See application file for complete search history.

FIG. 1 is a perspective view of the table cloth of our new design, showing it being positioned on a conventional picnic table and covering the top surface thereof.

FIG. 2. Is a top plan view thereof.

FIG. 3 is an elevational view of the front side or edge thereof. The elevational view of the rear edge is a mirror image thereof.

FIG. 4 is an elevational view of one side thereof. The opposite side elevational view is a mirror image thereof.

FIG. 5 is a bottom plan view thereof; and,

FIG. 6 is an enlarged elevational view of the front edge thereof. The elevational view of the rear edge is a mirror image thereof.

The breaks in the drawing figures indicate no specific length. The broken line figure in FIG. 1, showing portions of a picnic table, represent an environmental element, and forms no part of our new design.
