(57) **CLAIM**
The ornamental design for a speaker for television receiver, as shown and described.

DESCRIPTION
FIG. 1 is a perspective view of a speaker for television receiver showing our new design;
FIG. 2 is a front view thereof;
FIG. 3 is a rear view thereof;
FIG. 4 is a left side view thereof where the right side view is a mirror image;
FIG. 5 is a top plan view thereof where the bottom plan view is a mirror image;
FIG. 6 is a reference front view showing an example of the position and the shape of speakers part which are built-in; and,
FIG. 7 is a perspective view showing an example of the usage of the present design in which a television receiver has been installed on.
The broken lines depict unclaimed portions of the speaker for television receiver and/or environment and form no part of the claimed design. The dash-dot broken lines define the bounds of the claimed design and form no part thereof.
