(57) **CLAIM**

The ornamental design for a display screen or portion thereof with a graphical user interface, as shown and described.

**DESCRIPTION**

The FIGURE is a front view of a display screen or portion thereof with a graphical user interface showing our new design.  
The even length dashed broken lines are for environmental purposes only and form no part of the claimed design.  
The uneven length dash-dot broken lines of the display screen represent an unclaimed boundary line and form no part of the claimed design.
