(57) **CLAIM**

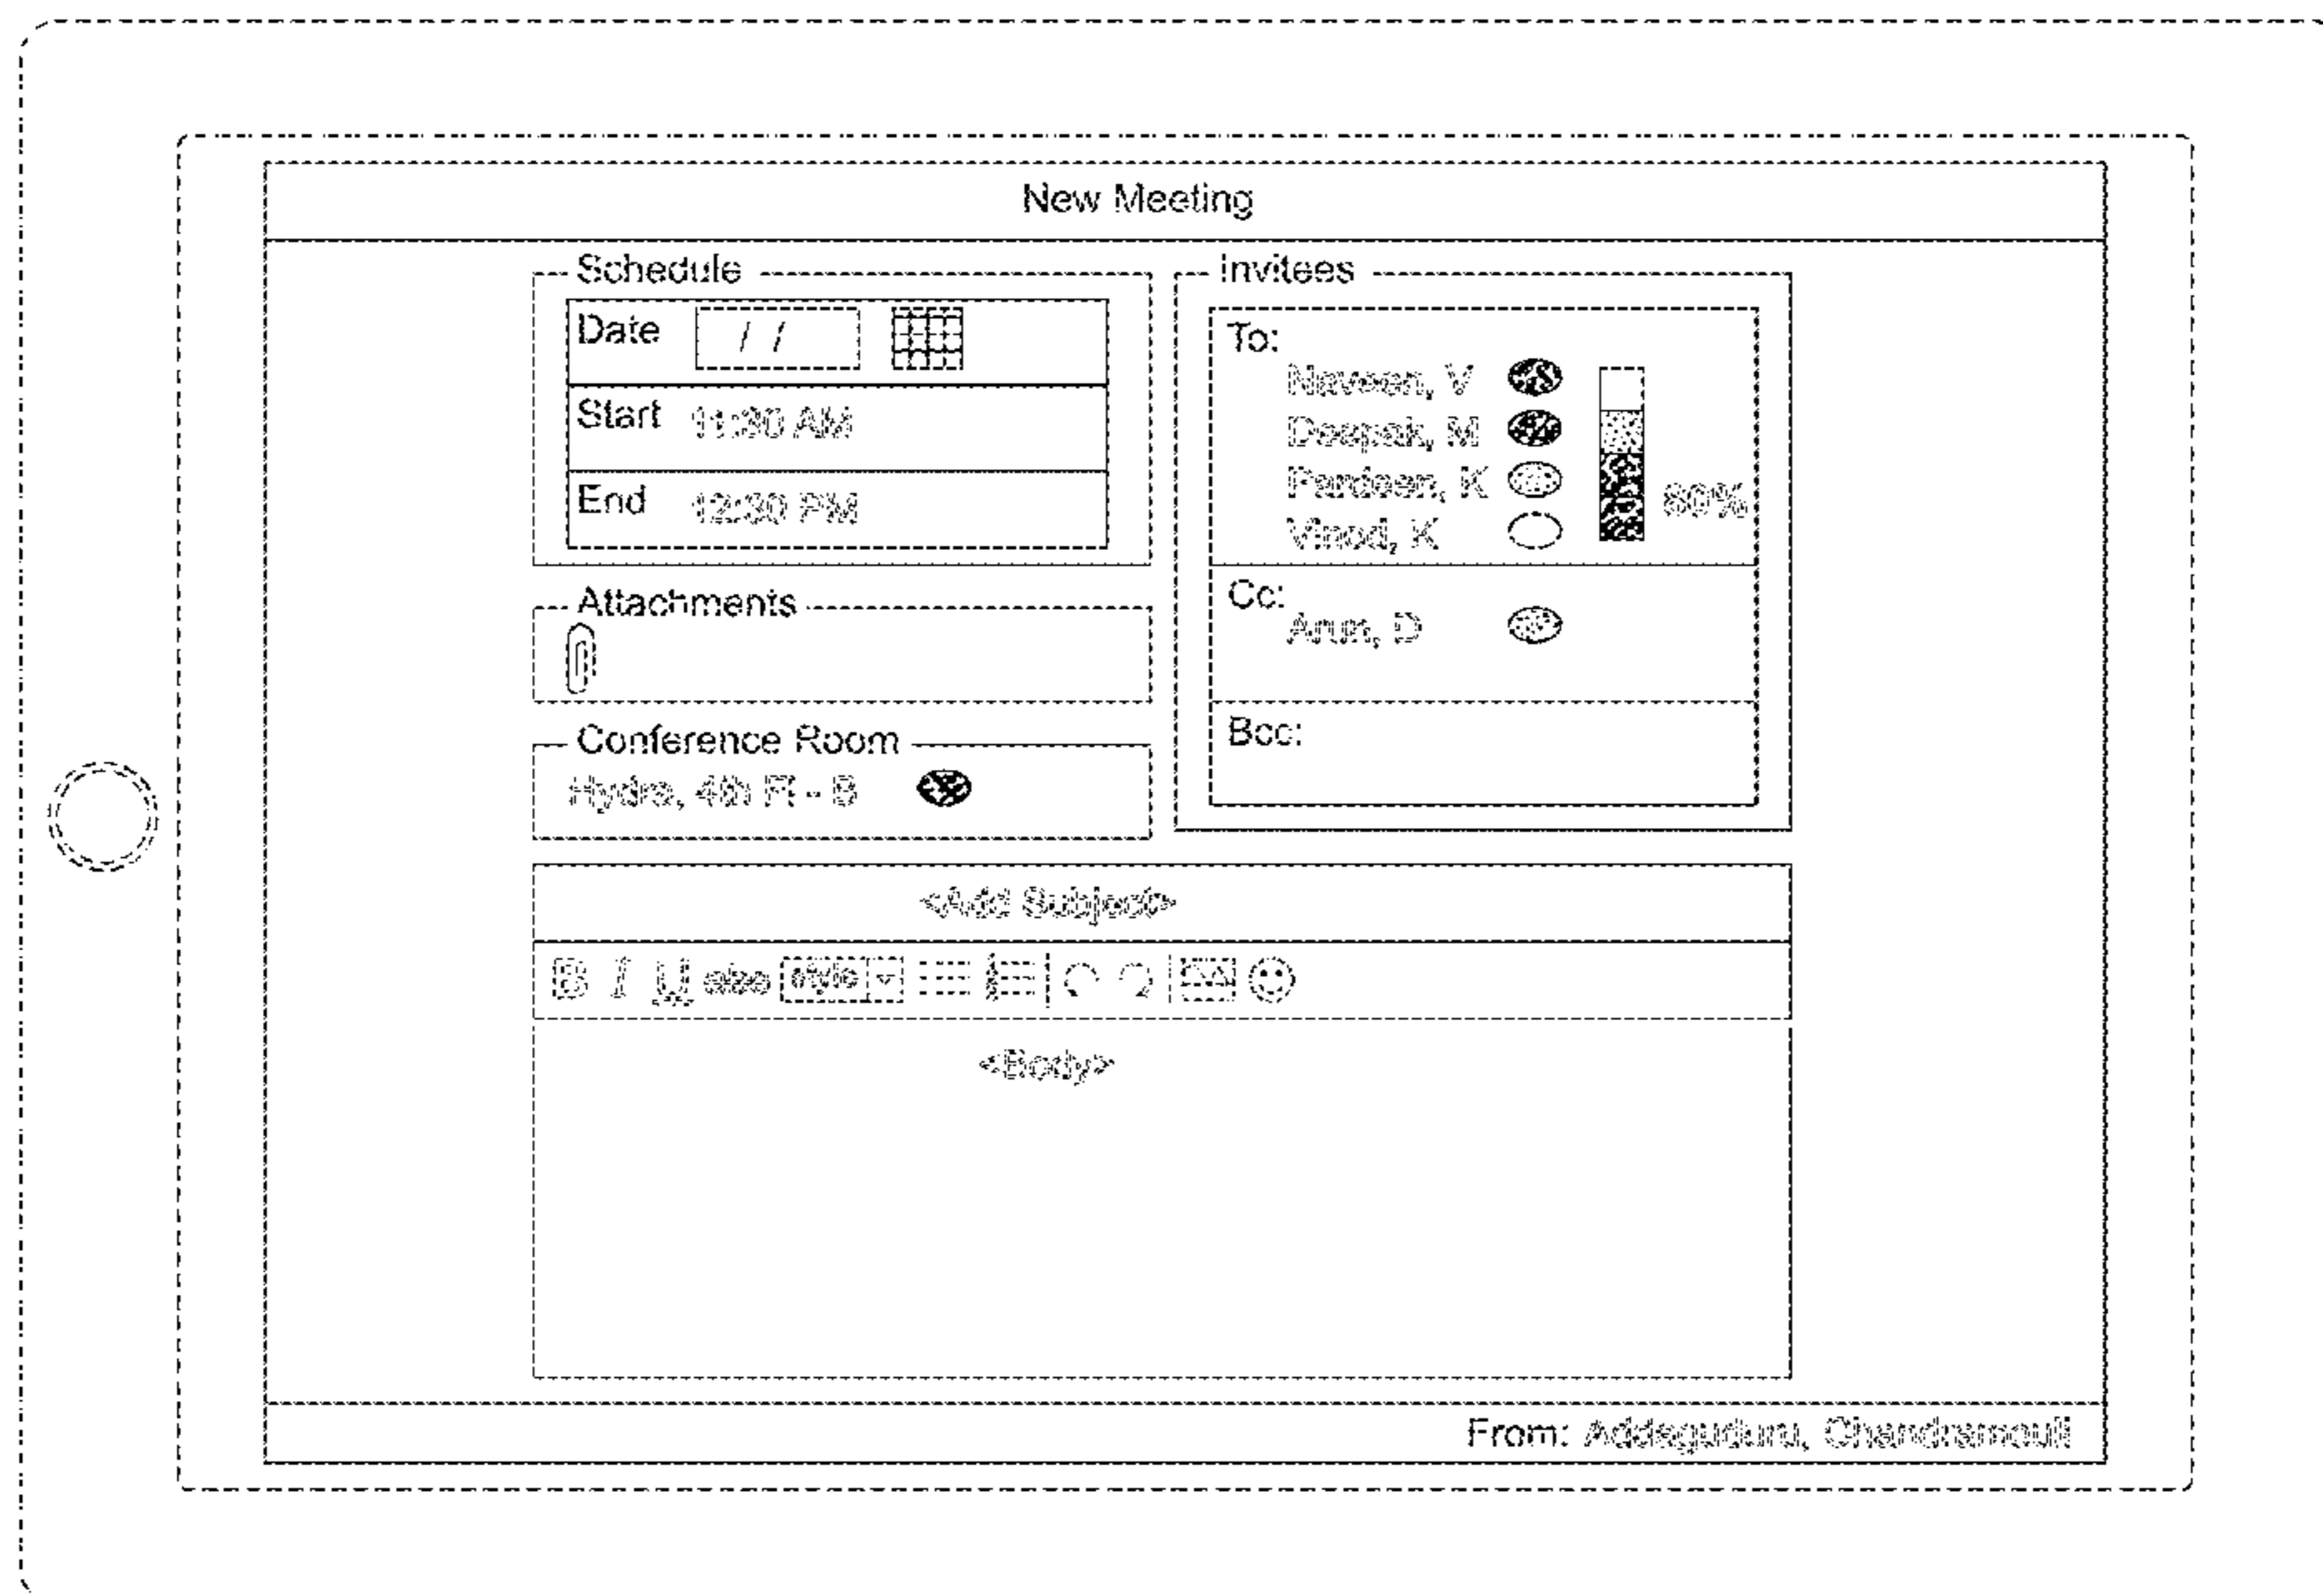

The ornamental design for a display screen with graphical user interface display screen or portion thereof, as shown and described.

**DESCRIPTION**

The FIGURE is a front view of a display screen with graphical user interface showing my new design.

The broken line showing of a device is for the purpose of illustrating environmental structure, and the remainder of the broken lines are for the purpose of illustrating the display screen and portions of the graphical user interface. None of the broken lines form part of the claimed design.
