**DESCRIPTION**  
FIG. 1 is a perspective drawing showing a front and side views of our new design for a molded wheel.  
FIG. 2 is a front view thereof;  
FIG. 3 is a rear view thereof;  
FIG. 4 is a cross section view taken from FIG. 3 along section lines 4-4;  
FIG. 5 is a side view thereof, wherein the other side is a mirror image and wherein a spacer bushing fitted to the hub is shown with a symbolic break in length; and,  
FIG. 6 is a perspective drawing showing an enlarged partial section of the wheel and wherein partial rear and side views are shown thereof.  
The spacer bushing projecting from the wheel's hub is shown with a symbolic break in its length. The appearance of any portion of the article between the break lines forms no part of the claimed design.
