**CLAIM**

The ornamental design for a display screen with an animated electronic program guide, as shown and described.

**DESCRIPTION**

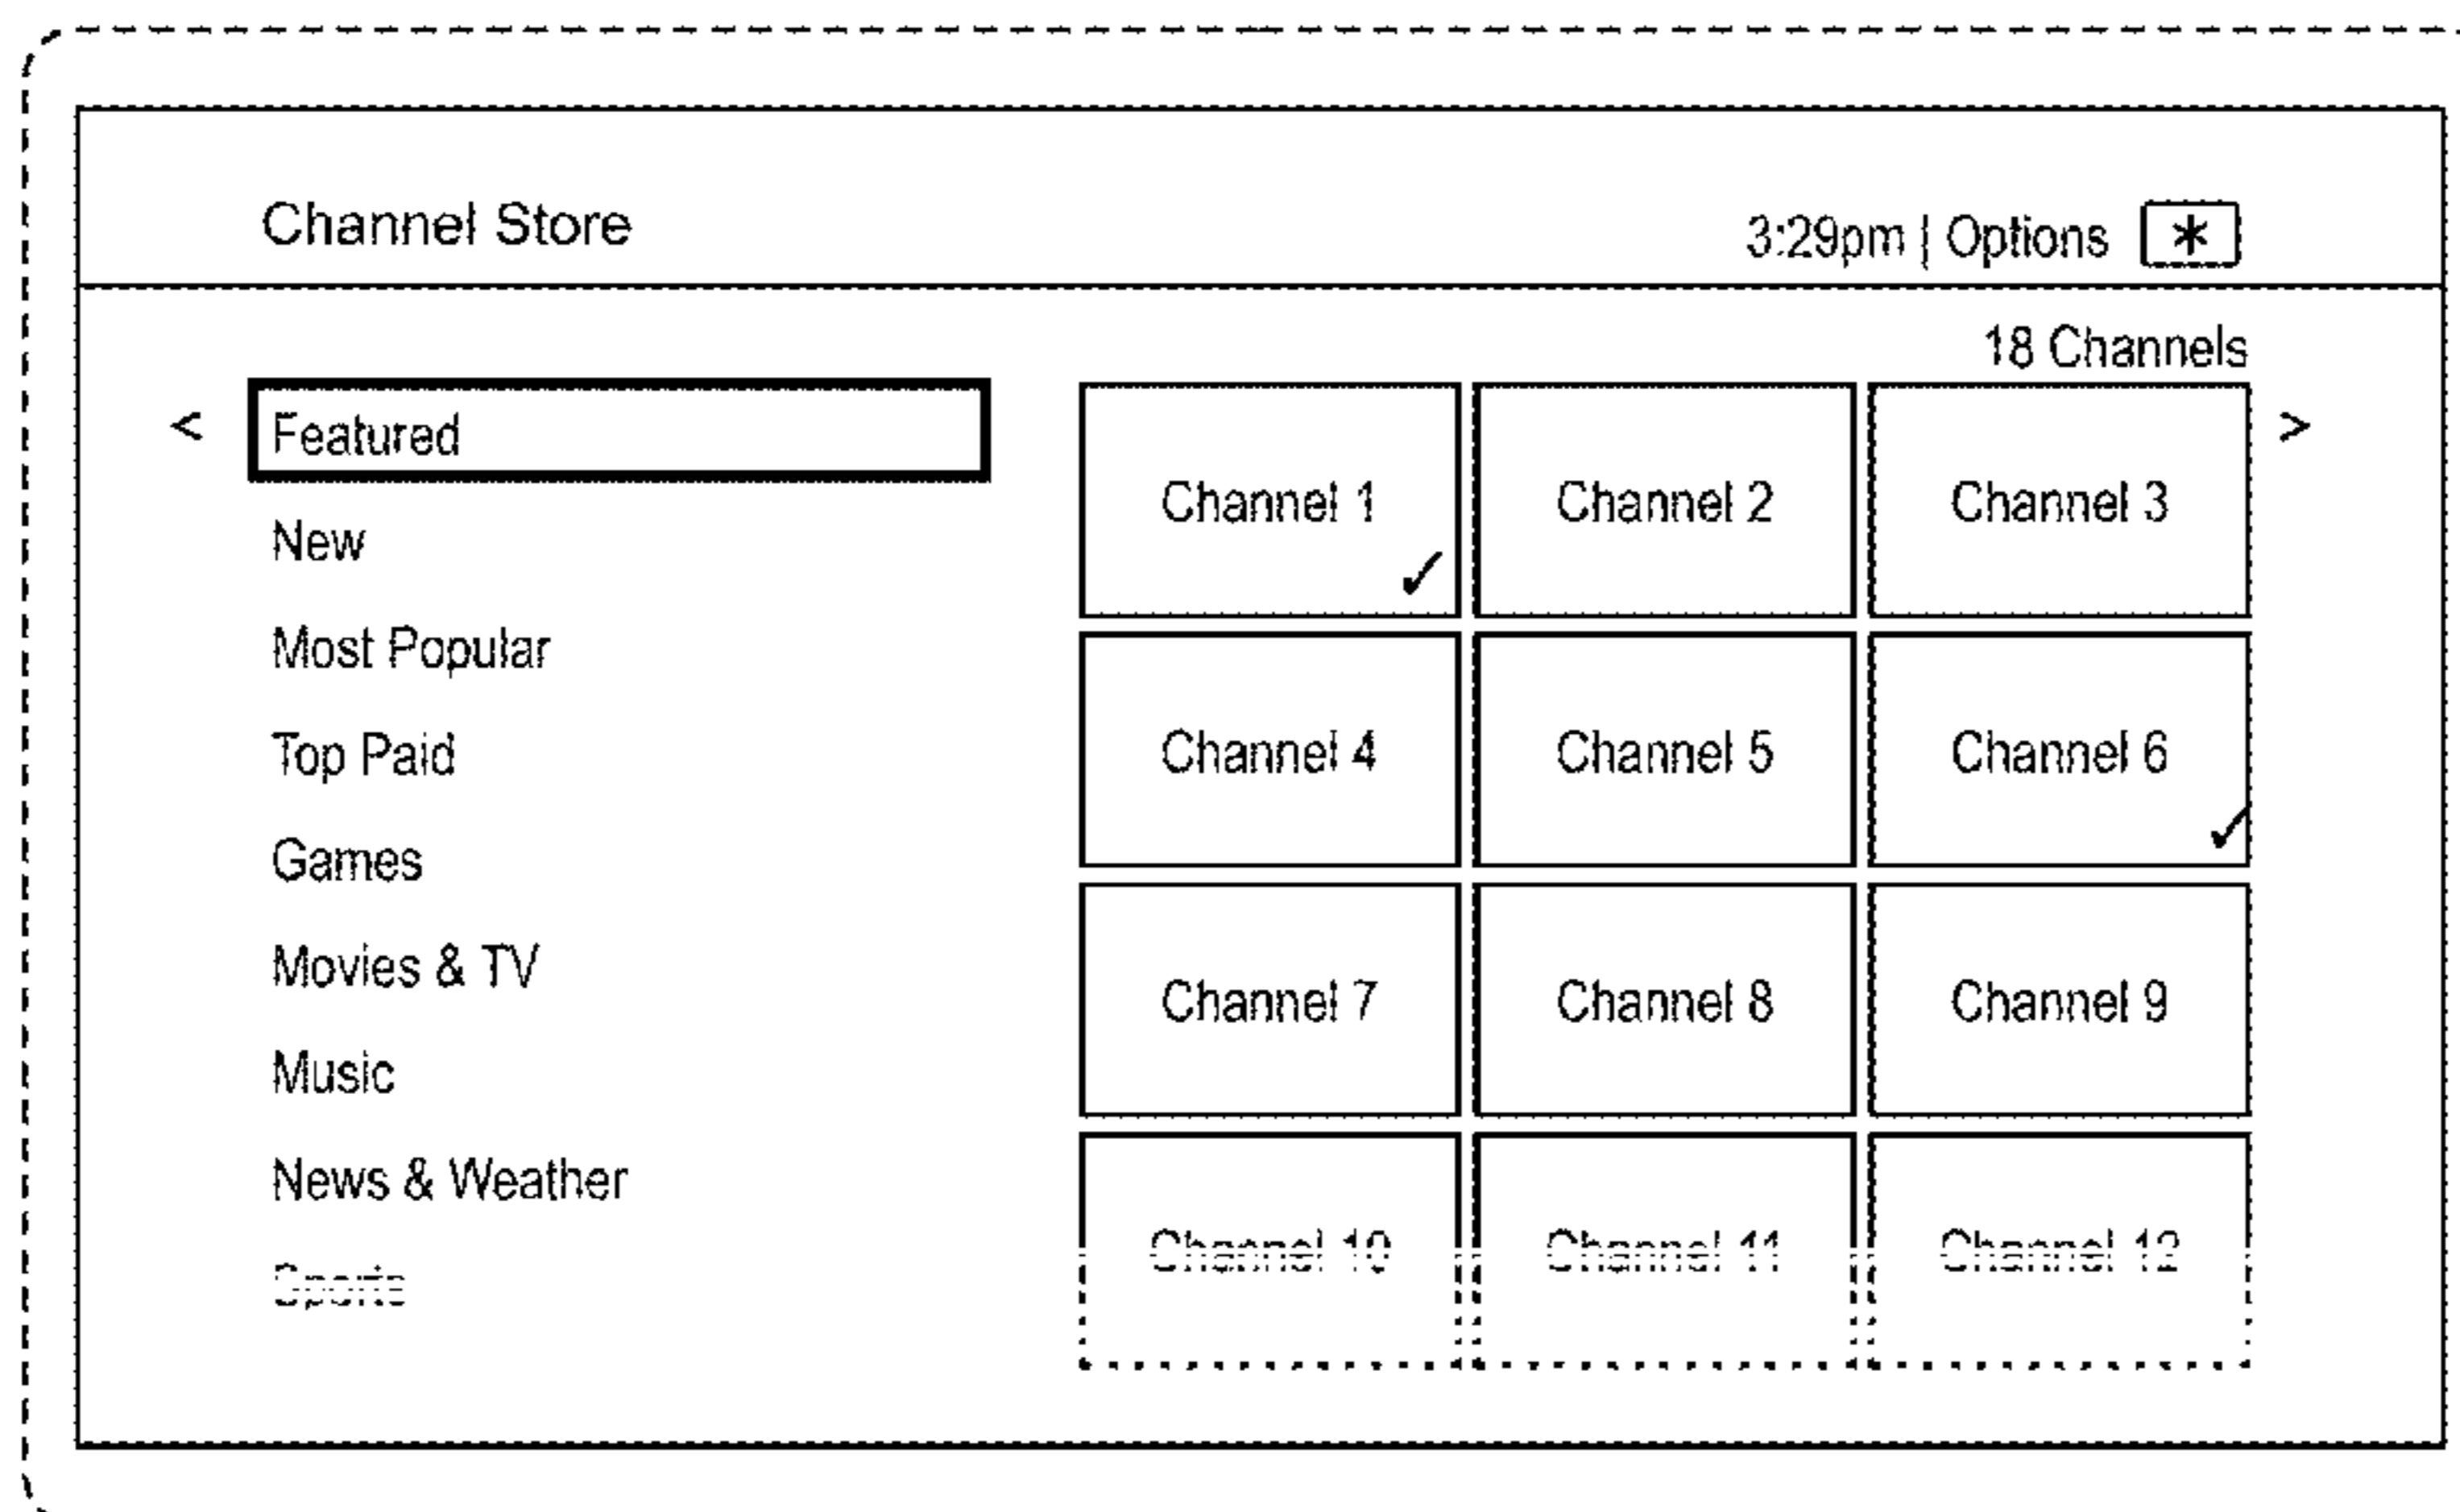

FIG. 1 is a front view of a display screen with an animated electronic program guide showing a first image of our new design; and,

FIG. 2 is a second image thereof.

The outermost broken lines in the figures show a display screen, and form no part of the claimed design. The other broken lines in the figures show portions of the animated electronic program guide that form no part of the claimed design.

The appearance of the animated images transitions between the images shown in FIGS. 1-2. The process or period in which one image transitions to another forms no part of the claimed design.

**1 Claim, 2 Drawing Sheets**
