(57) **CLAIM**

The ornamental design for an electronic taper candle having a flame-shaped element illuminated from two sides thereof, as shown and described.

**DESCRIPTION**

FIG. 1 is an isometric view of the electronic taper candle; FIG. 2 is a front view of the electronic taper candle of FIG. 1; FIG. 3 is a rear view of the electronic taper candle of FIG. 1; FIG. 4 is a left side view of the electronic taper candle of FIG. 1; FIG. 5 is a right side view of the electronic taper candle of FIG. 1; FIG. 6 is a top view of the electronic taper candle of FIG. 1, illustrating the two light sources providing illumination to the flame-shaped element; FIG. 7 is a bottom view of the electronic taper candle of FIG. 1; and, FIG. 8 is a cross-sectional view of the electronic taper candle of FIG. 1 cut along centering lines 8-8 as shown in FIGS. 4 and 5, illustrating the two light sources providing illumination to the flame-shaped element.

The broken lines of FIGS. 7 and 8 are provided for purposes of illustration and form no part of the claimed design of the present application. However, the broken lines are intended to provide explicit disclosure as to presently unclaimed portions of the design, and Applicants reserve the right to pursue and claim such other presently unclaimed portions in one or more continuation applications.

**1 Claim, 5 Drawing Sheets**
