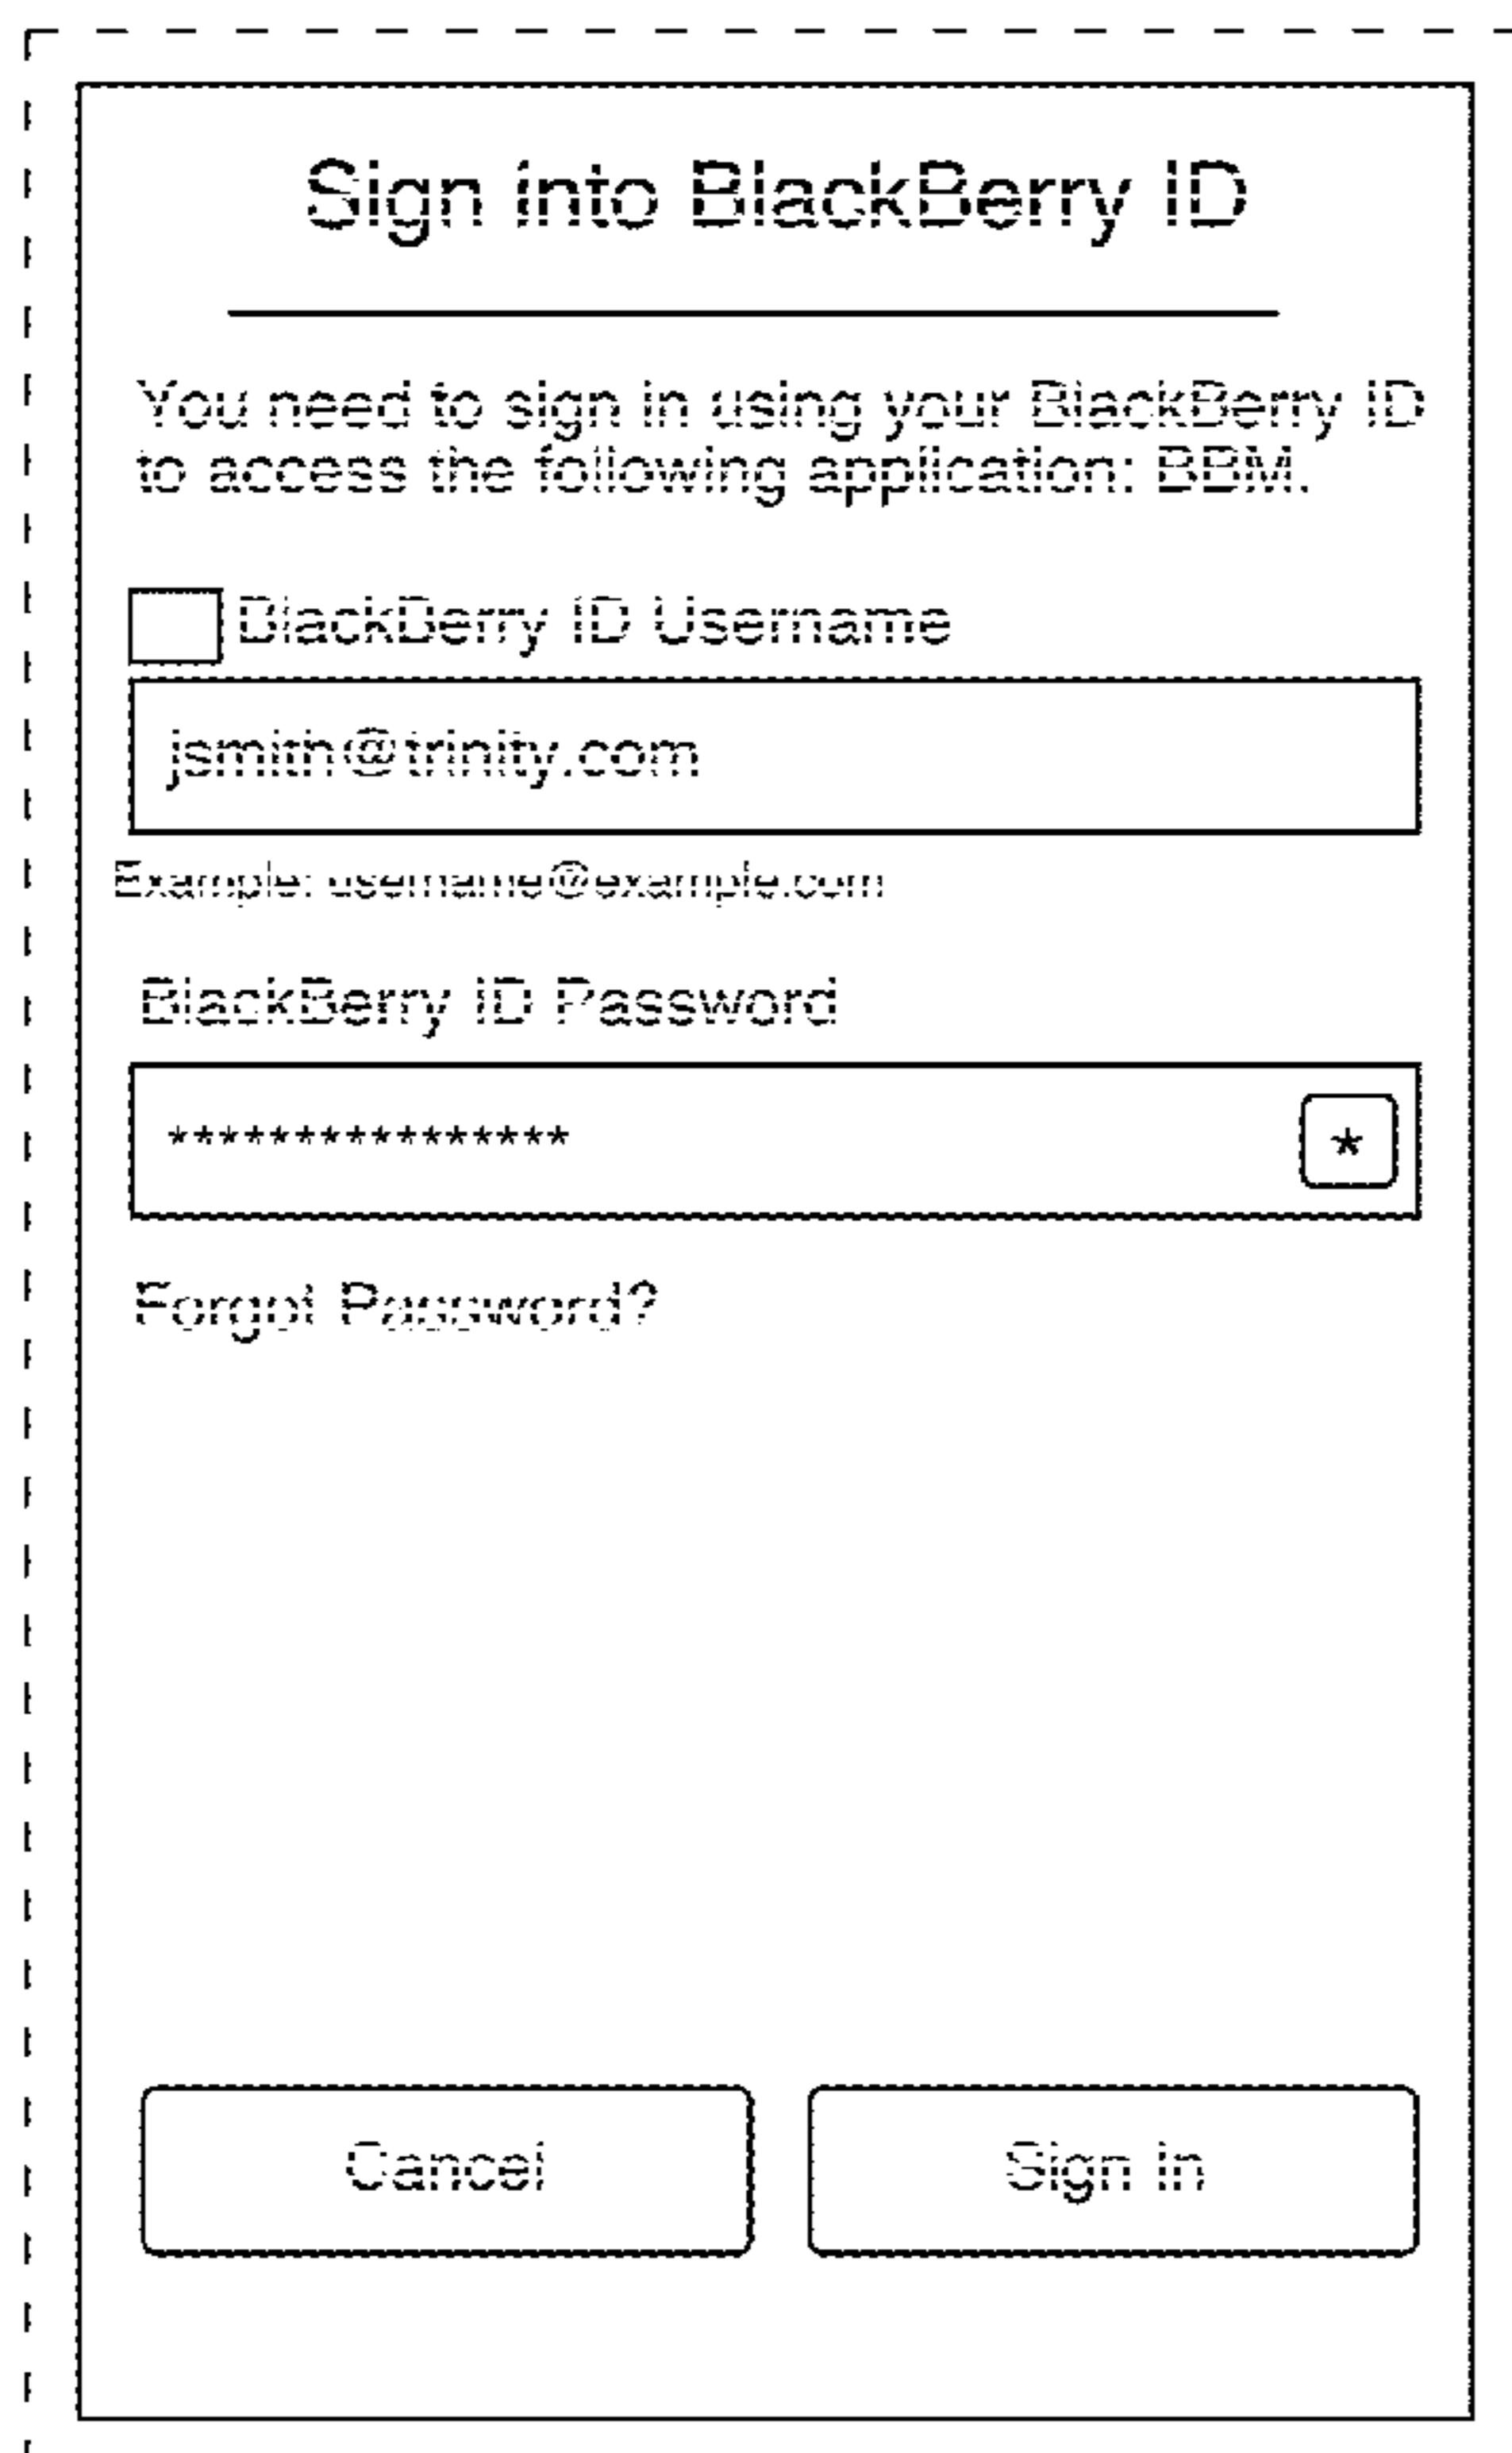

I claim the ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front plan view of a display screen with graphical user interface; and,
FIG. 2 is a front plan view of another display screen with graphical user interface.

The outer broken line rectangle forms no part of the claimed design and represents a display screen on which the user interface is shown. Broken lines within the broken line rectangle represent features of the user interface that form no part of the claimed design.
