(57) **CLAIM**

What is claimed is an ornamental design for a clip with slide lock, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a clip with slide lock showing my new design, wherein the clip is attached to a protective case and in an unlocked configuration;

FIG. 2 is a front, top, right perspective view thereof;

FIG. 3 is a right elevational view thereof;

FIG. 4 is a left elevational view thereof;

FIG. 5 is a top plan view thereof, wherein the protective case is in an open configuration;

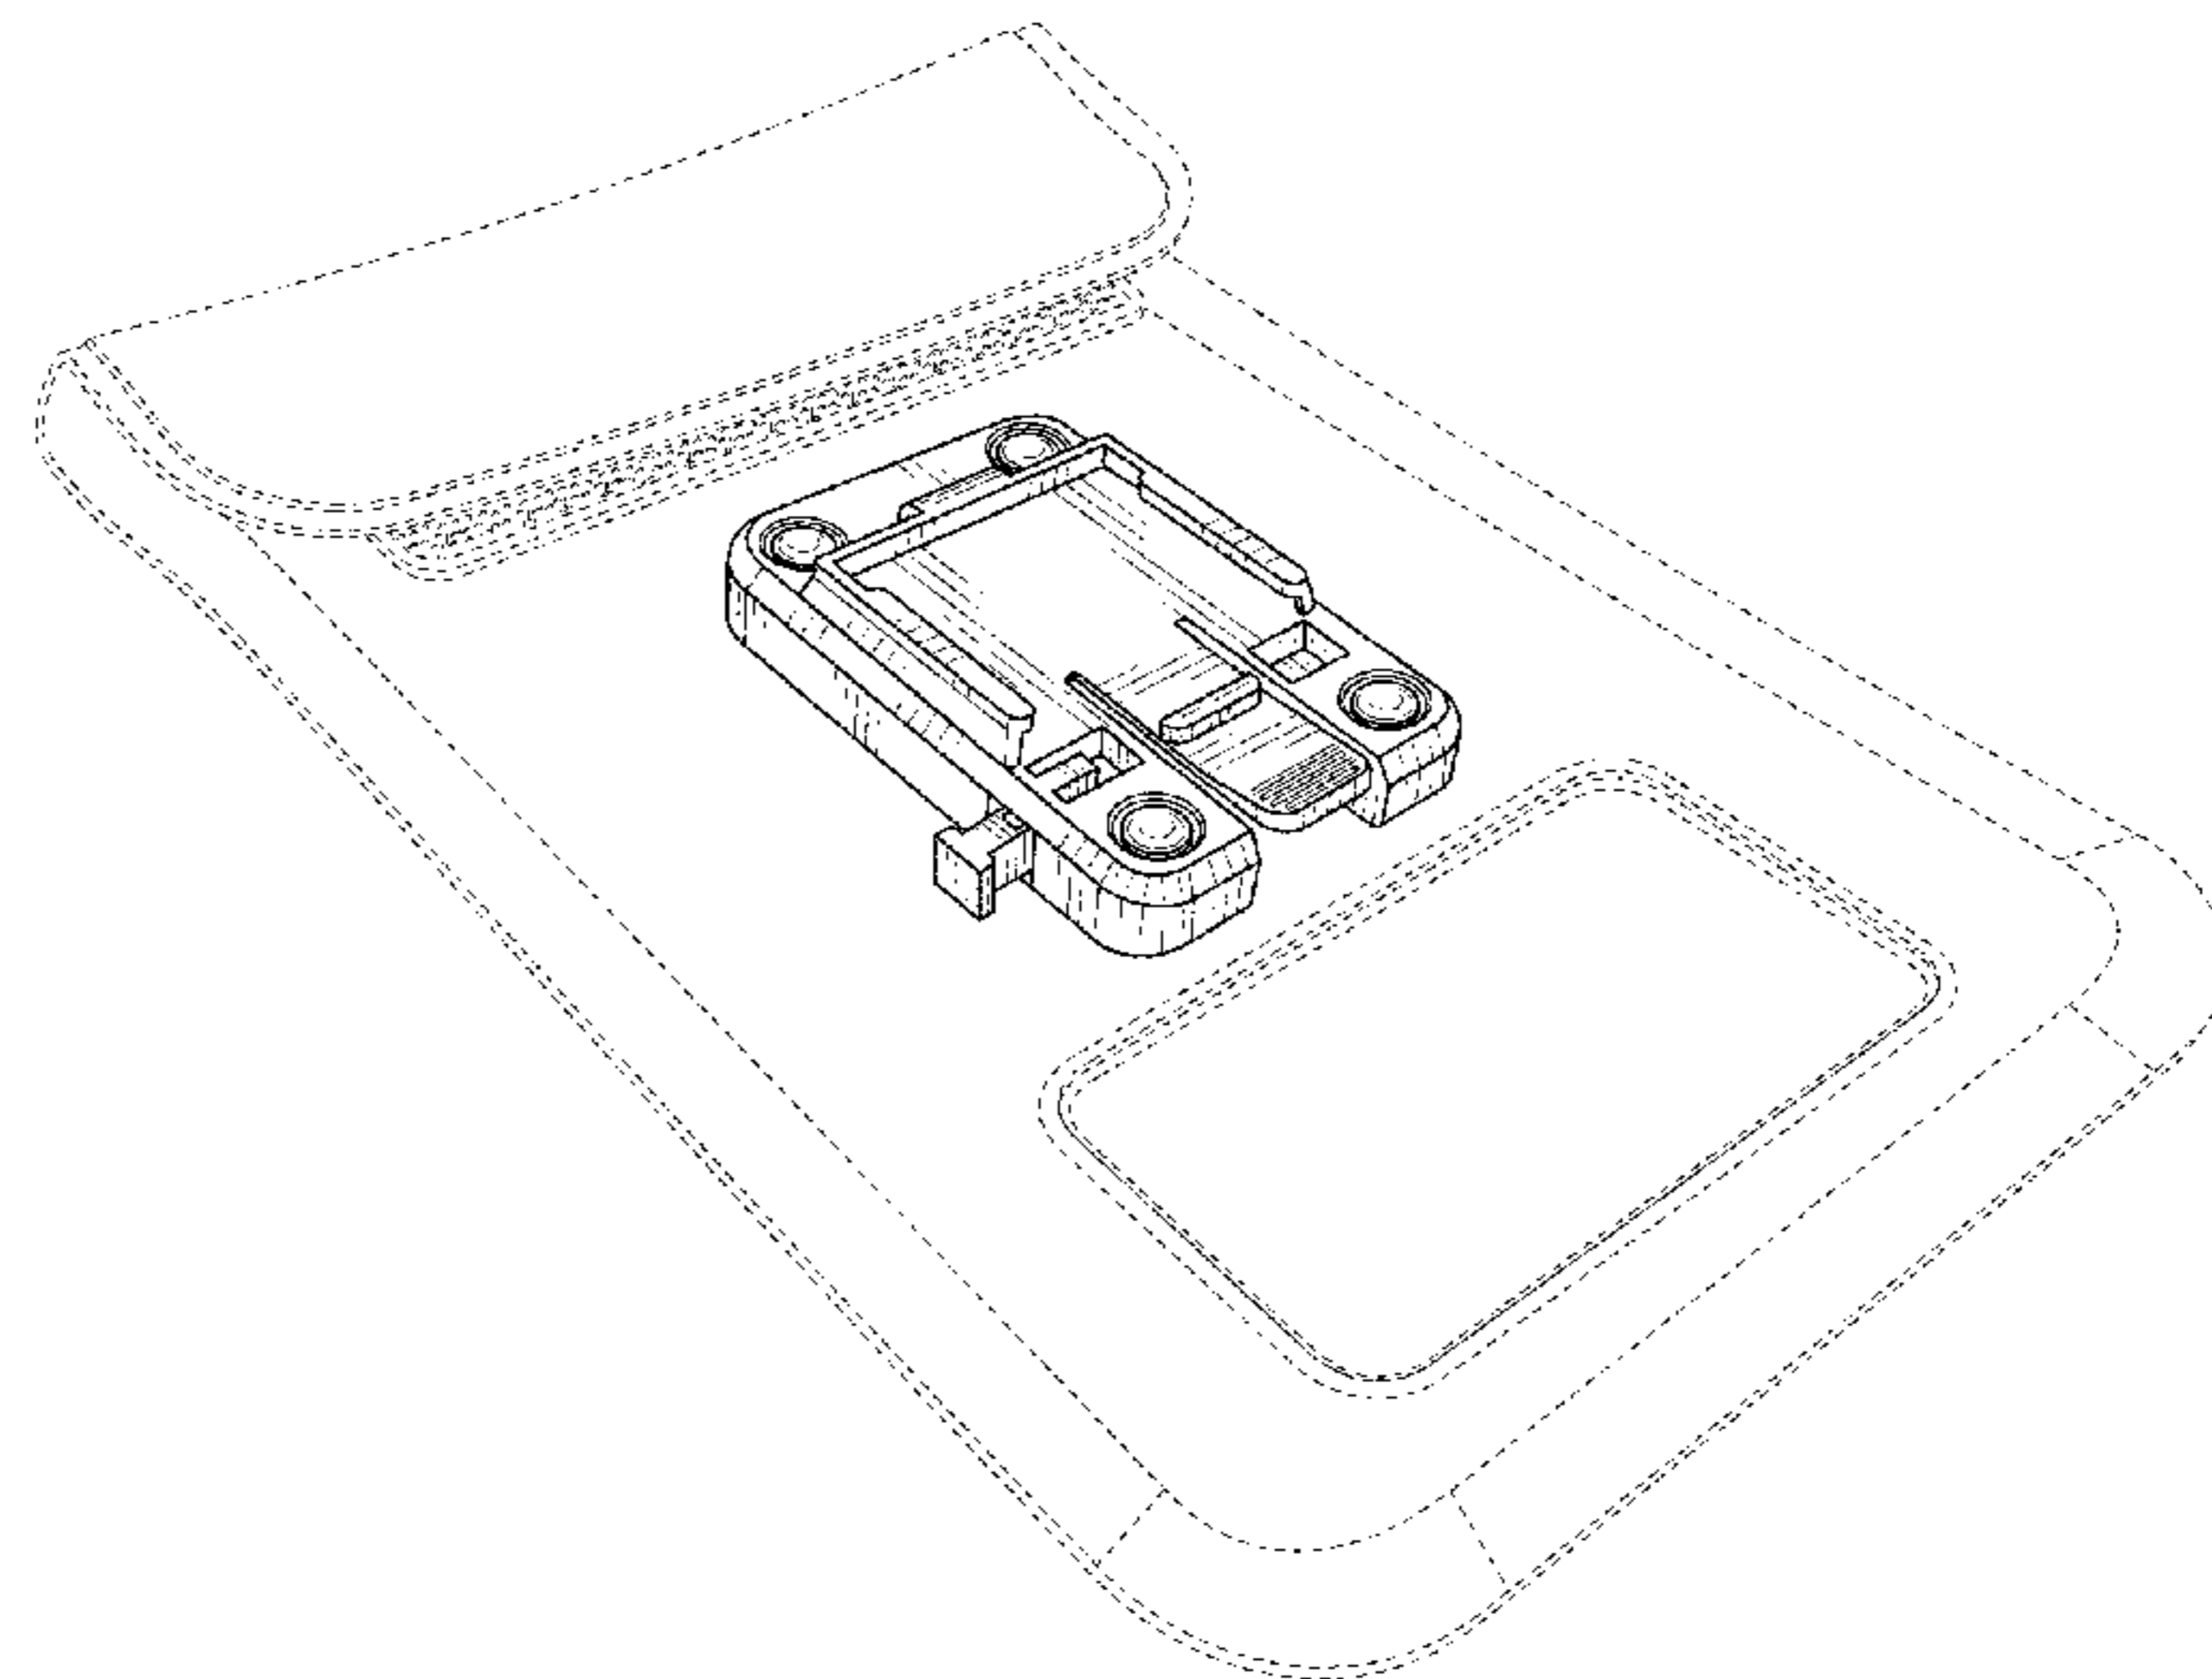

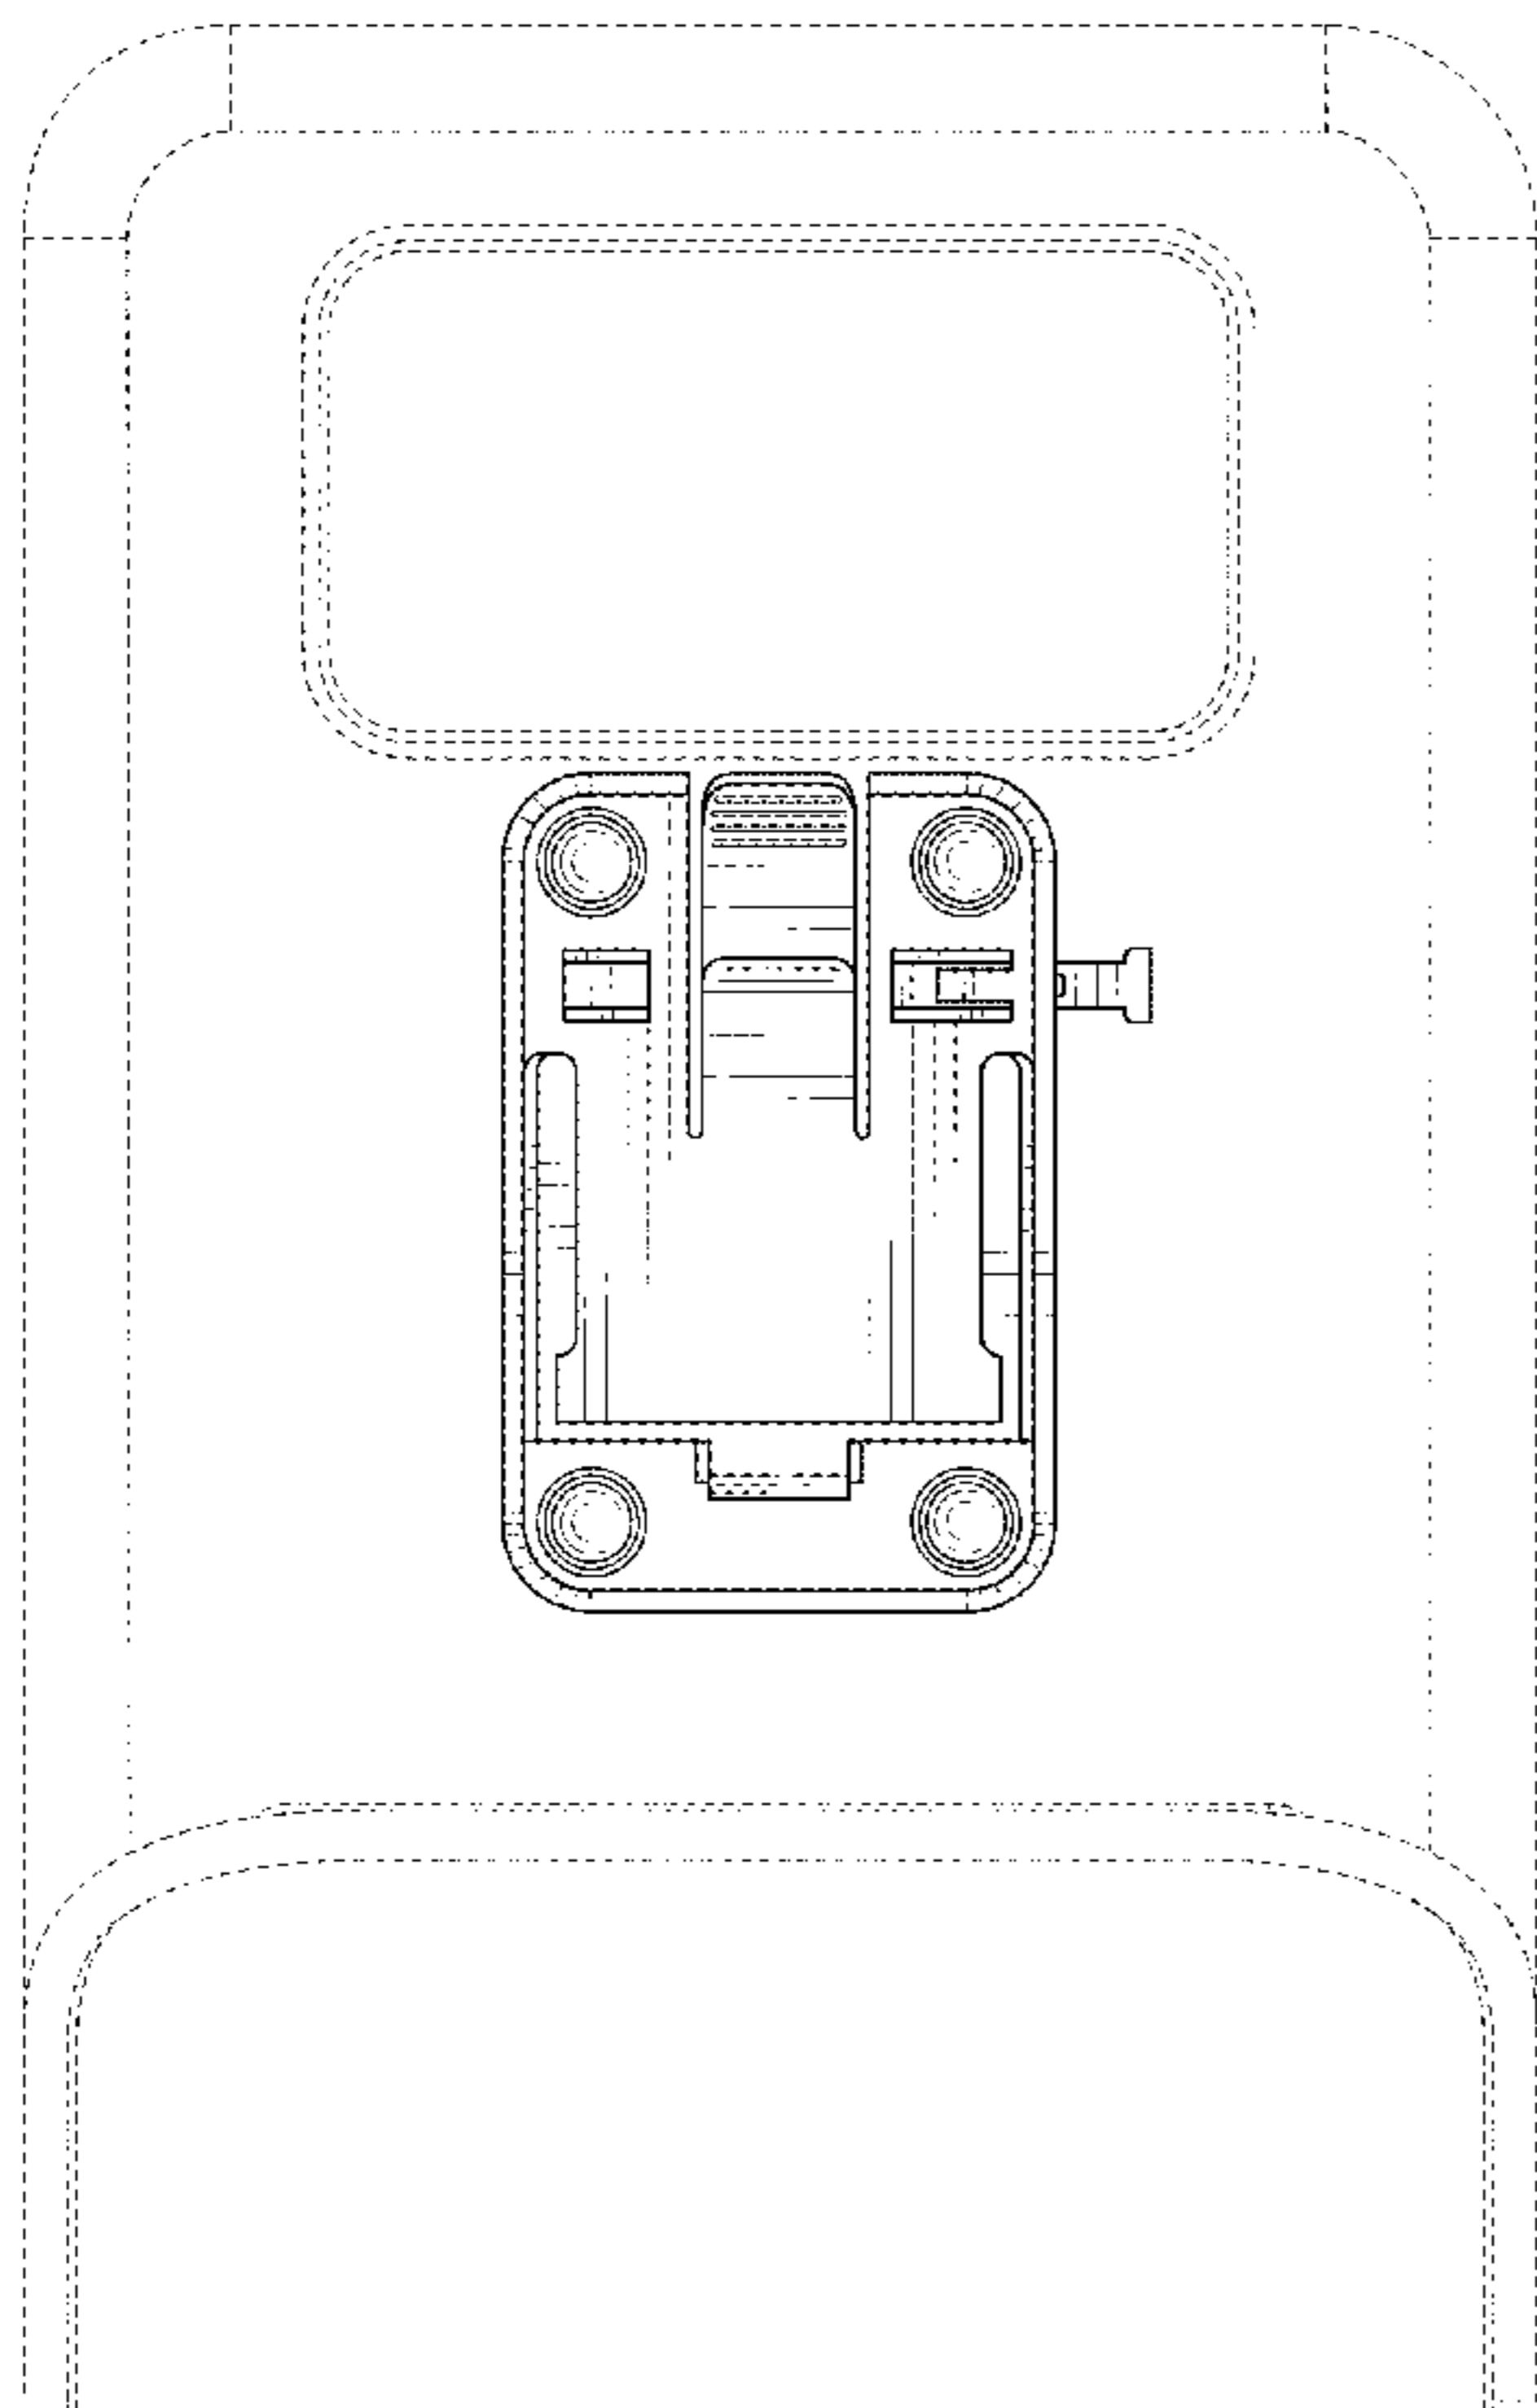

FIG. 6 is a bottom plan view thereof;

FIG. 7 is a front, top, right perspective thereof prior to mounting to a clamp; and,

FIG. 8 is a front, top, right perspective view of the clip with slide lock, wherein the clip is attached to a protective case, mounted to a clamp, and in a locked configuration.

The rear view of the clip forms no part of the claimed design. The broken lines represent environment only and form no part of the claimed design.
