(57) **CLAIM**

The ornamental design for a monitoring camera, as shown and described.

DESCRIPTION

The present design application contains a least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a perspective view of a monitoring camera showing our new design;

FIG. 2 is a front elevation view of the monitoring camera;

FIG. 3 is a rear elevation view of the monitoring camera;

FIG. 4 is a left side elevation view of the monitoring camera;

FIG. 5 is a right side elevation view of the monitoring camera;

FIG. 6 is a top plan view of the monitoring camera; and,

FIG. 7 is a bottom plan view of the monitoring camera.

The broken lines depict portions of the monitoring camera in which the design is embodied, and form no part of the claimed design.
