(57) **CLAIM**

We claim the ornamental design for a housing for a water treatment system control valve, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a housing for a water treatment system control valve of the present invention; FIG. 2 is a top plan view of the housing shown in FIG. 1; FIG. 3 is a rear side elevational view of the housing; FIG. 4 is a left side elevational view of the housing; FIG. 5 is a front side elevational view of the housing; FIG. 6 is a right side elevational view of the housing; and, FIG. 7 is bottom view of the housing shown in FIG. 1. The broken line shown in the figures are included for the purpose of illustrating environment and form no part of the claimed design.
