FIGS. 1-8 show features of a palmless glove in broken lines. The features shown in long-short-short-long dashed lines illustrate portions of the palmless glove that form no part of the claimed design. The long-short-short-long dashed lines immediately adjacent to the solid-line portions of the design form the bounds of the claim and form no part of the claimed design. The short-short dashed lines represent conventional stitching and form no part of the claimed design. The stipple shaded portions of the palmless glove are claimed.
