(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphic user interface, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of a display screen or portion thereof with graphic user interface showing our new design. The broken lines illustrating portions of the display screen or portion thereof with graphic user interface are for environmental purposes only and form no part of the claimed design. The dot-dash lines in the FIGURES represent an unclaimed boundary line and form no part of the claimed design.
