(57) **CLAIM**
The ornamental design for lens carrier, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a lens carrier for our new design;
FIG. 2 is a rear elevational view thereof; and,
FIG. 3 is a side elevational view, wherein the other side is a mirror image thereof.
The broken lines showing certain portions of the lens carrier are for the purpose of illustrating environment structure and form no part of the claimed design.
